Wouldst Thou Like To DIE Deliciously? The year is 1617, and the only thing on the minds of every noblewoman and aristocrat in Europe is CHOCOLATE. The act of eating this modest confection brings so much PLEASURE, it has become more prized than tea, spices, even liquor ... and it all comes from one place: LUCIA DE CASTILLOs factory in northern Friesland. This one businesswoman has Europe by the balls, and some will pay handsomely for the secret to her success. But Lucias factory isnt what it seems to be.

The horrors and cruelties that exist within its walls defy IMAGINATION ITSELF. Nobody ever goes in ... and nobody ever comes out! BLOOD IN THE CHOCOLATE is a psycho-sexual romp that pits characters not just against their enemies, but against their own twisting, melting, inflating, or poisoned bodies. This adventure comes from the imagination of Kiel Chenier (Dungeons & Donuts, The Hell House Beckons), brought to life by the lurid illustrations of Jason Bradley Thompson (Mangaka: The Fast & Furious Game of Drawing Comics, Dreamland). An adventure suitable for low-level characters for use with Lamentations of the Flame Princess Weird Fantasy Role-Playing and other traditional role-playing games.

This volume collects the four adventures previously released as Tower of the Stargazer, The God that Crawls, The Monolith from Beyond Space and Time, and The Doom-Cave of the Crystal-Headed Children: * Tower of the Stargazer presents a familiar traditional fantasy adventure location, the wizards tower, and adds cosmic horror to infuse the familiar with something strange. * The God that Crawls involves the mystery of what exactly lies in the catacombs beneath an ancient church. How far will the curiosity of your players take their characters before it is too late?* The Monolith from beyond Space and Time is the deep end of the Weird Horror pool, pure cosmicism and the most intense and pure concentration of Weird in the entire Lamentations of the Flame Princess catalog.* The Doom-Cave of the Crystal-Headed Children is a bit of a farce, with an absurd premise that invites characters into a reality-bending environment where they will have much opportunity to make some very bad decisions. Includes new artwork! For use with Lamentations of the Flame Princess Weird Fantasy Role-Playing and other traditional tabletop role-playing games. Made in Finland.

For our amusement. And beyond that amusement lies those adventures that gave Lamentations of the Flame Princess its reputation. A reputation for publishing situations and scenarios that are nothing more than cruelty disguised as entertainment, designed so that friends and acquaintances will like each other, and themselves, less. Adventures designed to make the sun seem to shine less brightly. Adventures designed to make the embrace of loved ones seem brutally cold. Adventures designed to disgust, repel, and traumatize players as their characters suffer horribly imagined fates and the Referee cackles at sharing their pain. As all good horror must. They wish to claim its rich harvests of souls and fields, its intricate networks of ley lines and temples, for their own. They have devastated it utterly.
