*Southern Horrors: Lynch Law in All Its
Phases* BoD - Books on Demand
Womanist approaches to the study of

religion and society have contributed much to our understanding of Black religious life, activism, and women's liberation. This volume explores the achievements of this movement, and evaluates some of the leading voices and different perspectives within this

field.

Invisible to Invaluable Harper Collins
In *Anything We Love Can Be Saved*, Alice Walker writes about her life as an activist, in a book rich in the belief that the world is saveable, if only we will act. Speaking from her heart on a wide range of topics--religion and the spirit, feminism and race, families and identity, politics and social change--Walker begins with a moving autobiographical essay in which she describes her own spiritual growth and roots in activism. She goes on to explore many important private and public issues: being a daughter and raising one, dreadlocks, banned books, civil rights, and gender communication. She writes about Zora Neale Hurston and Salman Rushdie and offers advice to Bill Clinton. Here is a wise woman's thoughts

as she interacts with the world today, and an important portrait of an activist writer's life. NOTE: This edition does not include photographs.

In Love and Trouble Open Road Media
The Pulitzer Prize-winning author of *The Color Purple* weaves a “glorious and iridescent” tapestry of interrelated lives in this New York Times bestseller (*Library Journal*). Includes a new letter written by the author *In The Temple of My Familiar*, Celie and Shug from *The Color Purple* subtly shadow the lives of dozens of characters, all dealing in some way with the legacy of the African experience in America. From recent African immigrants, to a woman who grew up in the mixed-race rainforest communities of South America, to Celie’s own granddaughter living in modern-day

San Francisco, all must come to understand the brutal stories of their ancestors to come to terms with their own troubled lives. As Walker follows these astonishing characters, she weaves a new mythology from old fables and history, a profoundly spiritual explanation for centuries of shared African American experience. This ebook features an illustrated biography of Alice Walker including rare photos from the author's personal collection. *The Temple of My Familiar* is the 2nd book in the Color Purple Collection, which also includes *The Color Purple* and *Possessing the Secret of Joy*.

Meridian Hachette UK

According to Molly Hite, a number of influential contemporary women novelists—notably Jean Rhys, Doris

Lessing, Alice Walker, and Margaret Atwood—attempt innovations in narrative form that are more radical in their implications than the dominant modes of fictional experimentation characterized as postmodernist. In *The Other Side of the Story*, Hite makes the point that these innovations, which distinguish the genre she calls contemporary feminist narrative, are more radical precisely because their context is the critique of a culture and a literary tradition apprehended as profoundly masculinist.

All the Women are White, All the Blacks are Men, But Some of Us are Brave Open Road Media

A collection of articles by women concerning the dangers of pornography and exploring the issue of limiting those

dangers without violating the right to freedom of speech

Anything We Love Can Be Saved Simon and Schuster

“Grieve well and you grow stronger.”

Anthropologist Rebecca Louise Carter heard this wisdom over and over while living in post-Katrina New Orleans, where everyday violence disproportionately affects Black communities. What does it mean to grieve well? How does mourning strengthen survivors in the face of ongoing threats to Black life? Inspired by ministers and guided by grieving mothers who hold birthday parties for their deceased sons, *Prayers for the People* traces the emergence of a powerful new African American religious ideal at the intersection of urban life, death, and social and spiritual change.

Carter frames this sensitive ethnography within the complex history of structural violence in America—from the legacies of slavery to free but unequal citizenship, from mass incarceration and overpolicing to social abandonment and the unequal distribution of goods and services. And yet Carter offers a vision of restorative kinship by which communities of faith work against the denial of Black personhood as well as the violent severing of social and familial bonds. A timely directive for human relations during a contentious time in America’s history, *Prayers for the People* is also a hopeful vision of what an inclusive, nonviolent, and just urban society could be.

The Purpose of Power Piatkus

A guide for women on how to dismantle

cultural programming at work that promotes tearing one another down and how to raise each other up instead. Joy Wiggins and Kami Anderson advocate that the only way women can successfully support each other is by addressing the varying intersections of our individual power and privileges, particularly focusing on how some privileges are inherited along lines of race, class, sexuality, and geography. When we fully examine how we have power in certain situations and not in others, we start to see where we can lend privilege to create truly inclusive spaces for the historically underrepresented and marginalized. Wiggins and Anderson look at how the dynamics of privilege and power have played out in the history of the feminist

movement and identify and break down socialized behaviors and ideologies that trigger implicit bias and microaggressions. And they provide tools to interrupt negative thoughts and actions so women can nurture mutual support and show up as their authentic selves. Each chapter features a dialogue between them reflecting on how issues of race, privilege, and power have played out in their lives and their friendship. The system of patriarchy has created an environment for women to knowingly and unknowingly sabotage each other—it is not inherent in women themselves. This book teaches us how to take an active approach to becoming better allies for each other and by so doing improve our world and end the cycle of injustice. “Packed with everyday

wisdom and common-sense recommendations, *From Sabotage to Support* provides an important alternative to our oppositional, combative social milieu. The authors offer insights, analyses, strategies, and everyday wisdom that give us the necessary tools to transform our workplaces into more equitable, harmonious, inclusive spaces.”

—AnaLouise Keating, PhD, Professor and Doctoral Program Director, Department of Multicultural Women’s and Gender Studies, Texas Woman’s University, and Gloria Anzaldúa scholar “A fantastic addition to the body of knowledge for women (and allies) by women. This book lays down a solid foundation for people new to feminist and womanist journeys while providing immensely actionable

guidance for managing our sabotaging behaviors toward ourselves and others. The authors thoughtfully include myriad diverse identities and movements that define the complex human experience. This book will forever change you, your workplace, and the way that you embrace and connect with people.”

—Tiffany Jana, DM, CEO, TMI Portfolio, and coauthor of *Overcoming Bias and Erasing Institutional Bias*

Southscapes JHU Press

In this book, Jaime Harker uncovers a largely forgotten literary renaissance in southern letters. Anchored by a constellation of southern women, the Women in Print movement grew from the queer union of women's liberation, civil rights activism, gay liberation, and print culture. Broadly influential from the

1970s through the 1990s, the Women in Print movement created a network of writers, publishers, bookstores, and readers that fostered a remarkable array of literature. With the freedom that the Women in Print movement inspired, southern lesbian feminists remade southernness as a site of intersectional radicalism, transgressive sexuality, and liberatory space. Including in her study well-known authors—like Dorothy Allison and Alice Walker—as well as overlooked writers, publishers, and editors, Harker reconfigures the southern literary canon and the feminist canon, challenging histories of feminism and queer studies to include the south in a formative role. Deeper Shades of Purple Amherst : University of Massachusetts Press
“A classic novel of both feminism and

the Civil Rights movement” in 1960s Atlanta by the Pulitzer Prize-winning author of *The Color Purple* (Ms.). As she approaches the end of her teen years, Meridian Hill has already married, divorced, and given birth to a son. She’s looking for a second chance, and at a small college outside Atlanta, Georgia, in the early 1960s, Meridian discovers the civil rights movement. So fully does the cause guide her life that she’s willing to sacrifice virtually anything to help transform the conditions of a people whose subjugation she shares. Meridian draws from Walker’s own experiences working alongside some of the heroes of the civil rights movement, and the novel stands as a shrewd and affecting document of the dissolution of the Jim Crow South. This ebook features an

illustrated biography of Alice Walker including rare photos from the author's personal collection.

Why War Is Never a Good Idea Univ of South Carolina Press

In this innovative approach to southern literary cultures, Thadious Davis analyzes how black southern writers use their spatial location to articulate the vexed connections between society and environment, particularly under segregation and its legacies.

Living by the Word W. W. Norton & Company

Admirers of *The Color Purple* will find in these stories more evidence of Walker's power to depict black women--women who vary greatly in background yet are bound together by what they share in common. Taken as a whole, their stories

form an enlightening, disturbing view of life in the South.

The Complete Stories Ballantine Books Presents the text of Alice Walker's story "Everyday Use"; contains background essays that provide insight into the story; and features a selection of critical response. Includes a chronology and an interview with the author.

Solidarity with the Other Beings on the Planet Open Road Media

Reproduction of the original: *Southern Horrors: Lynch Law in All Its Phases* by Ida B. Wells-Barnett

Dead Women Talking Routledge

Though all women are women, no woman is only a woman, wrote Elizabeth Spelman in *The Inessential Woman*. Gone are the days when feminism translated simply into the advocacy of

equality for women. Women's interests are not always aligned; race, class, and sexuality complicate the equation. In recent years, feminist ideologies have become increasingly diverse. Today, one feminist's most ardent political opponent may well be another feminist. As feminism grows increasingly diverse, the time has come to ask a painful and frequently avoided question: what does it mean for women to oppress women? This pathbreaking, provocative anthology addresses this troublesome dilemma from various feminist perspectives, offering an interdisciplinary collection of writings that widens our understanding of oppression to take into account women who are at odds. The book examines the social, political, and psychological

ramifications of this phenomenon, as evidenced in a range of texts, from women's antislavery writing to women's anti-abortion writing, from mother-daughter incest stories to maternal surrogacy narratives, from the Bible to the popular romance novel, from Jane Austen to Alice Walker. The value of the volume is perhaps best summed up by an early response to the idea—This is a book that should never be written; feminists should concentrate on how men oppress women. Ironically, it is precisely because the subject triggers such responses, the authors argue, that a volume such as *Feminist Nightmares* has become a necessity.

The Womanist Reader One World
From literary essays on major writers to pieces on how black women contributed

to the blues, this is the ultimate text for black women's studies. First published in 1982, *But Some of Us Are Brave* has been used in classrooms and universities ever since. The essays capture everything from a black women's place in art to racism and sexism, feminist thought and lesbian studies to political theories and ideologies. Not only does the book provide essential materials for academics and students, it is popular with general readers.

Understanding Alice Walker BoD – Books on Demand

The Pulitzer-Prize winning novel that made Alice Walker a household name

In Search of Our Mothers' Gardens

Open Road Media

National Book Award Finalist: The love poems of an author caught up in a

hopeful and sometimes violent upheaval. When Alice Walker published her second collection of poems in 1976, she had spent the previous decade deeply immersed in the civil rights movement. In these verses are her most visceral reactions to a moment in history that would shape the country, and that she herself influenced through words and advocacy. In hymns to ancestors, passionate polemics, and laments for lost possibilities, Walker addresses the problems of the past while keeping an eye on the possibilities of the future. Even in the midst of the call for change, these poems reveal a deep yearning for individual connection to others, as well as a deeply personal connection to nature. This ebook features an illustrated biography of Alice Walker including rare

photos from the author's personal collection.

The Red Record Open Road Media Comprehensive in its coverage, *The Womanist Reader* is the first volume to anthologize the major works of womanist scholarship. Charting the course of womanist theory from its genesis as Alice Walker's African-American feminism, through Chikwenye Okonjo Ogunyemi's African womanism and Clenora Hudson-Weems' *Africana* womanism, to its present-day expression as a global, anti-oppressionist perspective rooted in the praxis of everyday women of color, this interdisciplinary reader traces the rich and diverse history of a quarter century of womanist thought. Featuring selections from over a dozen disciplines

by top womanist scholars from around the world, plus several critiques of womanism, an extensive bibliography of womanist sources, and the first ever systematic treatment of womanist thought on its own terms, Layli Phillips has assembled a unique and groundbreaking compilation.

The Other Side of the Story Open Road Media

Despite recent advances in the study of black thought, black women intellectuals remain often neglected. This collection of essays by fifteen scholars of history and literature establishes black women's places in intellectual history by engaging the work of writers, educators, activists, religious leaders, and social reformers in the United States, Africa, and the Caribbean. Dedicated to recovering the

contributions of thinkers marginalized by both their race and their gender, these essays uncover the work of unconventional intellectuals, both formally educated and self-taught, and explore the broad community of ideas in which their work participated. The end result is a field-defining and innovative volume that addresses topics ranging from religion and slavery to the politicized and gendered reappraisal of the black female body in contemporary culture. Contributors are Mia E. Bay, Judith Byfield, Alexandra Cornelius, Thadious Davis, Corinne T. Field, Arlette Frund, Kaiama L. Glover, Farah J. Griffin, Martha S. Jones, Natasha Lightfoot, Sherie Randolph, Barbara D. Savage, Jon Sensbach, Maboula Soumahoro, and Cheryl Wall.

Toward an Intellectual History of Black Women Houghton Mifflin Harcourt

The National Book Award- and Pulitzer Prize-winning author's fascinating and far-reaching conversations with acclaimed writers and thought leaders. Spanning more than three decades, this collection of fascinating discussions between Alice Walker and renowned writers, leaders, and teachers, explores the changes that Walker has experienced in the world, as well as the change she herself has brought to it. Compelling literary and cultural figures such as Gloria Steinem, Pema Chödrön, and Howard Zinn represent a different stage in Walker's artistic and spiritual development. Yet, they also offer an unprecedented look at her career and

political growth. Noted literary scholar Rudolph Byrd sets Walker's work into context with an introductory essay, as well as with a comprehensive annotated bibliography of her writings. "Read as separate pieces, these conversations

offer vivid glimpses of Walker's energetic personality. Taken together, they offer a sense of her marvelous engagement with her world." —Kirkus Reviews
