How many chances does love get? Penny Wilson never wanted to breakup with Christopher, but when she's whisked away to college by her controlling best friend, Penny says goodbye to her hometown in Colorado and the boy her heart never wanted to leave. Christopher Samson was the star of the basketball team, but his passion has always been photography. Now taking classes at the local community college, Christopher tries to heal his broken heart through his art. When Penny decides to come home and take a semester off from school, her world crosses paths with Christopher, bringing them back together where it all ended the first time. A photography contest makes the ex-lovers partners once again. It's only supposed to be five photos, but each picture they take-each second they spend together-reopens old

memories and feelings. Somehow, Penny's quiet visit home with her family has turned into nights at her favorite diner with Christopher, photo shoots at the hot springs, and slow dances under the stars. Knowing she's supposed to return to college in California that fall, Penny and Christopher walk a fragile line of reigniting their relationship and threatening another heartbreak. Penny came home to rethink her future, not to fall back in love with Christopher, but for that to happen, she would have had to stop loving him in the first place. I know I've been here before. I've lived these pages with him already. It feels like I'm rereading our story, but this time, I won't read the last page.

" Takasu Ryuuji might look like a thug, but he's actually a nice guy. Making friends when you've got an unintentionally scary face is tough—and don't even get him started on girlfriends. But with his secret crush in his class, the start of his second year of high school is off to a good start...until he crosses paths with Aisaka Taiga. Beautiful, frightening, and not quite five feet tall, the girl known as the palmtop tiger is the one person in school even scarier than Ryuuji himself—and he's just made the mistake of making her very, very angry. ¿Quién me iba a decir a mí -la niña que no sabía que tenía dislexia y lloraba avergonzada cada vez que tenía que leer en voz alta- que un día me enamoraría de los libros gracias al manga y que acabaría incluso escribiendo el mío propio? Soy Maddi Rivas - aunque quizá me conozcas como Umaru- y entre estas páginas se esconde mi historia: desde las dificultades que atravesé en el colegio hasta cómo me convertí en la creadora de contenido sobre anime y manga que soy ahora, las diferentes etapas que

he vivido respecto a los libros y la lectura y lo que aprendí en cada una de ellas. También encontrarás listas con los libros que me cambiaron la vida y mis recomendaciones para seguir alimentando el ansia viva que nos caracteriza. Espero que disfrutes de este viaje, pero sobre todo espero que mi historia te inspire a no rendirte nunca.

Ryuji hat das Gesicht seines Vaters. Leider sieht er damit aus wie der übelste Gangster. Er muss sich bloß anrempeln lassen und schon werfen ihm die Leute ihr Portemonnaie hin. Die hat da allerdings keine Hemmungen und lebt ihr unkontrollierbares Temperament gerne an Ryuji aus. Was die Sache nun spannend macht: die beiden schließen einen Unterstützungspakt, als sie herausfinden, dass sie in der gleichen Misere stecken.
