## HARTMAN KASEY

The Book of Indian Crafts & Indian Lore Simon and Schuster

'Indian Child Life' is a semi-autobiographical book that depicts life as a boy living in a Native American tribe. The author, Charles Alexander Eastman, was a physician, writer, and social reformer who had Santee Dakota ancestry. He is considered the first Native American author to write American history from the Native American point of view. He also helped found the Boy Scouts of America.

**Indian Scout Talks** Millbrook Press

A fascinating introduction to a variety of Native American projects and history! Learn everything there is to know about Indian crafts and lore. Julian Harris Salomon takes you on a breathtaking journey of Native American customs and traditions. Originally published in 1928, this book is filled with dozens of illustrations portraying Indian art that will help you learn about traditional creations and customs. See why camp directors and leaders of Boy Scouts and Girl Scouts look to Indian lore to enrich their programs in handicrafts, ceremonial studies, and geography. Some of the many projects featured include: Crafting eagle-feather bonnets Building campfires Making bow and arrows Constructing tipis and wigwams Adults and children alike will learn about the history behind each and every project. Why are dance ceremonies an integral part of Native American culture? Why did the Indians prefer using a bow and arrows for survival in an age when muskets were the norm? Explore the numerous methods and instructions for an assortment of games and sports, such as lacrosse, football race, and toss and catch. These particular games and dances weren't just for entertainment; they were also performed to avert disaster, heal the sick, and summon rain. The Book of Indian Crafts and Indian Lore isn't just an instructional piece, but an anthropologist's companion. It is a book of wonder containing valuable research and information you won't find anywhere else.

*Indian Scout Talks* Independently Published

Charles Eastman straddled two worlds in his life and writing. The author of *Indian Boyhood* was raised in the traditional way after the 1862 U.S.-Dakota War. His father later persuaded him to study Christianity and attend medical school. But when Eastman served as a government doctor during the Wounded Knee massacre, he became disillusioned about Americans' capacity to live up to their own ideals. While Eastman's contemporaries viewed him as "a great American and a true philosopher," Indian scholars have long dismissed Eastman's work as assimilationist. Now, for the first time, his philosophy as manifested in his writing is examined in detail. David Martinez explores Eastman's views on the U.S.-Dakota War, Dakota and Ojibwe relations, Dakota sacred history, and

citizenship in the Progressive Era, claiming for him a long overdue place in America's intellectual pantheon.

Living in Two Worlds Skyhorse Publishing Inc.

*Indian Boyhood* By Charles A. Eastman In 1902, Eastman published a memoir, *Indian Boyhood*, recounting his first fifteen years of life among the Dakota Sioux during the nineteenth century. In the following two decades, he wrote 10 more books, most concerned with his Native American culture. The most popular of those is also contained in this book: "The Soul of the Indian, An Interpretation 1911."

**INDIAN LORE.** Minnesota Historical Society

To be in harmony with nature, one must be true in thought, free in action, and clean in body, mind, and spirit. This is the solid granite foundation of character. Have you ever wondered why most great men were born in humble homes and passed their early youth in the open country? There a boy is accustomed to see the sun rise and set every day; there rocks and trees are personal friends, and his geography is born with him, for he carries a map of the region in his head. In civilization there are many deaf ears and blind eyes. Because the average boy in the town has been deprived of close contact and intimacy with nature, what he has learned from books he soon forgets, or is unable to apply. All learning is a dead language to him who gets it at second hand. It is necessary that you should live with nature, my boy friend, if only that you may verify to your own satisfaction your schoolroom lessons. Further than this, you may be able to correct some error, or even to learn something that will be a real contribution to the sum of human knowledge. That is by no means impossible to a sincere observer. In the great laboratory of nature there are endless secrets yet to be discovered.

**The Book of Indian Crafts and Indian Lore** Routledge

Enhanced by 51 illustrations, this eye-opening work tells how Native Americans made fire, teepees, canoes, war bonnets, fishhooks, arrowheads, wampum, plus how they courted, treated women, bathed, cut their hair, danced, and much more.

*Handbook of Native American Literature* Franklin Classics

This handbook discusses scouting topics, such as being at home with nature and how to make friends with wild animals, how to build wigwams and shelters and how to make and follow a blazed trail.

Woodcraft and Indian Lore Good Press

This dictionary, produced by the Association for the Study of American Indian Literature, contains 40 critical-biographical essays on various writers spanning two time periods: the historical emergence of Native American writers (to 1800) and the Native American Renaissance (1967-).

*Indian Lore* Good Press

The Handbook of Native American Literature is a unique, comprehensive, and authoritative guide to the oral and written literatures of Native Americans. It lays the perfect foundation for understanding the works of Native American writers. Divided into three major sections, Native American Oral Literatures, The Historical Emergence of Native American Writing, and A Native American Renaissance: 1967 to the Present, it includes 22 lengthy essays, written by scholars of the

Association for the Study of American Indian Literatures. The book features reports on the oral traditions of various tribes and topics such as the relation of the Bible, dreams, oratory, humor, autobiography, and federal land policies to Native American literature. Eight additional essays cover teaching Native American literature, new fiction, new theater, and other important topics, and there are bio-critical essays on more than 40 writers ranging from William Apes (who in the early 19th century denounced white society's treatment of his people) to contemporary poet Ray Young Bear. Packed with information that was once scattered and scarce, the Handbook of Native American Literature -a valuable one-volume resource-is sure to appeal to everyone interested in Native American history, culture, and literature. Previously published in cloth as The Dictionary of Native American Literature

Book of Woodcraft and Indian Lore Palala Press

The importance of Eastman's life story was reiterated for a new generation when the 2007 HBO film entitled *Bury My Heart at Wounded Knee* used Eastman, played by Adam Beach, as its leading hero. This book presents an account of the American Indian experience as seen through the eyes of the author.
