A Texas Matchmaker Independently Published

A Texas Matchmaker by Andy Adams. The life of a cowboy is tough, but finding love can be even more difficult. A classic western, written by someone who lived in the life. This story takes place mostly on a large south Texas cattle ranch in the late 1870s and includes lots of details on raising cattle and horses. It is a book of its time, published in 1904, so does have views of the Tex-Mex locals that are quite prejudiced. "A room without books is like a body without a soul."

Charles Angelo Siringo (February 7, 1855--October 18, 1928), was an American lawman, detective, and agent for the Pinkerton National Detective Agency during the late 19th and early 20th centuries. He was born in Matagorda County, Texas to an Irish immigrant mother and an Italian immigrant father. Siringo attended public school until reaching the age of 15, when he started working on local ranches as a cowboy. After taking part in several cattle drives, Siringo stopped herding to settle down, got married (1884), had a child, and open a merchant business in Caldwell, Kansas. He began writing a book, entitled "A Texas Cowboy: or Fifteen Years on the Hurricane Deck of a Spanish Pony." A year later, it was published, to wide acclaim, and became one of the first true looks into life as a cowboy written by someone who had actually lived the life. Siringo explains that the copyright expired on "A Texas Cowboy," and "A Lone Star Cowboy" was intended to replace it. He added much information on cattle that was not in the first book. Siringo relates many harrowing experiences, such as buffalo hunting, and herding cattle up the Chisholm Trail. He met Billy The Kid and Pat Garrett, and tells the "true" story of Billy's death. This edition of the book contains all 14 of the original illustrations, rejuvenated.

A Texas Matchmaker by Andy Adams. The life of a cowboy is tough, but finding love can be even more difficult. From the writer

and genuine Western Trail cattle driver, responsible for some of the best and most realistic accounts of cowboy life in literature. Andy Adams (1859-1935) was born to pioneer parents in Indiana, worked in Texas for ten years driving cattle, and settled in Colorado Springs, where he began writing his "real" stories of cowboys in the West. While still in his teens, Adams ran away from home. He eventually made his way to Texas, where he found work as a cowboy. From 1882 to 1893, Adams witnessed firsthand the golden era of the Texas cattle industry, a time when the cowboys ran cattle on vast open ranges still relatively unrestricted by barbed wire fences. In 1883, he made the first of many cattle drives along the famous cattle trails running north from Texas to the cow towns of Kansas. As farmers began to challenge the ranchers for control of the land, Adams witnessed the gradual fencing-in of the cattle country that would eventually end the short age of the open range. He made his last cattle drive in 1889. In 1893, Adams left Texas for Colorado, attracted by rumors of gold at Cripple Creek. Like most would-be miners, he failed to make a fortune in the business. He eventually settled in Colorado Springs, where he remained for most of his life. While doing on a variety of jobs, Adams began to write stories based on his experiences as a Texas cowboy. In 1903, he found a publisher for his novel *The Log of a Cowboy*, a thinly disguised autobiography of his life on the plains. A fascinated public welcomed tales from the former cowboy, and Adams wrote and published four similar volumes in less than four years. Adams distinguished himself from the majority of other western authors of the day with his meticulous accuracy and fidelity to the truth.

Back in the 1940s and 1950s, almost every small town in America had a baseball team. Most players were simply local heroes with a local following, but a few teams achieved fame far beyond their region. The Alpine Cowboys—despite being based in Texas's remote, sparsely populated Big Bend country—became a star in the firmament of semi-pro baseball. Lavishly underwritten by a wealthy rancher with a passion not only for baseball but even more for helping young men get a good start in life, the Cowboys played on a "field of dreams" whose facilities rivaled those of professional ballparks. Many Cowboys went on to play in the big leagues, and several pro teams, including the Pittsburgh Pirates, Chicago White Sox, and St. Louis Browns, came to play exhibition games at Kokernot Field. The story of Herbert Kokernot Jr. and his Alpine Cowboys is a legend among baseball aficionados, but until now it has never been the subject of a book. DJ Stout, son of former Cowboys player Doyle Stout, presents a hall-of-fame-worthy collection of photographs, memorabilia, and reminiscences from Alpine Cowboys players, family members, and fans to capture fifteen years (1946–1961) of baseball at its finest. Nicholas Dawidoff's introduction, originally published in *Sports Illustrated*, tells the fascinating tale of "Mr. Herbert" and his determination to build a baseball team and ballpark that deserved to carry his ranch's 06 brand. One of the most heartwarming episodes in the annals of the game, *The Amazing Tale of Mr. Herbert and His Fabulous Alpine Cowboys* is a fitting tribute to a man, a team, and a ballpark.

Andy Adams (May 3, 1859 - September 26, 1935) was an American writer of western fiction. Andy Adams was born in Indiana. His parents were Andrew and Elizabeth (Elliott) Adams. As a boy he helped with the cattle and horses on the family farm. During the early 1880s he went to Texas, where he stayed for 10 years, spending much of that time driving cattle on the western trails. In 1890 he tried working as a businessman, but the venture failed, so he tried gold-mining in Colorado and Nevada. In 1894, he settled in Colorado Springs, where he lived until his death. He began writing at the age of 43, publishing his most successful book, *The Log of a Cowboy*, in 1903. His other works include *A Texas Matchmaker* (1904), *The Outlet* (1905), *Cattle Brands* (1906), *Reed Anthony, Cowman: An Autobiography* (1907), *Wells Brothers* (1911), and *The Ranch on the Beaver* (1927). *The Log of a Cowboy* is an account of a five-month drive of 3,000 cattle from Brownsville, Texas, to Montana during 1882 along the Great Western Cattle Trail. Although the book is fiction, it is based on Adams's own experiences, and it is considered by many to be literature's best account of cowboy life. Adams was disgusted by the unrealistic cowboy fiction being published in his time; *The Log of a Cowboy* was his response. It is still in print, and even modern reviewers consider it compelling. The *Chicago Herald* said: "As a narrative of cowboy life, Andy Adams' book is clearly the real thing. It carries its own certificate of authentic first-hand experience on every page." E. Boyd Smith (Smith, E. Boyd (Elmer Boyd), 1860-1943) ILLUSTRATOR.
