Meet the men of Oxford magazine! In the first captivating spin-off of Lauren Layne's Sex, Love & Stiletto series, a not-so-friendly battle of the sexes turns into a scorching office romance. Hotshot sports editor Cole Sharpe has been freelancing for Oxford for years, so when he hears about a staff position opening up, he figures he's got the inside track. Then his boss drops a bombshell: Cole

has competition. Female competition, in the form of a fresh-faced tomboy who can hang with the dudes—and write circles around them, too. Cole usually likes his women flirty and curvy, but he takes a special interest in his skinny, sassy rival, if only to keep an eye on her. And soon, he can't take his eyes off her. Penelope Pope knows all too well that she comes off as just one of the guys. Since she's learned that wanting more usually leads to disappointment, Penelope's resigned to sitting on the sidelines when it comes to love. So why does Cole make her want to get back in the game? The man is as arrogant as he is handsome. He probably sees her as nothing more than a barrier to his dream job. But when an unexpected kiss turns into a night of irresistible passion,

Penelope has to figure out whether they're just fooling around—or starting something real. Praise for *Irresistibly Yours* “*Irresistibly Yours* has it all: fun banter, hot chemistry, and a couple that you just can't help but want to be together!”—New York Times bestselling author Marquita Valentine “Lauren Layne had me at baseball, and I stayed up way too late devouring Cole and Penelope's story. Sassy, sizzling, and sexy (with sports!). This one's a grand slam!”—Tracy March, author of *Should've Said No* Lauren Layne's New York Times bestselling Oxford Novel series can be read in any order:

2019 Named one of the Best Books of the Year by NPR, The Washington Post; O: The Oprah Magazine, Real Simple, Good Housekeeping, Vogue, Refinery29, and BuzzFeed Ann Patchett, the #1 New York Times bestselling author of Commonwealth, delivers her most powerful novel to date: a richly moving story that explores the indelible bond between two siblings, the house of their childhood, and a past that will not let them go. The Dutch House is the story of a paradise lost, a tour de force that digs deeply into questions of inheritance, love and forgiveness, of how we want to see ourselves and of who we really are. At the end of the Second World War, Cyril Conroy combines luck and a single canny investment to begin an enormous real estate empire, propelling his family

from poverty to enormous wealth. His first order of business is to buy the Dutch House, a lavish estate in the suburbs outside of Philadelphia. Meant as a surprise for his wife, the house sets in motion the undoing of everyone he loves. The story is told by Cyril's son Danny, as he and his older sister, the brilliantly acerbic and self-assured Maeve, are exiled from the house where they grew up by their stepmother. The two wealthy siblings are thrown back into the poverty their parents had escaped from and find that all they have to count on is one another. It is this unshakeable bond between them that both saves their lives and thwarts their futures. Set over the course of five decades, *The Dutch House* is a dark fairy tale about two smart people who cannot

overcome their past. Despite every outward sign of success, Danny and Maeve are only truly comfortable when they're together. Throughout their lives they return to the well-worn story of what they've lost with humor and rage. But when at last they're forced to confront the people who left them behind, the relationship between an indulged brother and his ever-protective sister is finally tested.

The perfect complement to the exquisitely wrought novels *Ru* and *Mãn*, Canada Reads winner Kim Thúy returns with *Vi*, exploring the lives, loves and struggles of Vietnamese refugees as they reinvent themselves in new lands.

The daughter of an enterprising mother and a wealthy, spoiled father who never had to grow up, Vi was the youngest of their four children and the only girl. They gave her a name that meant "precious, tiny one," destined to be cosseted and protected, the family's little treasure. But the Vietnam War destroys life as they've known it. Vi, along with her mother and brothers, manages to escape--but her father stays behind, leaving a painful void as the rest of the family must make a new life for themselves in Canada. While her family puts down roots, life has different plans for Vi. Taken under the wing of Hà, a worldly family friend, and her diplomat lover, Vi tests personal boundaries and crosses international ones, letting the winds of life buffet her. From Saigon to Montreal, from Suzhou to

Boston to the fall of the Berlin Wall, she is witness to the immensity of geography, the intricate fabric of humanity, the complexity of love, the infinite possibilities before her. Ever the quiet observer, somehow Vi must find a way to finally take her place in the world.

But rather than drowning her sorrows in bags of potato chips, Maddie leaves L.A. to claim the inheritance left by her free-spirited mother - a ramshackle inn nestled in the little coastal town of Lucky Harbor, Washington. Starting over won't be easy. Yet Maddie sees the potential for a new home and a new career - if only she can convince her two half-sisters to join her in the adventure. But convincing Tara and Chloe will be difficult because the inn needs a big makeover too. The contractor Maddie hires is a tall, dark-haired hottie whose eyes - and mouth - are making it hard for her to remember that she's sworn off men. Even harder will be Maddie's struggles to overcome the past, though she's about to discover

that there's no better place to call home than Lucky Harbor. Want more sexy, fun romance? “Irresistible is a fascinating and much needed exploration of one of the most troubling phenomena of modern times.” —Malcolm Gladwell, author of New York Times bestsellers *David and Goliath* and *Outliers* “One of the most mesmerizing and important books I’ve read in quite some time. *Alter* brilliantly illuminates the new obsessions that are controlling our lives and offers the tools we need to

rescue our businesses, our families, and our sanity.” —Adam Grant, New York Times bestselling author of *Originals* and *Give and Take* Welcome to the age of behavioral addiction—an age in which half of the American population is addicted to at least one behavior. We obsess over our emails, Instagram likes, and Facebook feeds; we binge on TV episodes and YouTube videos; we work longer hours each year; and we spend an average of three hours each day using our smartphones. Half of us would rather suffer a broken bone than a broken phone, and Millennial kids spend so much time in front of screens that they struggle to interact with real, live humans. In this revolutionary book, Adam Alter, a professor of psychology and marketing at NYU, tracks the rise of

behavioral addiction, and explains why so many of today's products are irresistible. Though these miraculous products melt the miles that separate people across the globe, their extraordinary and sometimes damaging magnetism is no accident. The companies that design these products tweak them over time until they become almost impossible to resist. By reverse engineering behavioral addiction, Alter explains how we can harness addictive products for the good—to improve how we communicate with each other, spend and save our money, and set boundaries between work and play—and how we can mitigate their most damaging effects on our well-being, and the health and happiness of our children. Adam Alter's previous book, *Drunk Tank Pink*:
