Guerrilla Girls: The Art of Behaving Badly Harlequin

In this fascinating book, New Yorker business columnist James Surowiecki explores a deceptively simple idea: Large groups of people are smarter than an elite few, no matter how brilliant—better at solving problems, fostering innovation, coming to wise decisions, even predicting the future. With boundless erudition and in delightfully clear prose, Surowiecki ranges across fields as diverse as popular culture, psychology, ant biology, behavioral economics, artificial intelligence, military history, and politics to show how this simple idea offers important lessons for how we live our lives, select our leaders, run our companies, and think about our world.

This thrilling fantasy will draw in fans of The Raven Cycle and Stranger Things, as the fearless May Hawthorne finds danger waiting for her at every corner. Though the Beast is seemingly subdued for now, a new threat lurks in Four Paths: a corruption seeping from the Gray into the forest. And with the other Founders preoccupied by their tangled alliances and fraying relationships, only May Hawthorne seems to realize the danger. But saving the town she loves means seeking aid from the person her family despises most—her father, Ezra Bishop. May's father isn't the only newcomer in town—Isaac Sullivan's older brother has also returned, seeking forgiveness for the role he played in Isaac's troubled past. But Isaac isn't ready to let go of his family's history, especially when that history might hold the key that he and Violet Saunders need to destroy the Gray and the monster within it. Harper Carlisle isn't ready to forgive, either. Two devastating betrayals have left her isolated from her family and uncertain who to trust. As the corruption becomes impossible to ignore, Harper must learn to control her newfound powers in order to protect Four Paths. But the only people who can help her do that are the ones who have hurt her the most. With the veil between the Gray and the town growing ever thinner, the Founder descendants must put their grievances with one another aside to stop the corruption and kill the Beast once and for all. But the monster they

truly need to slay may never been the Beast . . .

Hallelujah, it's a book! After proving itself to be the "funniest calendar of the year" (according to Gene Shalit), "irresistible" (USA Weekend), and "habit-forming" (Maxim magazine), the Nuns Having Fun calendar has inspired Nuns Having Fun, a book of endearing nuttiness. Catholic kitsch doesn't get any funnier. Written by Maureen Kelly and Jeffrey Stone, pitch-perfect co-authors of the nuns calendar and the New York Times bestseller Growing Up Catholic, Nuns Having Fun features

hundreds of sisters in full habit, cutting loose and having a hoot. Here are nuns in the surf ("This is even more fun than walking on water"), nuns in bumper cars ("We brake for Jesus"), nuns in a beer hall ("Ale Marys"), and nuns in the museum, huddled in front of a study of nudes ("It's okay to open your eyes. Sister Wendy says it's art"). There are nuns on skates, at bat, at the theater, skeet shooting (nuns with guns!), even hitting the slots (you know it's for a good cause). The 125 images are from the 1950s and '60s, black-and-white and possessing a pure retro charm; the written material is all-new. Drawing on their years as parochial school students, the authors explore the lore and legends surrounding nuns, including Favorite Punishments from Nuns, Nuns Say the Darndest Things, How to Recognize a Nun After Vatican II, a Wimple Watch, and List of People Who Could Have Been Nuns. As Sister says, "To err is human. To laugh is divine."

2020 NYU Press

A USA Today and Globe and Mail bestseller! A novel of survival, love, loss, triumph—and the sisters who changed fashion forever Antoinette and Gabrielle “Coco” Chanel know they’re destined for something better. Abandoned by their family at a young age, they’ve grown up under the guidance of nuns preparing them for simple lives as the wives of tradesmen or shopkeepers. At night, their secret stash of romantic novels and magazine cutouts beneath the floorboards are all they have to keep their dreams of the future alive. The walls of the convent can’t shield them forever, and when they’re finally of age, the Chanel sisters set out together with a fierce determination to prove themselves worthy to a society that has never accepted them. Their journey propels them out of poverty and to the stylish cafés of Moulins, the dazzling performance halls of Vichy—and to a small hat shop on the rue Cambon in Paris, where a boutique business takes hold and expands to the glamorous French resort towns. But the sisters’ lives are again thrown into turmoil when World War I breaks out, forcing them to make irrevocable choices, and they’ll have to gather the courage to fashion their own places in the world, even if apart from each other. “The Chanel Sisters explores with care the timeless need for belonging, purpose, and love, and the heart’s relentless pursuit of these despite daunting odds. Beautifully told to the last page.” —Susan Meissner, bestselling author of *The Last Year of the War*

Chase's Calendar of Events 2023 Penguin

#1 New Release in 1960s History of the U.S. — A Story of Student Activists and Civil Rights Meet the inspirational students: This narrative tells the story of seven women and one man at the heart of a sit-in protesting decreased enrollment and hiring of African Americans at Swarthmore College and demanding a Black Studies curriculum. The book, written by the former students themselves, also includes autobiographical chapters, providing a unique cross-sectional view into the lives of young people during the Civil Rights era. Correcting media representation: For years the media and some in the school community portrayed the peaceful protest in a negative light—this collective narrative provides a very necessary and overdue retelling of the revolution that took place at Swarthmore College in 1969. The group of eight student protestors have only recently begun to receive credit for the school's greater inclusiveness, as well as the influence their actions had on universities around the country. Stories that inspire change: This book chronicles the historical eight-day sit-in at Swarthmore College, and the authors also include untold stories about their family backgrounds and their experiences as student activists. They share how friendships, out-of-the-box alliances, and a commitment to moral integrity strengthened them to push through and remain resilient in the face of adversity. The incredible true story featured in *Seven Sisters and a Brother* will teach you: • No matter how old or established, institutions can change and will continue to change • How to identify

fears and work to overcome them • That truth will prevail when we unite with others and refuse to accept surrender If you've read titles such as *Warriors Don't Cry*, *Between the World and Me*, and *Pulse of Perseverance*, then you'll love *Seven Sisters and a Brother*.

Lost Places and Spaces Calendar 2020 Rowman & Littlefield

From New York Times bestselling author Mary H.K. Choi comes a funny and emotional story about two estranged sisters and how far they'll go to save one of their lives—even if it means swapping identities. Jayne and June Baek are nothing alike. June's three years older, a classic first-born, know-it-all narc with a problematic finance job and an equally soulless apartment (according to Jayne). Jayne is an emotionally stunted, self-obsessed basket case who lives in squalor, has egregious taste in men, and needs to get to class and stop wasting Mom and Dad's money (if you ask June). Once thick as thieves, these sisters who moved from Seoul to San Antonio to New York together now don't want anything to do with each other. That is, until June gets cancer. And Jayne becomes the only one who can help her. Flung together by circumstance, housing woes, and family secrets, will the sisters learn more about each other than they're willing to confront? And what if while helping June, Jayne has to confront the fact that maybe she's sick, too?
