Girl Last Seen Feiwel & Friends

This fast-paced YA debut novel has it all: smart, savvy characters making their way through an eerily dystopian society, with all the requisite action, adventure and romance characteristic of the genre vividly and at times, chillingly, portrayed. In a wild and lawless future, where life is cheap and survival is hard, eighteen-year-old Saba lives with her father, her twin brother Lugh, her young sister Emmi and her pet crow Nero. Theirs is a hard and lonely life. The family resides in a secluded shed, their nearest neighbour living many miles away and the lake, their only source of water and main provider of food, gradually dying from the lack of rain. But Saba's father refuses to leave the place where he buried his beloved wife, Allis, nine years ago. Allis died giving birth to Emmi, and Saba has never forgiven her sister for their mother's death. But while she despises Emmi, Saba adores her twin brother Lugh. Golden-haired and blue-eyed, loving and good, he seems the complete opposite to dark-haired Saba, who is full of anger and driven by a ruthless survival instinct. To Saba, Lugh is her light and she is his shadow, he is the day, she is the nighttime, he is beautiful, she is ugly, he is good, she is bad. So Saba's small world is brutally torn apart, when a group of armed riders arrives five day's after the twin's eighteenth birthday snatch Lugh away. Saba's rage is so wild, that she manages to drive the men away, but not before they have captured Lugh and killed their father. And here begins Saba's epic quest to rescue Lugh, during which she is tested by trials she could not have imagined, and one that takes the reader on breathtaking ride full or romance, physical adventure and unforgettably vivid characters, making this a truly sensational YA debut novel.

Vivian Apple Needs a Miracle Harper Collins

An ex-con rescues his high school sweetheart while attempting to clear his name in this romantic suspense tale by a New York Times–bestselling author. Nearly twenty years after he was wrongly convicted of setting the fire that killed his father, Lincoln Fox returns to Rebel Ridge, Kentucky. There, deep in the Appalachians, the truth of that terrible night lies buried—and he’s sworn to uncover it. His plans take an unexpected turn when, in the midst of a blizzard, he rescues Meg Walker from her wrecked car. Suddenly Linc discovers another reason to clear his name. Meg, his high school sweetheart, had always believed in his innocence, and if he wants a future with her, he must show the world proof that she was right. As the community chooses sides, those who once let a teenage boy take the fall for their crime are forced to raise the stakes. They kidnap Meg, leaving her to the mercy of the mountain. And a second rescue may be more than even Linc can manage. . . .

Saba’s passion kept her allies alive. Now it may destroy them all in the gut-wrenching third book in the highly praised Dust Lands trilogy, which MTV’s Hollywood Crush blog called “better than The Hunger Games.” Saba is ready to seize her destiny and defeat DeMalo…until she meets him and he confounds all her expectations with his seductive vision of a healed earth, a New Eden. DeMalo wants Saba to join him, in life and work, to create and build a healthy, stable, sustainable world…for the chosen few. The young and healthy. Under his control. Jack’s choice is clear: to fight DeMalo and try to stop New Eden. Presumed dead, he’s gone undercover, feeding Saba crucial information in secret meetings. Saba commits herself to the fight—and hides her connection with DeMalo. Joined by her brother, Lugh, and her sister, Emmi, Saba leads a small guerilla band against the settlers and the Tonton militia. But the odds are overwhelming. Saba knows how to fight—she’s not called the Angel of Death for nothing. But what if the fight cannot be won? Then DeMalo offers her a seductive chance she may not be able to refuse. How much will she sacrifice to save the people she loves? Betrayal lurks in unexpected places in the breathtaking conclusion to the Dust Lands Trilogy.

Til Death Simon and Schuster

Patricia Volk’s glittering memoir, written with charm, panache and wit, juxtaposes the lives of two women - the iconoclastic fashion designer Elsa Schiaparelli and the author’s own mother - to tell the story of how young Patricia fashioned herself into a woman. Patricia Volk’s mother Audrey was an upper-middle class New Yorker, a great beauty, a perfectionist, and a polished hostess who believed in women doing things the proper way. The iconoclastic Italian fashion designer, Elsa Schiaparelli, on the other hand, never found a rule she didn't want to break. One of fashion’s most radical provocateurs, she was a cultural revolutionary who embodied the 'daring'. For Patricia, who read Schiap’s 'scandalous' autobiography, Shocking Life, at a tender age, these two women offered fabulously contrasting lessons in everything from fashion, make-up, lingerie, family and entertaining, to love, sex, superstition and gambling - lessons that would stay with her for the rest of her life. Moving seamlessly between the Volks' 1950s Manhattan home and Schiap’s astonishing life in New York, Rome and Paris (among pals like Dali, Duchamp, Picasso), The Art of Being a Woman weaves Audrey’s notions of female domesticity with Schiap’s groundbreaking creative vision to tell the witty, wise and utterly delightful story of how a young girl learned that there is more than one way to be a woman.

Depicting with humor and insight the pressure to be outwardly perfect, this novel for ages 10-13 shows how one girl develops compassion for her own and others’ imperfections. For 13-year-old Isabelle Lee, whose father has recently died, everything’s normal on the outside. Isabelle describes the scene at school with bemused accuracy--the self-important (but really not bad) English teacher, the boy that is constantly fixated on Ashley Barnum, the prettiest girl in class, and the dynamics of the lunchroom, where tables are turf in a all-eyes-open awareness of everybody’s relative social position. But everything is not normal, really. Since the death of her father, Isabelle's family has only functioned on the surface. Her mother, who used to take care of herself, now wears only lumpy, ill-fitting clothes, cries all night, and has taken every picture of her dead husband and put them under her bed. Isabelle tries to make light of this, but the underlying tension is expressed in overeating and then binging. As the novel opens, Isabelle's little sister, April, has told their mother about Isabelle's problem. Isabelle is enrolled in group therapy. Who

should show up there, too, but Ashley Barnum, the prettiest, most together girl in class.

After the End Simon and Schuster

The Silver Sickle Harper Collins

Plague, Michael Grant's fourth book in the bestselling Gone series, will satisfy dystopian fans of all ages. It's been eight months since all the adults disappeared. Gone. They've survived hunger. They've survived lies. But the stakes keep rising, and the dystopian horror keeps building. Yet despite the simmering unrest left behind by so many battles, power struggles, and angry divides, there is a momentary calm in Perdido Beach. But enemies in the FAYZ don't just fade away, and in the quiet, deadly things are stirring, mutating, and finding their way free. The Darkness has found its way into the mind of its Nemesis at last and is controlling it through a haze of delirium and confusion. A highly contagious, fatal illness spreads at an alarming rate. Sinister, predatory insects terrorize Perdido Beach. And Sam, Astrid, Diana, and Caine are plagued by a growing doubt that they'll escape—or even survive—life in the FAYZ. With so much turmoil surrounding them, what desperate choices will they make when it comes to saving themselves and those they love? “Grant’s sf-fantasy thrillers continue to be the very definition of a page-turner.” —ALA Booklist Read the entire series: Gone Hunger Lies Plague Fear Light Monster Villain Hero

Raging Star Houghton Mifflin Harcourt

Saba’s twin is golden. She is his living shadow. He is strong and beautiful. She is scrawny and dark. But nothing will separate them... Raised in isolated Silverlake, Saba is ignorant of the violent and dangerous world beyond, where life is cheap and survival is hard. But when her twin brother is snatched by mysterious black-robed riders, she sets out on an epic quest to rescue him. How will Saba find him in a wild, scorching and lawless land? Every step of her journey sizzles with danger in this addictive futuristic thriller, which beats with a powerful, red-blooded heart. "An outstanding debut... echoes of Cormac McCarthy's The Road and the writing is fantastic." The Bookseller Spring Highlights Top 10 "Written in a sparse, spare style that fits the bleak setting perfectly, and with a first-person narration that gets us right inside Saba's skin from the very first page, I absolutely loved reading Blood Red Road." Jill Murphy, Bookbag "The writing is strong, and in Saba, the author has created a tough rebel to root for... the author's wonderful cast of characters and Saba's epic journey to save her brother will keep you glued to the pages." The Road to Ever After Simon and Schuster

A 2015 Whitney Award Nominee! A powerful story of loss, second chances, and first love, reminiscent of Sarah Dessen and John Green. When Oakley Nelson loses her older brother, Lucas, to cancer, she thinks she'll never recover. Between her parents' arguing and the battle she's fighting with depression, she feels nothing inside but a hollow emptiness. When Mom suggests they spend a few months in California with Aunt Jo, Oakley isn't sure a change of scenery will alter anything, but she's willing to give it a try. In California, Oakley discovers a sort of safety and freedom in Aunt Jo's beach house. Once they're settled, Mom hands her a notebook full of letters addressed to her—from Lucas. As Oakley reads one each day, she realizes how much he loved her, and each letter challenges her to be better and to continue to enjoy her life. He wants her to move on. If only it were that easy. But then a surfer named Carson comes into her life, and Oakley is blindsided. He makes her feel again. As she lets him in, she is surprised by how much she cares for him, and that's when things get complicated. How can she fall in love and be happy when Lucas never got the chance to do those very same things? With her brother's dying words as guidance, Oakley knows she must learn to listen and trust again. But will she have to leave the past behind to find happiness in the future? Sky Pony Press, with our Good Books, Racehorse and Arcade imprints, is proud to publish a broad range of books for young readers—picture books for small children, chapter books, books for middle grade readers, and novels for young adults. Our list includes bestsellers for children who love to play Minecraft; stories told with LEGO bricks; books that teach lessons about tolerance, patience, and the environment, and much more.
