Despite that, it survived controversy to become an important book in the Western literary heritage. Today Candide remains a breezy and darkly funny read. This book is part of the Standard Ebooks project, which produces free public domain ebooks. <u>Carnet de Notes: Chat. "Immensely readable and sympathetic.... Mr. Russo has an instinctive gift for capturing the rhythms of small-town life." —The New York Times <i>Mohawk</i> , New York, is one of those small towns that lie almost entirely on the wrong side of the tracks. Dallas Younger, a star athlete in high school, now drifts from tavern to poker game, losing money, and, inevitably, another set of false teeth. His ex-wife, Anne, is stuck in a losing battle with her mother over the care of her sick father. And their son, Randall, is deliberately neglecting his school work—because in a place like <i>Mohawk</i> it doesn't pay to be too smart. In <i>Mohawk</i> , Russo explores these lives with profound compassion and flint-hard wit. Out of derailed ambitions and old loves, secret hatreds and communal myths, he has created a richly plotted, densely populated, and wonderfully written novel that captures every nuance of America's backyard. Look for Richard Russo's new book, <i>Somebody's Fool</i> , coming soon. Candide Simon and Schuster La liste exhaustive des ouvrages disponibles publiés en langue française dans le monde.
