<i>Goddess Revealed</i>	<i>2020-10-13</i>
SIENA LOPEZ	

Seven Ages of the Goddess Penguin

The author combines personal experience with historical and philosophical reflection to create a new model of embodied thinking. This first systematic "The"a"logy" of the Goddess argues that the shift from God to Goddess signals a transformation of western theology, philosophy, and ethics, offering the hope that a different world can be created from it.

Goddess Bound Oxford University Press

"Dee," a divine child whose birth was prophesied by the Ancients, provides the focus of Hidden Goddess Revealed - Book 1. Her early life was extraordinary by any measure, the narrative of an ancient soul cloaked in the form of an innocent child possessing vast powers and abilities. Her mission was to gain entry into the secret mystery schools that are dedicated to teaching the lost arts and honing abilities like her own. A demanding path made easier by the protective guidance of her one and only ally, her father Solomon, who was the reincarnation of King Solomon. In this life, Solomon was known and respected, albeit in private, by Freemason leaders, secret agencies, and global forces. They travel the world amassing the keys she will need for entry into the mysterious schools. Book 1 takes the reader as far as Dee's seventh birthday. That's when her father, through spiritual guidance, receives a vision about the boy Dee frequently visited in the spirit world. Solomon reveals that the boy is living on Earth and her path in life is to find him using her abilities. The only clues she is given is that the boy of her dreams is associated with the number 77, and Dee will recognize him by using her unique ability to see everything as energy. Her father remains her only spiritual and emotional mainstay, guiding and teaching his divine child as much as he could for her youth. Dee's true story was privately revealed in 2014, and now we share it with the world. Our sword of truth. 7117 Hiddengoddessrevealed.com

Zeus: Zeus, god of the bright sky Createspace Independent Publishing Platform

The man who would beat the devil isn't a hero, but a ruthless madman. Running from his dark past, former Duvalier hit man Charles Redmond is forced to take sides in a battle that has been raging since Exodus: between a power-mad magician named Silas Alverado and Sammael, the Demon Prince of Liars. When Charles' beloved Voodoo is threatened with extinction, he must wager his life between pure evil and the man who could destroy the world. Charles' psychiatrist, Sanantha Mauwad, steps into this maelstrom of nightmares, violence and insanity to help Charles find his strength. She tries to save Charles' mind, but can she save his soul?

The Korana of Mother Goddess Dorrance Publishing

Book 1 of this series includes a narrative of Dee's extraordinary life from 0-7 years old. Dee, an ancient soul with vast supernatural powers and abilities is on a mission to gain admittance into the six secret mystery schools located in six different countries. Each one matters, for they are dedicated to teaching the lost arts, and honing abilities like her own. As a child, she journeys with her father gaining the keys she needs to be admitted into the mystery schools. Her powers were remarkable; her abilities tempered only by her innocence and humility. Certain entities were bent on suppressing her from obtaining the hidden knowledge she sought. It was her father Solomon who fought for her. He was King Solomon in another life, and was recognized by freemasons, agencies and other leaders worldwide. Solomon was killed when Dee was 11 years old, and she became a target for suppression. Thus, Dee begins her search for her King, whom she had been dreaming about since she was a child. Her search is littered with obstacles purposely put in her way, and becomes an eye-opening saga as this seemingly young, yet ancient soul reveals her story. And with it, the sword of truth. http://Hiddengoddessrevealed.com

The Witches' Goddess Lexington Books

New York Times bestselling author P. C. Cast presents the first novel in her Goddess Summoning series... Home alone on the night of her twenty-fifth birthday, Air Force Sergeant Christine Canady yearned for something to cure her loneliness. After drinking too much champagne, she recited a divine invocation to revive her humdrum life. But how was she to know the spell would actually work? When her plane crashes into the ocean, CC's life changes forever. She awakens, bewildered, to find herself in a legendary time and place ruled by magic—and in the body of the mythic mermaid Undine. But danger lurks in the waters, ready to swallow CC whole. Taking pity on her, the goddess Gaea turns her into a damsel, that she might seek shelter on land. But when a dashing knight comes to CC's rescue—a dream-come-true she should be falling for—she instead aches for the sea and the darkly sexy merman who's stolen her heart...

The Goddess Path Penguin

The mythical Venus helps a nerdy woman find her own inner goddess in this novel in #1 New York Times bestselling author P. C. Cast's Goddess Summoning series... Pea Chamberlain needs a makeover—shoes, hair, clothes, make-up, everything—especially if she wants to attract sexy fireman Griffin DeAngelo at the fireman's masked ball. And there's no one better suited to coax Pea out of her pod than the Goddess of Love, whom she invokes in a moment of desperation. After eons of helping others find love, Venus has no problem working her magic on Pea. But when the goddess herself starts falling head over heels for Griffin, it will take an act of divine intervention to set this love triangle to rights...

King Arthur and the Goddess of the Land FAR Press

Reveals how the ancient Celtic text of the Mabinogion was the mythical predecessor to the legends of King Arthur.
• Revised edition of Arthur and the Sovereignty of Britain (UK) that includes the author's latest research and insights.
• A comprehensive reader's companion with synopsis of stories and full commentary.
• Written by renowned scholar Caitlín Matthews, author of The Celtic Wisdom Tarot (15,000 sold). The ancient Celtic stories of the Mabinogion have received universal recognition from scholars as both sources of the Arthurian legend and keys to insights into the ancient magic of the Celtic Otherworld. Now renowned Celtic scholar Caitlín Matthews, drawing on a full range of medieval texts and ancient Welsh writings, provides a fully revised and updated reader's guide to these rich and far-reaching tales. In King Arthur and the Goddess of the Land, Matthews sheds particular light on Sovereignty, the Goddess of the sacred land of Britain, and the spiritual principle of the Divine Feminine. Clearly revealed are the many alternate forms taken by the Goddess of the Land—including her incarnation as Morgan of Avalon, who plays a dominant role in the Arthurian cycle. Also established are links between the legendary characters of the Mabinogion and their counterparts in other living myths of the Western world. Through the marriage of the Celtic kings to the Goddess of the Land, the sacred contract between political rulership and responsibility for the land's well-being is dramatically revealed. In King Arthur and the Goddess of the Land, Matthews once again articulates definitively the continuing relevance of ancient Celtic thought and belief as illustrated in the powerful myths and legends of ancient Britain.

The Prophets and the Goddess Wipf and Stock Publishers

The Xexemewortor (Almighty God) appears to tribes or nations as a god or goddess. The revelation is in the form of an image and name to demand full reverence and obedience. But some tribes or nations chose other gods or goddesses to whom they gave full allegiance to the detriment of their own. They incurred the wrath of Xexemewortor who considered them disobedient and didn't answer them in their time of need. And to their shock, instead of peace, security and development, Xexemewortor caused them to experience anarchy, droughts, extreme poverty, hunger, hopelessness, violent crimes, diseases, natural disasters, and shorter life spans. The novel teaches that each nation or tribe must serve and worship its god or goddess in the form and by the name revealed to it by Xexemewortor for sustainable development as their non worship of their god amounts to disobedience of Xexemewortor.

Inventing and Reinventing the Goddess Mandolin Park

How far can you genetically alter someone before she becomes someone else ... before she loses her soul? A breakthrough in human cloning leads to unspeakable evil. Psychiatrist Sanantha Mauwad is back, helping a world leading geneticist recover a four-month memory gap in which his wife was killed and his daughter was left in a coma. But, as she unravels the mystery, she finds nothing and no one are as they appear. Cutting-edge science and ancient cults collide in this tale of too much power driven by too much passion.

Goddess Daughter Trafford Publishing

Saved by a goddess ... but only as a tool for revenge? The nascent goddess Desiree meets the Egyptian archangel Joseph while ghost-busting the myth of Saint Patrick. Aided by her psychiatrist, Sanantha Mauwad, Desiree discovers she is a pawn in a revenge quest that Isis has been planning for thousands of years. Once again, gods and demons war on Earth with our heroes fighting not just for survival — but justice.

Hidden Goddess Revealed Lulu.com

This book describes an encounter of the author with the Goddess. The author also tells of some of the events that preceded and followed it. In particular, he tells of his changed perception of the world. He could see then, and sometimes can still see, the divinity of women. (They are divine because they are like the Goddess). He knows with a intuitive certainty that the Goddess is about to make her advent once again, and that when that happens, the establishment of a universal matriarchy will be the inevitable result. This book is about a goddess of sublime beauty and power, and not about the God of our fathers. It is about the Goddess the human race first knew, the Great Goddess who was worshipped so ardently and for so long by our forebears. Now at long last is returning to walk among her children again. The signs of her coming are manifold, clear as the sun to see for all whose eyes have been opened. Our ancestors knew Her intimately. She was loved and adored by countless millions of people: whole nations worshipped Her; vast empires trembled in fear and joy at the slightest manifestation of Her unspeakable potency and magnificence. Yet few in these darker ages know anything about Her. She is thought to have vanished forever, leaving nothing of Her former cult behind, save a few references scattered in ancient authors, a few statues hidden in museums--mere skeletal remains of her former living glory. Though what I have to report is immemorially ancient, it seems as new to me--as it will to many others in this age--as if it had been newly born. Old does not mean decrepit, and what is truly perennial or immortal cannot wither or fade with time. Ancient and eternal but forever young and fair, the Goddess lives and will never die. "In all, the book possesses great possibilities. It's unique, and possibly the first to recount a personal experience with the Goddess by a man, throughout an entire book. The Goddess experience has been alluded to previously by men but not in a whole book, and not with the slant provided by Alex MacLeod." Rita Robinson, Exploring Native American Wisdom (New Page Books)

The Goddess Girls Set Cambridge Scholars Publishing

Is it possible that humans can actually know God's intimacy or Essence to the point that they can affirm that such knowledge is correct, authentic and authoritative? No. For the simple reason that man is a created being, and thus he is simply incapable of knowing his Creator in such a way and depth that he can affirm that he knows Who God is. In fact, the contrary is true. For any created being, the Innermost Essence of his creator is simply Unknowable. No human being can fully, entirely of sufficiently know its Creator. His condition of created being has inherently given each one of us a

limited understanding of any reality. If this is the human condition in relation to our Creator, how can we then be assured that we have an authoritative source that can tell us something about God's Attributes in a way that we can be confident that it is the best and most accurate description? At this moment we humans have to rely on a Revelation given to us by a Messenger of God, who is so close to Him that he actually has an experience of God that no other human being has. This is the objective and intention of this book. It is an exploration into what the most recent Messenger of God, Bahá'u'lláh, has given us as a description of God's Attributes, in terms that we can make sense and comprehend a glimpse of the depth and excellence of our Creator. You are invited to explore it.

Rebirth of the Goddess Harper Collins

Your Complete Guide to Hundreds of Goddesses Around the World Meet the many incarnations of the divine feminine, past and present, with this comprehensive reference guide by bestselling author Shelley A. Kaehr, PhD. Featuring more than five hundred goddesses, over forty exercises and journal prompts, and guided journeys for understanding yourself at the soul level, this book connects you with ancestral energy and can bring peace and balance to your life. Shelley first introduces you to goddesses of the ancient world, exploring Egyptian, Celtic, Greek, Norse, and Mesoamerican pantheons. She then shares the living goddesses of modern world religions—African, East Asian, Hindu, and Indigenous peoples. Each goddess entry features her keywords, categories, history, and lore. In discovering these deities, you can enliven goddess energy within you and even uncover past lives.

Goddess Revealed Phoenix Publishing (WA)

This book is of great practical value in discovering and celebrating the transforming energy of the Feminine Principle of Divinity. Part I covers the myriad faces of the Goddess revealed, including: Her presence throughout history; Her Earth and Moon symbolism; Her Madonna and Magdalene disguises; Her revelation within the psyche; Her relationship with women; Her influence today; and much more. Part II covers ritual invocations of the Goddess in 13 guises: from Ishtar to Isis, from Hecate to Aphrodite, from Epona to Ma'at. Part III gives an alphabetical listing of more than 1000 goddesses including a brief history and the main correspondences of each. This is an important work by the Farrars providing an indepth exploration of the Goddess in her many aspects at a time when Western culture is awakening to the influence of Feminine Divinity, both individually and collectively. Over 40,000 sold!

Goddess Chosen Ellora's Cave

The Dark Goddess (PB) By: Queen Zoaya Counts The Dark Goddess was inspired by the author's love of snakes and her initiation in Voodoo. It is centered around the energy of the dark spirits and how they only want a chance to survive. She hopes to educate people and correct common misconceptions of Voodoo and its practices. Much of this book springs from the author's connections to Lilith and information that was revealed to her in a dream. Lilith and Adam were the first woman and man. Hopefully, the story revealed in this book will inspire the world to research the story of Lilith and to learn that our ancestors and where we came from plays a significant role in our daily life.

[The Oxford History of Hinduism: The Goddess](#) Water Dragon Publishing

This groundbreaking book proposes that the rise of alphabetic literacy reconfigured the human brain and brought about profound changes in history, religion, and gender relations. Making remarkable connections across brain function, myth, and anthropology, Dr. Shlain shows why pre-literate cultures were principally informed by holistic, right-brain modes that venerated the Goddess, images, and feminine values. Writing drove cultures toward linear left-brain thinking and this shift upset the balance between men and women, initiating the decline of the feminine and ushering in patriarchal rule. Examining the cultures of the Israelites, Greeks, Christians, and Muslims, Shlain reinterprets ancient myths and parables in light of his theory. Provocative and inspiring, this book is a paradigm-shattering work that will transform your view of history and the mind.

Hidden Goddess Revealed Biography 1 includes a narrative of Dee's extraordinary life from birth to 7 years old. Dee, an ancient soul with vast supernatural powers and abilities is on a mission to gain admittance into the six secret mystery schools located in six different countries. They all matter as they are dedicated to teaching the lost arts and honing abilities like her own. As a child she journeys with her father gaining the keys she needs to be admitted into the mystery schools. Her powers were remarkable; her abilities tempered only by her innocence and humility. Some in power were bent on suppressing her from obtaining the hidden knowledge she sought. It was her father Solomon who fought for her. He was King Solomon in another life and he was secretly recognized by freemasons, agencies and other influential leaders worldwide. Solomon was killed when Dee was 11 years old and she became a target for suppression. Thus, Dee begins her search for her King whom she had been dreaming about since she was a child. Her search is littered with obstacles purposely put in her way and becomes an eye-opening saga as this seemingly young yet ancient soul reveals her story. And with it, the sword of truth.

Goddess Worship, Witchcraft, and Neo-Paganism Createspace Independent Publishing Platform

Private Property and the Goddess explores how patriarchal private property arose in ancient times when men seized the land from woman-centered cultures that grew up around the universal circle of women who nurtured humanity's children, giving rise to language and culture. Seizing the land required men to destroy the mother right basic to all Goddess cultures in which the land descended through the female line. The only way to end the mother right was through patriarchal monogamy that ended freedom for women and inaugurated the current era of misogyny, oppression and slavery. The story unfolds through the author's response to American Indian Movement leader Russell Means' assertion that Europeans, including Marxists, had proved themselves unable to respect nature and the earth. Richards chronicles his own journey growing up as a red diaper baby in Oakland, California and a radical student in the 1960s. From there he traveled through a decades long struggle which led to his discovery of the Goddess. With his growing awareness of the creative female source of life, he explores the hidden story of her suppression inside the ancient origin myths of patriarchy — inside Greek mythology and the one-God Bible. Along the way he examines "Where Marx and Engels Went Wrong." Was there a time when our white ancestors lived in harmony with nature? How far back would we have to go to find such a time, if it ever existed at all? How did we lose respect for the natural world and for women? The answers to these questions opens the door to finding a way to change the course of history. *Private Property and the Goddess* Penguin

Feminist Women's Koran (Quran) Goddess Version Suitable for women and children and enlightened men--teaches peace and non-violence, harmony and love; all references to war and aggression, acts of violence, polygamy, sexism, discrimination are redirected to actions of love, kindness and caring.
