PETERSON COHEN

The Black House Simon and Schuster

Following the “globetrotting supernatural adventure” (Publishers Weekly) of *Damned*, the riveting conclusion to the Crusade trilogy pushes the power of love to its limits. Hope is in short supply, but courage runs deep as the Salamancan hunters recover from a devastating loss. Jenn knows she must rally her team against the Cursed Ones, but her focus is shattered. She’s torn between passion for Antonio, who once fought by her side, and hate for the bloodthirsty vampire he’s become. His volatility is tearing apart their team...and Jenn’s trust. As the Cursed Ones amass new strength, Team Salamanca must strike together if they hope to survive, let alone defend humanity. Jenn wants to believe Antonio’s loyal to their cause—and their love—but she’s slowly losing her heart to Resistance fighter Noah. And if Antonio’s not careful, he may just end up with a stake in his. This gripping conclusion to an epic trilogy pairs steamy romance with heart-stopping action, and delivers an ending as dramatic as it is unexpected.

The Shadow Prince Troubador Publishing Ltd

“Black men could finally stand up and be men because here’s Black Moses; he’s the epitome of Black masculinity. Chains that once represented bondage and slavery now can be a sign of power and strength and sexuality and virility.” —Isaac Hayes
Within the stoned soul picnic of Black music icons in the ‘60s and ‘70s, only one could bill himself without a blush as Moses, demanding liberation for Black men with his notions of life and self—Isaac Lee Hayes Jr., the beautifully sheen, shaded, and chain-spangled acolyte of cool, whose high-toned “lounge music”

and proto-rap was soul’s highest order—heard on twenty-two albums and selling millions of records. Hayes’s stunning self-portraits, his obsessive pleas about love, sex, and guilt bathed in lush orchestral flights and soul-stirring bass lines, drove other soul men like Barry White to libidinous license. But Hayes, who called himself a “renegade,” was a man of many parts. While he thrived on soulful remakes of pop standards, his biggest coup was writing and producing the epic soundtrack to *Shaft*, memorializing the “black private dick” as a “complicated man,” as coolly mean and amoral as any white private eye. This new musical and cultural coda delivered Hayes the first Oscar ever won by a Black musician, as well as the Grammy for Best Song. Yet, few know Hayes’s remarkable achievements. In this compelling buffet of sight and sound, acclaimed music biographer Mark Ribowsky—who has authored illuminating portraits of such luminaries as Stevie Wonder, Little Richard, and Otis Redding—gallops through the many stages of Hayes’s daring and daunting life, starting with Hayes’s difficult childhood in which his mother died young and his father abandoned him. Ribowsky then takes readers through Hayes’s rise at Memphis’s legendary soul factory, Stax Records, first as a piano player on Otis Redding sessions then as a songwriter and producer teamed with David Porter. Tuned to the context of soul music history, he created crossover smashes like Sam & Dave’s “Soul Man,” “Hold on I’m Comin’,” and “I Thank You,” making soul a semi-religion of Black pride, imagination, and joyful emotion. Hayes’s subsequent career as a solo artist featured studio methods and out-of-the-box ideas that paved the way for soul to occupy the top of the album charts alongside white rock albums. But his prime years ended prematurely, both as a consequence of Stax’s red ink and his own self-destructive tendencies. In the ‘90s he claimed he had finally

found himself, as a minion of Scientology. But Scientology would cost him the gig that had revived him—the cartoon voice of the naively cool “Chef” on *South Park*—after he became embroiled in controversy when *South Park*’s creators parodied Scientology in an episode that caused the cult’s leaders to order him to quit the show. Although Hayes was honored by the Rock & Roll Hall of Fame in 2002, the brouhaha came as his seemingly perfect body finally broke down. He died in 2008 at age sixty-eight, too soon for a soul titan. But if only greatness can establish permanence in the cellular structure of music, Isaac Hayes long ago qualified. His influence will last for as long as there is music to be heard. And when we hear him in that music, we will by rote say, “We can dig it.”

The Thousandth Floor Exit International US Ltd

First ever hardcover edition of the classic horror novel.

The Mystery on Cobbett's Island iUniverse

A girl discovers her boarding school is actually an elite spy-training program, and she must learn the skills of the trade in order to find her mother in this action-packed middle grade debut that’s perfect for fans of *Stu Gibbs*. After a botched escape plan from her boarding school, Abigail is stunned to discover the school is actually a cover for an elite spy ring called The Center, along with being training grounds for future spies. Even more shocking? Abigail’s mother is a top agent for The Center and she has gone MIA, with valuable information that many people would like to have—at any cost. Along with a former nemesis and charming boy from her grade, Abigail goes through a crash course in *Spy Training 101*, often with hilarious—and sometimes painful—results. But Abigail realizes she might be a better spy-in-training than she thought—and the answers to her mother’s whereabouts are a lot closer than she thinks...

Understanding Language Change HarperCollins

On March 14, 2003, the world changed forever. A wave of energy slammed into North America and devastated the continent. The U.S. military, poised to invade Baghdad, was left without a commander in chief. Global order spiralled into chaos. Now, while a skeleton U.S. government tries to reconstruct the nation, swarms of pirates and foreign militias plunder the lawless wasteland of the East Coast, where even the president is fair prey. With New York clutched in the grip of thousands of heavily armed predators, is an all-out attack on the city the only way to save it?

This textbook analyses changes from every area of grammar and addresses recent developments in socio-historical linguistics.

MONEY Master the Game Simon and Schuster

The arrival of the 1980s saw millions living behind the Iron Curtain flee their homeland in search of a better tomorrow. Step-by-step, they trudged persistently to reach their dream of happiness. These were the Columbuses of the 1980s - risk takers who had the courage to test themselves and explore the notoriety of the western world first-hand. Was It Worth It is a modern odyssey spanning three continents and following one family's path to a new, unfamiliar future. It tells of the characters' struggle to adapt to foreign places, languages and customs. With settings in Lima, Paris, Ottawa, and exploring venues in other countries, the book offers readers an insight into what it takes to start from scratch in an unknown land. Did they find what they were looking for?

Australian Official Journal of Trade Marks St. Martin's Press
Growing up on the rough streets of Newark, New Jersey, Rameck, George, and Sampson could easily have followed their childhood friends into drug dealing, gangs, and prison. But when a presentation at their school made the three boys aware of the

opportunities available to them in the medical and dental professions, they made a pact among themselves that they would become doctors. It took a lot of determination—and a lot of support from one another—but despite all the hardships along the way, the three succeeded. Retold with the help of an award-winning author, this younger adaptation of the adult hit novel *The Pact* is a hard-hitting, powerful, and inspirational book that will speak to young readers everywhere.

Mrs. Smith's Spy School for Girls Simon and Schuster

A collection of dark tales, originally published in 1981, sketches the lives of suburban residents who appear normal at first but who are later revealed to have macabre realities. By the late author of *The Talented Mr. Ripley*. Reprint. 13,000 first printing.

A Taste of Power Anchor

#1 NEW YORK TIMES BESTSELLER What Melania wants, Melania gets. The former director of special events at Vogue and producer of nine legendary Met Galas, Stephanie Winston Wolkoff met Melania Knauss in 2003 and had a front row seat to the transformation of Donald Trump's then girlfriend from a rough-cut gem to a precious diamond. As their friendship deepened over lunches at Manhattan hot spots, black-tie parties, and giggle sessions in the penthouse at Trump Tower, Wolkoff watched the newest Mrs. Trump raise her son, Barron, and manage her highly scrutinized marriage. After Trump won the 2016 election, Wolkoff was recruited to help produce the 58th Presidential Inauguration and to become the First Lady's trusted advisor. Melania put Wolkoff in charge of hiring her staff, organizing her events, helping her write speeches, and creating her debut initiatives. Then it all fell apart when she was made the scapegoat for inauguration finance irregularities. Melania could have defended her innocent friend and confidant, but she stood by her man, knowing full well who was really to blame. The betrayal nearly destroyed Wolkoff. In this candid and emotional memoir, Stephanie Winston Wolkoff takes you into Trump Tower and the White House to tell the funny, thrilling, and heartbreaking story of her intimate friendship with one of the most famous women in the world, a woman few people truly understand. How did Melania react to the Access Hollywood tape and her husband's affair with Stormy Daniels? Does she get along well with Ivanka? Why did she wear that jacket with "I really don't care, do u?" printed on the back? Is Melania happy being First Lady? And what really

happened with the inauguration's funding of \$107 million?

Wolkoff has some ideas...

Billboard Gallery Books

The author of three previous works about the modern master of horror describes unpublished manuscripts, childhood and student writings, nonfiction articles, and even poetry by King, providing insight into King's personality and his evolution as a writer. Seventy-five rarities are described and summarized, with selected excerpts and notes on how to obtain a complete copy of the work. Appendices review all of his mainstream material and film adaptations of his work, including student films and TV features. Annotation copyrighted by Book News, Inc., Portland, OR

Blue Wolf In Green Fire Cambridge University Press

"If you meet the Buddha on the road, kill him." The ninth-century sage Lin Chi gave this advice to one of his monks, admonishing him that this Buddha would only be a reflection of his unexamined beliefs and desires. Peter Manseau and Jeff Sharlet took Lin Chi's advice to heart and set out on a car trip around America, looking for Buddhas along the road and the people who meet them: prophets in G-strings dancing to pay the rent, storm chasers hunting for meaning in devastating tornados, gangbangers inking God on their bodies as protection from bullets, cross-dressing terrorist angels looking for a place to sing. Along the way Manseau and Sharlet began to wonder what the traditional scripture they encountered everywhere -- in motels, on billboards, up and down the radio dial -- would look like remade for today's world. To find out, they called upon some of today's most intriguing writers to recast books of the Bible by taking them apart, blowing them up with ink and paper. Rick Moody recasts Jonah as a modern-day gay Jewish man living in Queens. A.L. Kennedy meditates on the absurdity of Genesis. In Samuel, April Reynolds visits a man of tremendous vision in Harlem. Peter Trachtenberg unravels the Gordian logic of Job by way of the Borscht Belt. Haven Kimmel dives into Revelation and comes out in a swoon. Woven through these divine books are Manseau and Sharlet's dispatches from the road, their Psalms of the people. What emerges from this work of calling is not an attack on any religion, but a many-colored, positively riveting look at the facets of true belief. Together these curious minds tell the strange, funny, sad, and true story of religion in America for the spiritual seeker in all of us: A Heretic's Bible.

Black Moses Simon and Schuster

The sultry sequel to *Triple Moon* from #1 New York Times bestselling author Melissa de la Cruz. Twin witches Mardi and Molly Overbrook are back for another summer in North Hampton, and this year they're serious about two things: avoiding trouble and dedicating themselves to rest and relaxation. Molly's headed to Aunt Ingrid's, while Mardi has convinced their father, Troy—a.k.a. Thor, the god of thunder—to let her crash with her boyfriend, Trent, who also happens to be Tyr, the god of war. It's a tangled web they weave, but that's to be expected where gods and goddesses are concerned. Their vacation's just begun when an old secret is revealed, leaving Molly and Mardi to question everything they've ever known about their family. Then a hot new guy comes to town and starts brewing even more trouble . . . and soon enough, the twins are back to their old tricks. After an ancient prophecy comes to light, Molly and Mardi notice some mysterious changes, changes that will put their sisterhood to the ultimate test. East End's shaping up to be much more exciting than the girls were bargaining for, but what's a summer in the Hamptons without a little magic and mischief?

Double Eclipse Rowman & Littlefield

#1 NEW YORK TIMES BESTSELLER (February 2019) Lieutenant Eve Dallas fights to save the innocent—and serve justice to the guilty—on the streets of New York in *Connections in Death*, the gritty and gripping new *In Death* novel from #1 New York Times bestselling author J.D. Robb. Homicide cop Eve Dallas and her billionaire husband, Roarke, are building a brand-new school and youth shelter. They know that the hard life can lead kids toward dangerous crossroads—and with this new project, they hope to nudge a few more of them onto the right path. For expert help, they hire child psychologist Dr. Rochelle Pickering—whose own brother pulled himself out of a spiral of addiction and crime with Rochelle's support. Lyle is living with Rochelle while he gets his life together, and he's thrilled to hear about his sister's new job offer. But within hours, triumph is followed by tragedy. Returning from a celebratory dinner with her boyfriend, she finds Lyle dead with a syringe in his lap, and Eve's investigation confirms that this wasn't just another OD. After all his work to get clean, Lyle's been

pumped full of poison—and a neighbor with a peephole reports seeing a scruffy, pink-haired girl fleeing the scene. Now Eve and Roarke must venture into the gang territory where Lyle used to run, and the ugly underground world of tattoo parlors and strip joints where everyone has taken a wrong turn somewhere. They both believe in giving people a second chance. Maybe even a third or fourth. But as far as they're concerned, whoever gave the order on Lyle Pickering's murder has run out of chances...

The Peaceful Pill Handbook Simon and Schuster

Soon to be a limited Netflix series starring Zoe Saldana! This Reese Witherspoon Book Club Pick and New York Times bestseller is “a captivating story of love lost and found” (Kirkus Reviews) set in the lush Sicilian countryside, where one woman discovers the healing powers of food, family, and unexpected grace in her darkest hours. It was love at first sight when actress Tembi met professional chef, Saro, on a street in Florence. There was just one problem: Saro's traditional Sicilian family did not approve of his marrying a black American woman. However, the couple, heartbroken but undeterred, forged on. They built a happy life in Los Angeles, with fulfilling careers, deep friendships, and the love of their lives: a baby girl they adopted at birth. Eventually, they reconciled with Saro's family just as he faced a formidable cancer that would consume all their dreams. From *Scratch* chronicles three summers Tembi spends in Sicily with her daughter, Zoela, as she begins to piece together a life without her husband in his tiny hometown hamlet of farmers. Where once Tembi was estranged from Saro's family, now she finds solace and nourishment—literally and spiritually—at her mother-in-law's table. In the Sicilian countryside, she discovers the healing gifts of simple fresh food, the embrace of a close knit community, and timeless traditions and wisdom that light a path forward. All along the way she reflects on her and Saro's romance—an incredible love story that leaps off the pages. In Sicily, it is said that every story begins with a marriage or a death—in Tembi Locke's case, it is both. “Locke's raw and heartfelt memoir will uplift readers suffering from the loss of their own loved ones” (Publishers Weekly), but her story is also about love, finding a home, and chasing flavor as an act of remembrance. From *Scratch* is for anyone who has dared to reach for big love, fought for what

mattered most, and those who needed a powerful reminder that life is...delicious.

Was It Worth It Titan Books

I am Tommy Lee, born Thomas Lee Bass in Athens, Greece, on October 3, 1962, and raised in a suburb of California by an American father and a Greek mother. At seventeen, I joined Mötley Crüe and we became one of the baddest-ass rock bands in history. We sold over 40 million albums, we wreaked havoc, we scared parents, and we titillated too many fathers' daughters. I've been married three times: once for just a few days to a Penthouse Pet, for seven years to Heather Locklear, and then for five years to Pamela Anderson, with whom I have two beautiful sons. I've gotten into a lot of fights and I've been to jail a few times. But this book isn't your typical journey in a straight line from day one to day now. I'm more interested in revealing what's most important about my life, like how I cook my steaks; what I think of the tabloids, the truth, my ex-wives, my ex-band, my music; and what an innocent observer might find hanging around my house any given Sunday. You'll get plenty of facts and I'll tell you a story, but my real mission here is to paint you a picture of my life. I want to show you how my memories smell. I'd like to get into it now, so please take your seats. I advise you to keep your arms and legs inside the car at all times. If you have a pacemaker, a heart condition, or if you are pregnant or too damn short to reach the safety bar, I ask that you turn back immediately. Those with weak stomachs, strict morals, or chronic indigestion should put the book down now. For the rest of you, there's one truth that's real across the board: What you send out is what you get back. Send out the good, people, and it will come back to you. There's another thing I've learned over the years, in court, in fights, and in arguments with people I love: There isn't one truth, there are many. This book is my truth. NOTE: THE EBOOK DOES NOT INCLUDE PHOTOGRAPHS THAT APPEAR IN THE PRINT EDITIONS.

Mr Showbiz Random House Books for Young Readers

When experiential journalist Razam sets out to document the booming business of Amazonian shamanism in the 21st century, he quickly finds himself caught up in a culture clash between the old world and the new.
