From the creator of the popular website Ask a Manager and New York’s work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There’s a reason Alison Green has been called “the Dear Abby of the work world.” Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don’t know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You’ll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit “reply all” • you’re being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate’s loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for Ask a Manager “A must-read for anyone who works . . . [Alison Green’s] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work.”—Booklist (starred review) “The author’s friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers’ lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience.”—Library Journal (starred review) “I am a huge fan of Alison Green’s Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor.”—Robert Sutton, Stanford professor and author of The No Asshole Rule and The Asshole Survival Guide “Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way.”—Erin Lowry, author of Broke Millennial: Stop Scraping By and Get Your Financial Life Together

Auditing Fundamentals in a South African Context 2e is a practical, applied and engaging introductory textbook that supports students throughout the undergraduate level of the Auditing curriculum. The text is designed to enhance learning by supporting holistic understanding: theory is presented within the framework of the real-world business environment, assisting students to apply principles and standards with an understanding of their context. The text offers a clear pedagogical framework, which supports applied learning and develops independent, critical and reflective engagement with the subject matter. A continuing case study, which follows each stage of the audit of a South African company, demonstrates the practical application of learned principles and the integration of the auditing process with a typical audit client's business. The second edition is comprehensively revised to reflect all relevant, recent changes in the requirements of legislation, financial reporting and auditing pronouncements and codes, and addresses the new Code of Professional Conduct which was issued by the SA Institute of Chartered Accountants in the final quarter of 2018. Additional educational resources support teaching and learning, assisting students to develop the academic skills required to master their studies.

Behind the Corporate Veil Organisation for Economic Co-operation and Development

As the only practitioner title with detailed practical guidance and advice in this area, this is a comprehensive work written by a private client solicitor who has 30 years' experience of practice, and is a regular speaker at conferences on the subject. No professional faced with this ever-increasing area of law, should be without it. It enables solicitors and other professionals to be more proactive in protecting their older clients. It describes the rise in financial abuse, explains how to spot warning signs, provides awareness of various elements of legal protection and demonstrates that change is needed in the current system. Topics covered include: - Financial abuse issues for care homes (new to this edition) - Grooming for financial abuse (new to this edition) - Who is vulnerable to financial abuse? - Who are the perpetrators and why? - The forms financial abuse takes - How to prevent financial abuse The Second Edition also includes: - Statistics showing the prevalence of financial abuse - Commentary on recent case law, legislation and industry reports including: - Section 76 of the Serious Crime Act 2015 - coercive control legislation - Banking and financial services - Review of HMLR protections for property owners - Review of all OPG and COP recent guidance and practice notes - Updated information about care allowance rules - Case law on retrospective approval of gifts - Discussion of a deputy's authority to litigate It also covers cases with issues particular to jurisdictions such as the Republic of Ireland, USA, Scotland, Wales and Northern Ireland.

Model Rules of Professional Conduct ALI-ABA

By 2030, every member of the "baby boomer" generation will be 65 or older. The readership is there, looking to save family members money and hassle when the time comes. 8 Ways to Avoid Probate helps estate planners make sure assets go to the right people.

Business Succession Planning CCH

The Model Rules of Professional Conduct provides an up-to-date resource for information on legal ethics. Federal, state and local courts in all jurisdictions look to the Rules for guidance in solving lawyer malpractice cases, disciplinary actions, disqualification issues, sanctions questions and much more. In this volume, black-letter Rules of Professional Conduct are followed by numbered Comments that explain each Rule's purpose and provide suggestions for its practical application. The Rules will help you identify proper conduct in a variety of given situations, review those instances where discretionary action is possible, and define the nature of the relationship between you and your clients, colleagues and the courts.

United States Code NOLO

Multistate Guide to Sales and Use Tax Audits provides state-specific material for preparing for and handling an audit in all states that impose sales and use taxes. Readers will gain an increased understanding of why their businesses or clients were selected for audit, how their audits will proceed, what the audit staff will be looking for, and how assessments are developed.
