Guns N' Roses

fans know the
Use Your
Illusion tour
went on
nonstop from
1991 to 1993.

They know that concerts sold out in minutes all over the world so fans could hear chart-topping singles Welcome to the Jungle, Sweet Child of Mine, Paradise City, and November Rain live. They know the Use Your Illusion tour was the last for the band with Slash and Duff. But they've only heard rumors of the behind-the-scenes shenanigans. Fortunately for fans, Craig Duswalt hasn't just heard

rumors—he knows what went on backstage on one of the longest and most popular music events because he lived it. As Axl Rose's personal assistant during the ridiculously long world tour, Duswalt experienced things that would make most people run the other way and never look back. And in Welcome to My Jungle, he shares the sometimes hilarious, sometimes just plain reckless, and

always insane actual happenings on the tour. A true must-read for Guns N' Roses fans, Welcome to My Jungle delights readers with hilarious and entertaining exclusive firsthand stories like:

- The day Axl Rose, Kurt Cobain, and Courtney Love got into a "huge war" backstage at the MTV Awards
- Why Guns N' Roses are forever linked to Charles Manson
- The night Liz Taylor walked

in on a very nude Slash—and stayed a while Featuring little-known facts for the ultimate GN'R fan, Welcome To My Jungle gives an inside look at what it's really like to live and work with a hugely popular band, from the middle of a rock and roll hurricane.

First 50 Rock Songs You Should Play on Electric Guitar Guitar Tab

A journalist who had unprecedented access to Guns n' Roses

at their peak delivers a big, brash history of the band's charismatic, fantastically talented and idiosyncratic leader—W. Axl Rose Even in the world of rock and roll, a figure like Axl Rose doesn't come along very often. Mercurial and brilliant, deluded and imperious, Rose defies easy description or analysis. Few people have studied Rose as closely as Mick Wall has. Traveling with Guns n' Roses and writing

about them in the late 1980s and early 1990s, Wall first earned Axl's trust and later his fury. W.A.R. goes back to the beginning, revealing Rose's childhood influences (and how he got his name), and tracking the birth of the band and their enormous success with albums like "Appetite for Destruction" and "Use Your Illusion." With fame and money came substance abuse and infighting, and

<p>a lead singer who morphed from eccentric to seemingly unhinged. Wall's book is richly detailed and offers surprising new views on some celebrated Guns 'n Roses and Axl Rose incidents, including: -- the death of two fans at a concert in Donington Park in England, -- Rose's fall-out and eventual split from every one of the other original Gn'R band members, -- fights with perceived enemies like</p>	<p>Kurt Cobain, Motley Crue's Vince Neil and fashion designer Tommy Hilfiger, -- Rose's consistent refusal to show up at concerts throughout his career, --Axl becoming a virtual recluse at his Malibu mansion for most of the past 15 years. The book goes right up to the present, to explore why a new Guns n' Roses—with a reconfigured band—has toured but still hasn't released their long-awaited</p>	<p>album "Chinese Democracy", now over a decade in the making at a cost of over \$13 million. W.A.R. is about great music, bad relationships, and the public and private personas of one of the most controversial performers of our time. <i>Pearl Jam - Ten (Songbook)</i> Omnibus Press& Schirmer Trade Books Goodbye, Guns N' Roses transports the reader into a mind-altering</p>
---	---	--

trip through the colors, scandals, nihilism, and mythology that make Guns N' Roses so much more than another "hair metal" band. A valentine and a breakup letter to one of rock's most controversial bands. Goodbye, Guns N' Roses is a genre-rattling attempt to explain the appeal of America's most divisive rock band. While it includes uncharted history and the self-

lacerating connoisseurship of a Guns N' Roses fetishist, it is not a recycled chronicle — this book is a deconstruction of myth, one that blends high and low art sketches to examine how Guns N' Roses impacted popular culture. Unlike those who have penned other treatments of what might be considered a clichéd subject, Art Tavana is not writing as a GNR patriot or former employee. His

book aims to provide an untethered exploration that machetes through the jungle of propaganda camouflaging GNR's explosive appeal. After circling the band's three-decade plundering of American culture, Goodbye, Guns N' Roses uncovers a postmodern portrait that persuades its viewer to think differently about their symbolic importance. This is not a rock bio but a

biography of taste that treats a former "hair metal" band like a decomposing masterpiece. This is the first Guns N' Roses book written for everyone; from the Sunset Strip to a hyper-digital generation's connection to "Woke Axl," it is a pop investigation that dodges no bullets. *Best of Guns N' Roses* Alfred Music Beyond Bop Drumming is John Riley's exciting follow-up to the critically acclaimed Art

of Bop Drumming. Based on the drumming advancements of the post-bop period of the 1960s, the book and audio topics include: broken time playing, ride-cymbal variations, up-tempo unison ideas, implied time metric modulation, solo ideas, solo analysis, complete transcriptions, and play-along tunes.

Sweet Child o' Mine Hal Leonard Publishing Corporation (Play It Like It Is). Artist-

Book Faber
Music Limited
A guitar-
playing
practice guide
with hundreds
of warm-up
and
technique-
building
exercises If
you already
play some
guitar but
need some
practice,
you're in the
right place.
Guitar

Exercises For
Dummies is a
friendly guide
that provides
just enough
need-to-know
information
about
practicing
scales, chords,
and arpeggios
in the context
of specific
skills and
techniques to
help you
maximize its
400+
exercises and
improve your
guitar playing.
(If you need
instruction on
topics like
buying or
tuning a guitar
and playing
basic chords,
check out
Guitar For
Dummies.)
This practical

book starts off
with warm-up
exercises (on
and off-
instrument)
and then
logically
transitions to
scales, scale
sequences,
arpeggios,
arpeggio
sequences,
and chords,
with a focus
on building
strength and
consistency as
well as
refining
technique.
Each section
helps you to
practice
correct hand
and body
posture and
experience
variations,
such as
fingering
options and

hand positions, and then ends with a brief musical piece for you to try. You can also practice incorporating other facets of musical performance in your exercises, such as: Tempo Time signature Phrasing Dynamics The book wraps up with tips to help you maximize your practice time (like setting goals for each session), ways to improve your musicianship (such as studying other performers'

body language), and an appendix that explains the accompanying website (where you can find audio tracks and additional information). Grab your guitar, grab a copy of *Guitar Exercises For Dummies*, and start perfecting your finger picking today. P.S. If you think this book seems familiar, you're probably right. The *Dummies* team updated the cover and design to give the book a

fresh feel, but the content is the same as the previous release of *Guitar Exercises For Dummies* (9780470387665). The book you see here shouldn't be considered a new or updated product. But if you're in the mood to learn something new, check out some of our other books. We're always writing about new topics!
