for Kids Ages 4-8*
Random House

Human beings are the only creatures known to engage in sport. We are sporting animals, and our favourite pastime of football is the biggest sport spectacle on earth. The

Philosophy of Football presents the first sustained, in-depth philosophical investigation of the phenomenon of football. In explaining the complex nature of football, the book draws on literature in sociology, history, psychology and beyond, offering real-life examples of footballing actions alongside illuminating thought experiments. The book is organized around four main themes considering the character, nature, analysis and aesthetics of football. It discusses football as an extraordinary, unnecessary, rule-based, competitive, skill-based physical activity, articulated as a social (as opposed to natural) kind that is fictional in character, and where

fairness or fair play – contrary to much sport ethical discussion – is not centre stage. Football, it is argued, is a constructive-destructive contact sport and, in comparison to other sports, is lower scoring and more affected by chance. The latter presents to its spectators a more unpredictable game and a darker, more complex and denser drama to enjoy. The Philosophy of Football deepens our understanding of the familiar features of the game, offering novel interpretations on what football is, how and why we play it, and what the game offers its followers that makes us so eagerly await match day. This is essential reading for anybody with an

interest in the world's most popular game or in the philosophical or social study of sport. *Key Player (Front Desk #4)* Bloomsbury Publishing USA

You signed your children up for soccer, and your life has never been the same. Soccer Mom: A Humorous Adult Coloring Book For Relaxation and Stress Relief has 55+ images ranging in design complexity to fit every skill level. The best soccer mom book for busy moms who deserve a time to relax, laugh at the wild ride parenthood provides, and have fun

A History of RussiaVolume 1 Random

House Books for Young Readers

On the eve of the 2014 World Cup, New York Times sports columnist George Vecsey offers a personal perspective on the beautiful game Blending witty travelogue with action on the field—and shady dealings in back rooms—George Vecsey offers an eye-opening, globe-trotting account of the last eight World Cups. He immerses himself in the great national leagues, historic clubs, and devoted fans and provides his up-close impressions of charismatic stars like Sócrates, Maradona, Baggio, and Zidane, while also chronicling the rise of the U.S. men's and women's teams. Vecsey shows

how each host nation has made the World Cup its own, from the all-night street parties in Spain in 1982 to the roar of vuvuzelas in South Africa in 2010, as the game in the stadium is backed up by the game in the street. But the joy is sometimes undermined by those who style themselves the game's protectors. With his characteristic sharp reporting and eye for detail, Vecsey brings this global event to vivid life and has written a perfect companion for the upcoming 2014 World Cup in Brazil.

If you love the Wimpy Kid, fart book humor and pranks - you'll adore this hilarious book about the flawed plans of Matt too! Get it now for your kids! Dirt, Grime, Goo, and Slime! It sticks to every nine-year-old boy and shouldn't be a big deal for quirky Matt who wants to walk in the footsteps of his soccer idol, Lionel Messi. But there is his mum and her war on dirt. What is Matt going to do? He is done with being mum's little boy, packaged in the neatest outfit the school has ever seen. Getting teased by everybody in Grade 4, and most of all, Patrick, the supersized goalie of the B-Team. Matt has a brilliant idea. But will his perfect revenge plan work and get everyone off his back

or will it backfire? You'll love Matt's quirky and chaotic attempts of creating messiness for his own advantage because everyone likes it when seemingly fool-proof plans end up in unintended consequences. Get it now and enjoy how Matt and his over-sized dog Grump try to cope with their self-created disasters!

Eight World Cups

CreateSpace

The PARADISO is considered the most perfect part of the hereafter where the souls are permitted to live eternally if they can successfully complete the very difficult Celestial Examination process engaging the intellectual and personal guilt and forgiveness requirements system.

Many celestial citizens take years, decades or centuries to complete. The Celestial Trial of Josephus, the Annual Lantern Parade and Romano's awakening from his dream nightmare at the ending are the major subjects in this Book. This Celestial Trial of the ancient Jewish General and Roman writer, propagandist and collaborationist Flavius Josephus in discovering the real Spiritual Truths at the Celestial Supreme Court headed by the Biblical prophets Noah, Abraham and Moses is portrayed. Josephus is defended in Court by a late 19th century mortal American Barrister named Darryl Buchanan from Philadelphia who just successfully defended John D Rockefeller

before Almighty GOD Himself in God's Personal Supreme Peoples Court. The goal of the Celestial Trial of 'Josephus verses the Celestial Kingdom' is to discover the Holy Secrets and Spiritual Truths of his writings as to determine whether he did or did not fabricate and/or conceal the Biblical truths and steal the Prophecy that the next Ruler of the Roman Empire was destined to come from Judea to save his own body and soul? The Annual Lantern Parade at the Celestial Circus Maximus on Christmas Day has been a tradition since Jesus died on the Cross in the first century AD. The theme this year is called the Ancient & Divine Mysteries of the Universe. BOOK FOUR

ends with the Devil and his Three Crown Princes still trying to manipulate, dominate and overthrow the Kingdom with a Final Curtain Call where the Tragic End Game occurs and the Mise-en-Abime shows the hero Journalist Romano home awoken immediately after his dream in his basement apartment at a New York City Catholic Church.

The sports industry is large, visible, and growing—and it has a huge impact on society. That's obvious to die-hard fans who not only watch sporting events but buy everything from balls to ties to paperweights with their favorite team's logo. But even sports haters can't escape the onslaught of professional sports: They are asked to chip in as taxpayers to build public stadiums, and their children are, like it or not, exposed to events sponsored by alcohol and tobacco

companies, not to mention the juvenile antics of star athletes. Businesses, of course, take a hit in productivity when the Olympics—or World Series or Super Bowl or World Cup—rolls around. Yet most of us love to watch, and play. The Business of Sports takes on this endlessly fascinating behemoth of an industry to make sense of it all. Yes, sports is big business. How big? Estimates of total annual U.S. spending on sporting goods and services range from \$250 to \$560 billion a year, and spending related to organized sport alone has been estimated at \$200 billion per year. And it's getting bigger, casting an ever-larger shadow over the entire globe. The Business of

Sports throws light on the subject by exploring the business and economic dynamics of the industry from a diverse array of perspectives that cover the industry's macroeconomic, management, and marketing/promotion issues. —Volume 1, *Perspectives on the Sports Industry*, documents the current size, scope, and magnitude of the sports industry in the U.S. and abroad—including the U.K. and China. It also examines the importance of the world's most visible sporting events, like the Olympics, and the impact of sporting events broadcast around the world. —Volume 2, *Economic Perspectives on Sport*,

takes an in-depth look at the sports industry from an economic perspective. The volume delves into the inner workings of leagues and teams, covering economic issues from the design of sports leagues to franchise financial valuations to salary caps to labor relations. —Volume 3, *Bridging Research and Practice*, fills the gap between scholarly research on sport and practitioners working in the industry. Topics include evaluating talent, maintaining managerial efficiency, analyzing statistical performance indices, and assessing the noneconomic benefits of professional sports. Business and sports are a potent mix of two of the strongest forces moving our society

today. And, as the stratospheric salaries of professional athletes indicate, the industry is going through major growth and change. To make sense of it all, it helps to understand the underlying economic principles driving the business decisions made daily by owners and managers in all corners of the world. The unique, multivolume format of *The Business of Sports* allows sports nuts, journalists, business people, and students to explore the wide variety of issues that fuel the world's crazy passion for all things athletic.

The veggie-saurs and the meat-eaters face off in the Mega-Bowl!

Sacks and hand-offs. Touchdowns and interceptions. When dinos don shoulder pads, the action is sure to be epic. But as the clock ticks down, will the Scales make a goal-line stand or will the Blades break through for the winning TD?

For a Football Fan Who Has Everything

iUniverse

If you love sports trivia, then you'll be all in for *The Great Book of Football*, which is a must-read for any NFL fan out there. One of the most inclusive NFL football books on the market today, it's a treasure trove of sports stories, random facts, and the most in-depth tales of the most fascinating football players who have made the NFL what it is today. Starting with the

foundation of the fledgling NFL in the 1920s and leading right up the thrilling finish at the most recent Super Bowl, *The Great Book of Football* highlights the best players of every era, the games that separated the boys from the men, and the off-the-field shenanigans and twists of fate that have seen the league go from Midwestern distraction to international obsession. There are lots of football books out there, but *The Great Book of Football* takes you inside the action from the huddle to the locker room to the draft room to the owner's box. And every chapter ends with trivia questions that are sure to stump your NFL-crazy friends at your next Sunday

afternoon watch party. From Red Grange and Sammy Baugh to Tom Brady and J.J. Watt, the best of every era is highlighted, analyzed, and celebrated. Learn the secrets of the unstoppable Wing-T offense; relive Broadway Joe's Namath legendary Super Bowl guarantee; go behind enemy lines to witness the birth of Pittsburgh's Steel Curtain defense; and take pride in how players, owners, and fans have responded to America's greatest battles, from World War II to Hurricane Katrina to September 11. It doesn't matter if it's Super Bowl Sunday or the heart of the offseason, *The Great Book of Football* is one of those NFL football books that you just won't be able to put

down.

The Modern Divine
Comedy Book 7:
Paradiso 1 Entry Times
Books

NEW YORK TIMES
BESTSELLER • The NBA
according to The
Sports Guy—now
updated with fresh
takes on LeBron, the
Celtics, and more!
Foreword by Malcom
Gladwell • “The work
of a true fan . . . it
might just represent
the next phase of
sports
commentary.”—The
Atlantic Bill Simmons,
the wildly opinionated
and thoroughly
entertaining basketball
addict known to
millions as ESPN’s The
Sports Guy, has written
the definitive book on
the past, present, and
future of the NBA.
From the age-old
question of who
actually won the rivalry

between Bill Russell
and Wilt Chamberlain
to the one about which
team was truly the
best of all time,
Simmons opens—and
then closes, once and
for all—every major pro
basketball debate.
Then he takes it further
by completely
reevaluating not only
how NBA Hall of Fame
inductees should be
chosen but how the
institution must be
reshaped from the
ground up, the result
being the Pyramid:
Simmons’s one-of-a-
kind five-level shrine to
the ninety-six greatest
players in the history
of pro basketball. And
ultimately he takes
fans to the heart of it
all, as he uses a
conversation with one
NBA great to uncover
that coveted thing: The
Secret of Basketball.
Comprehensive,

authoritative, controversial, hilarious, and impossible to put down (even for Celtic-haters), *The Book of Basketball* offers every hardwood fan a courtside seat beside the game's finest, funniest, and fiercest chronicler.
