In this children's tale about the beginnings of life, a young bear wakes up after a long winter sleep and finds himself longing for a family of his own. Full color.

[The Town Musicians of Bremen](#) National Geographic Books Miles Murphy is not happy to be moving to Yawnee Valley, a sleepy town that's famous for one thing and one thing only: cows. In his old school, everyone knew him as the town's best prankster, but Miles quickly discovers that Yawnee Valley already has a prankster, and a great one. If Miles is going to take the title from this mystery kid, he is going to have to raise his game. It's prankster against prankster in an epic war of trickery, until the two finally decide to join forces and pull off the biggest prank

ever seen: a prank so huge that it would make the members of the International Order of Disorder proud. In The Terrible Two, bestselling authors and friends Mac Barnett and Jory John have created a series that has its roots in classic middle-grade literature yet feels fresh and new at the same time. Captured by ISIS, her bravery and faith became her pathway to freedom. Badeeah Hassan was just 18 when she witnessed firsthand the horrors of the 2014 genocide of the Yazidi people by ISIS forces. Captured by ISIS, known locally as Daesh, Badeeah was among hundreds forced into a brutal human trafficking network made up of women and girls of Yazidi ethnicity, a much-persecuted minority culture of Iraq. Badeeah's story takes her to Syria where she is sold to a high-ranking ISIS commander known as Al Amriki, the American, kept as a house slave, raped, and routinely assaulted. Only the presence of her young nephew Eivan and her friend Navine, also prisoners, keeps her from harming herself. In captivity, she draws on memories and stories from her childhood to maintain a small bit of control in an otherwise volatile situation. Ultimately, it is her profound sense of faith and brave resistance that lead her to escape with Eivan and reunite with family. Since her escape, Badeeah has brought her harrowing story of war and survival to the world's stage, raising awareness about the strength of her people and the acts of genocide against them. This captivating account of courage extends beyond the confines of her experience; Badeeah's story is about the resilience of women, girls, and persecuted groups everywhere in the face of seemingly insurmountable oppression.
