"I thought my marriage would last forever. Forever turned out to be six months, three days, twelve hours, thirty minutes and forty eight seconds. I guess I gave it away that I didn't want the marriage to end. It's been six years since we divorced but the pain of it seems like only yesterday." Helena Douglas and her friend Cora are two single, Christian women looking for love. Having recently ended her first marriage with her pastor husband, Helena struggles to deal with the consequences of her divorce. Cora continues to search for love despite her less-than-successful past with men. She has four children—all from different men—and struggles to overcome her difficult childhood. Cora quickly comes to the realization that Christ is the door to her true happiness; but Helena falls deeper and deeper into a world of lust, deceit, and spiritual depravity. She is pulled between two men who long to possess her for different reasons. It is only when Helena is forced to decide between the man she loves and her unborn child that she turns back to God. But is it too late?

Moving to America turns H&à's life inside out. For all the 10 years of her life, H&à has only known Saigon: the thrills of its markets, the joy of its traditions, the warmth of her friends close by, and the beauty of her very own papaya tree. But now the Vietnam War has reached her home. H&à and her family are forced to flee as Saigon falls, and they board a ship headed toward hope. In America, H&à discovers the foreign world of Alabama: the coldness of its strangers, the dullness of its food, the strange shape of its landscape, and the strength of her very own family. This is the moving story of one girl's year of change, dreams, grief, and healing as she journeys from one country to another, one life to the next.

A searing novel about the obstacles facing women in Zimbabwe, by one of the country's most notable authors. Anxious about her prospects after leaving a stagnant job, Tambudzai finds herself living in a run-down youth hostel in downtown Harare. For reasons that include her grim financial prospects and her age, she moves to a widow's boarding house and eventually finds work as a biology teacher. But at every turn in her attempt to make a life for herself, she is faced with a fresh humiliation, until the painful contrast between the future she imagined and her daily reality ultimately drives her to a breaking point. In *This Mournable Body*, Tsitsi Dangarembga returns to the protagonist of her acclaimed first novel, *Nervous Conditions*, to examine how the hope and potential of a young girl and a fledgling nation can sour over time and become a bitter and floundering struggle for survival. As a last resort, Tambudzai takes an ecotourism job that forces her to return to her parents' impoverished homestead. It is this homecoming, in Dangarembga's tense and psychologically charged novel, that culminates in an act of betrayal, revealing just how toxic the combination of colonialism and capitalism can be.

Why you need a writing revolution in your classroom and how to lead it *The Writing Revolution* (TWR) provides a clear method of instruction that you can use no matter what subject or grade level you teach. The model, also known as The Hochman Method, has demonstrated, over and over, that it can turn weak writers into strong communicators by focusing on specific techniques that match their needs and by providing them with targeted feedback. Insurmountable as the challenges faced by many students may seem, *The Writing Revolution* can make a dramatic difference. And the method does more than improve writing skills. It also helps: Boost reading comprehension Improve

organizational and study skills Enhance speaking abilities Develop analytical capabilities *The Writing Revolution* is as much a method of teaching content as it is a method of teaching writing. There's no separate writing block and no separate writing curriculum. Instead, teachers of all subjects adapt the TWR strategies and activities to their current curriculum and weave them into their content instruction. But perhaps what's most revolutionary about the TWR method is that it takes the mystery out of learning to write well. It breaks the writing process down into manageable chunks and then has students practice the chunks they need, repeatedly, while also learning content.

(James 2.23) Abraham is the only character in the Bible to be described as a 'friend of God', and John C. Lennox shows us why. Throughout the Bible, Abraham is seen as a pivotal figure in God's plan of salvation, and, in *Friend of God*, Professor Lennox helps us to see through the mists of the past to the real flesh-and-blood man with all his strengths and weaknesses. This study guide to *Friend of God* is packed with thought-provoking suggestions for private reflection or group discussion, drawing out the many ways in which the story of Abraham can teach us how to live faithfully in a world of religious doubt and scepticism today.
