Go-go is the conga drum-inflected black popular music that emerged in Washington, D.C., during the 1970s. The guitarist Chuck Brown, the "Godfather of Go-Go," created the music by mixing sounds borrowed from church and the blues with the funk and flavor that he picked up playing for a local Latino band. Born in the inner city, amid the charred ruins of the 1968 race riots, go-go generated a distinct culture and an economy of independent, almost exclusively black-owned businesses that sold tickets to shows and recordings of live go-gos. At the peak of its popularity, in the 1980s, go-go could be heard around the capital every night of the week, on college campuses and in crumbling historic theaters, hole-in-the-wall nightclubs, backyards, and city parks. Go-Go Live is a social history of black Washington told through its go-go music and culture. Encompassing dance moves, nightclubs, and fashion, as well as the voices of artists, fans, business owners, and politicians, Natalie Hopkinson's Washington-based narrative reflects the broader history of race in urban America in the second half of the twentieth century and the early twenty-first. In the 1990s, the middle class that had left the city for the suburbs in the postwar years began to return. Gentrification drove up property values and pushed go-go into D.C.'s suburbs. The Chocolate City is in decline, but its heart, D.C.'s distinctive go-go musical culture, continues to beat. On any given night, there's live go-go in the D.C. metro area.

From an inauspicious beginning at the tiny Left Bank Theatre de Babylone in 1953, followed by bewilderment among American and British audiences, *Waiting for Godot* has become one of the most important and enigmatic plays of the past fifty years and a cornerstone of twentieth-century drama. As Clive Barnes wrote, "Time catches up with genius ... *Waiting for Godot* is one of the masterpieces of the century." The story revolves around two seemingly homeless men waiting for someone—or

something—named Godot. Vladimir and Estragon wait near a tree, inhabiting a drama spun of their own consciousness. The result is a comical wordplay of poetry, dreamscapes, and nonsense, which has been interpreted as mankind's inexhaustible search for meaning. Beckett's language pioneered an expressionistic minimalism that captured the existential post-World War II Europe. His play remains one of the most magical and beautiful allegories of our time.

A New York Times Notable Book of 2020 "'Saint X' is hypnotic. Schaitkin's characters...are so intelligent and distinctive it feels not just easy, but necessary, to follow them. I devoured [it] in a day." -Oyinkan Braithwaite, New York Times Book Review When you lose the person who is most essential to you, who do you become? Recommended by Entertainment Weekly, included in Good Morning America's 20 Books We're Excited for in 2020 & named as one of Vogue's Best Books to Read This Winter, Bustle's Most Anticipated Books of February 2020, and O Magazine's 14 of the Best Books to Read This February! Hailed as a "marvel of a book" and "brilliant and unflinching," Alexis Schaitkin's stunning debut, *Saint X*, is a haunting portrait of grief, obsession, and the bond between two sisters never truly given the chance to know one another. Claire is only seven years old when her college-age sister, Alison, disappears on the last night of their family vacation at a resort on the Caribbean island of Saint X. Several days later, Alison's body is found in a remote spot on a nearby cay, and two local men—employees at the resort—are arrested. But the evidence is slim, the timeline against it, and the men are soon released. The story turns into national tabloid news, a lurid mystery that will go unsolved. For Claire and her parents, there is only the return home to broken lives. Years later, Claire is living and working in New York City when a brief but fateful encounter brings her together with Clive Richardson, one of the men originally suspected of murdering her sister. It is a moment that sets Claire on an obsessive pursuit of the truth—not only to find out what happened the night of Alison's death but also to answer the elusive question: Who exactly was her sister? At seven, Claire had been barely old enough to know her: a beautiful, changeable, provocative girl of eighteen at a turbulent moment of identity formation. As Claire doggedly shadows Clive, hoping to gain his trust, waiting for the slip that will reveal the truth, an unlikely attachment develops between them, two people whose lives were forever marked by the same tragedy. For readers of Emma Cline's *The Girls* and Lauren Groff's *Fates and Furies*, *Saint X* is a flawlessly drawn and deeply moving story that culminates in an emotionally powerful ending.

#1 NEW YORK TIMES BESTSELLER • More than one million copies sold! A "brilliant" (Lupita Nyong'o, *Time*), "poignant" (*Entertainment Weekly*), "soul-nourishing" (*USA Today*) memoir about coming of age during the twilight of apartheid "Noah's childhood stories are told with all the hilarity and intellect that characterizes his comedy, while illuminating a dark and brutal period in South Africa's history that must never be forgotten."—*Esquire* Winner of the Thurber Prize for American Humor and an NAACP Image Award • Named one of the best books of the year by *The New York Times*, *USA Today*, *San Francisco Chronicle*, *NPR*, *Esquire*, *Newsday*, and *Booklist* Trevor Noah's unlikely path from apartheid South Africa to the desk of *The Daily Show* began with a criminal act: his birth. Trevor was born to a white Swiss father and a black Xhosa mother at a time

when such a union was punishable by five years in prison. Living proof of his parents' indiscretion, Trevor was kept mostly indoors for the earliest years of his life, bound by the extreme and often absurd measures his mother took to hide him from a government that could, at any moment, steal him away. Finally liberated by the end of South Africa's tyrannical white rule, Trevor and his mother set forth on a grand adventure, living openly and freely and embracing the opportunities won by a centuries-long struggle. Born a Crime is the story of a mischievous young boy who grows into a restless young man as he struggles to find himself in a world where he was never supposed to exist. It is also the story of that young man's relationship with his fearless, rebellious, and fervently religious mother—his teammate, a woman determined to save her son from the cycle of poverty, violence, and abuse that would ultimately threaten her own life. The stories collected here are by turns hilarious, dramatic, and deeply affecting. Whether subsisting on caterpillars for dinner during hard times, being thrown from a moving car during an attempted kidnapping, or just trying to survive the life-and-death pitfalls of dating in high school, Trevor illuminates his curious world with an incisive wit and unflinching honesty. His stories weave together to form a moving and searingly funny portrait of a boy making his way through a damaged world in a dangerous time, armed only with a keen sense of humor and a mother's unconventional, unconditional love.

The story continues on his odyssey to live the big life in New York City as he trips through clubs, more drugs, and a series of boyfriends for two decades until he bottoms out in his forties from too much of the above. "Homo GoGo Man," a play on words of the species 'homo sapien', is a tale of a gay man avoiding extinction.

Guy is convinced that the man and woman with whom he has lived all his life cannot possibly be what they claim to be--his parents. They're too weird! Would anyone else's mother tie-dye every pair of underwear in the house? Would anyone else's father perform the famous oyster trick by sucking an oyster up his nose with a horrible noise and spitting it out of his mouth--in a restaurant? No--except maybe the parents of the weirdest, craziest, most unappealing kid in Guy's whole class, Bob-o. But Bob-o's parents are as normal as parents come--just like Guy.

This gives Guy food for thought, especially when he finds out that he and Bob-o have the same birthday, and were born in the same hospital! Guy and his best friend Buzz are determined to find out the truth about what really took place the day Guy and Bob-o

were born. Readers will delight in Weeks's humorous yet sensitive handling of this classic adolescent phase--the search for identity. 00-01 Texas Bluebonnet Award Masterlist
