President Barack Obama Simon and Schuster

Barack Obama's campaign and electoral victory demonstrated the dynamic nature of American democracy. This collection shows the impact of the Obama phenomenon on the future of race relations within the United States through readings on Barack Obama's campaign as well as the idealism and pragmatism of the Obama administration.

Obamas Radical Transformation of America PublicAffairs

A vibrant celebration of President Obama in words and photographs, now updated with new material on the years since he left office. Through stunning images by White House photographers and others, as well as notable essays and quotes from a broad spectrum of people, this updated edition of Obama looks back at the president's journey—from his remarkable victory to his significant milestones and final days in office to his life after the White House. Obama features rare and previously unseen photographs, along with iconic images and newspaper front pages. It also includes dramatic pictures—including the famous shot from the Situation Room as the president and his staff watched the live unfolding of the Osama bin Laden raid, and day-to-day images of Obama in his roles as world leader, policymaker, commander in chief, and father. There are lighthearted photos from the White House Correspondents' Dinner, late-night television appearances, and moments with the entire Obama family. Sixteen additional pages follow President Obama in recent years campaigning for Democratic candidates, engaging in philanthropic work, and traveling the world. The expanded volume also updates the status of many of Obama's groundbreaking achievements, such as the Affordable Care Act (aka Obamacare), the Iran nuclear deal, the Paris climate accord, EPA protections, transgender rights, DACA, and much more.

Right on time for election season comes an updated biography of our 44th President—written just for kids! President Barack Obama's election in 2008 energized the United States and the world. And though the last few years haven't been easy, this president has spent a lifetime overcoming obstacles. President Barack Obama's early involvement with politics was inspired by his mother's interest in the controversial social issues of her times—a passion that she passed on to her son. As the first African American editor of the Harvard Law Review, the first African American presidential nominee of a major political party, and eventually the first African American president of the United States, Barack Obama has consistently shattered barriers—barriers that some people thought could never be overcome. However, President Obama's life has had its challenges. Born to a Kenyan father and an American mother, Barack grew up in Hawaii and Indonesia, where he faced discrimination and struggles with his own racial identity. Despite these obstacles, Barack persevered and had a successful political career even before his historic win in the 2008 presidential election. Containing vital and current information, this biography will bring you up to date with all the latest from the Oval Office, and much more!

Barack Obama Springer

As Obama nears the middle of his first-term as president Paul Street assesses his performance against the expectations of his supporters. While mainstream journalists have noted discrepancies between Obama's original vision and reality, Paul Street uniquely measures Obama's record against the expectations of the truly progressive agenda many of his supporters expected him to follow. Taken together, the list of Obama's weakened policies is startling: his business-friendly measures with the economy, the lack of support for the growing mass of unemployed and poor, the dilution of his health reform agenda, the passage of a record-setting Pentagon budget, and escalation of US military violence in Afghanistan, Pakistan, Yemen, and Somalia. Street's account reveals these and many other indications of how deeply beholden Obama is to existing dominant domestic and global hierarchies and doctrines.

Letters to President Obama Melville House

In this timely retrospective, leading voices from The Washington Post come together to discuss Barack Obama's historic presidency. When President Obama was elected, he was a figure of hope for many Americans. Throughout his presidency, he has become far more than a symbol of change; he has enacted countless programs and policies that have made an impact on the country. As his term comes to an end, we look back on what has defined Obama as an American leader. Providing insight into everything from his politics to his family, this collection of articles examines the highlights of the Obama administration. The award-winning journalists at The Washington Post have brought together stories from the last eight years to commemorate the indelible mark our most recent president has made on the United States. Featuring over a hundred historic photos and articles from eight Pulitzer Prize winners, Obama's Legacy is the perfect way to close out the first family's years in the White House.

"Photographs illustrate the life of President Barack Obama from childhood with a focus on his role as President of the United States"--Provided by publisher.

Barack Obama in His Own Words Princeton University Press

The groundbreaking multigenerational biography, a richly textured account of President Obama and

the forces that shaped him and sustain him, from Pulitzer Prize-winning reporter, political commentator, and acclaimed biographer David Maraniss. In Barack Obama: The Story, David Maraniss has written a deeply reported generational biography teeming with fresh insights and revealing information, a masterly narrative drawn from hundreds of interviews, including with President Obama in the Oval Office, and a trove of letters, journals, diaries, and other documents. The book unfolds in the small towns of Kansas and the remote villages of western Kenya, following the personal struggles of Obama's white and black ancestors through the swirl of the twentieth century. It is a roots story on a global scale, a saga of constant movement, frustration and accomplishment, strong women and weak men, hopes lost and deferred, people leaving and being left. Disparate family threads converge in the climactic chapters as Obama reaches adulthood and travels from Honolulu to Los Angeles to New York to Chicago, trying to make sense of his past, establish his own identity, and prepare for his political future. Barack Obama: The Story chronicles as never before the forces that shaped the first black president of the United States and explains why he thinks and acts as he does. Much like the author's classic study of Bill Clinton, *First in His Class*, this promises to become a seminal book that will redefine a president.

Barack Obama in Hawai'i and Indonesia Sterling Publishing Company, Inc.

It is the very stuff of legend. A man from the very bottom of the American caste emerges, seemingly out of nowhere, captures the nation's imagination and improbably -- within four odd years, defies gravity and rises to the dizzying height of the American presidency thereby becoming the first non-white in history elected to lead an overwhelmingly white nation. A Cinderella like fairy tale? No. That's the story of President Barack Obama. Seismic and epic, it is a biblical tale of the trials, tribulations and dazzling triumphs of the rejected stone that became cornerstone of Moses as pharaoh. Reviled and vilified like his legendary idol, Abraham Lincoln, whose election sparked the American civil war, Obamas election likewise triggered a cold uncivil civil war. That notwithstanding, his achievements are impressive even historic. Regarded as a Gettysburg-like pivotal moment in American history, Obamas metaphorical conquest of the American presidency is a monumental achievement, a crossing of the Rubicon and a historic 1066-type turning point matched in its sheer historic weight and majesty only by the achievements of Washington and Lincoln. It reboots American democracy and heralds a new Yes We can! era of American and world history with new and expansive possibilities already evident in the unusual and iconoclastic demographic profiles of many of his wannabe successors. It gives credence to the creed All men are created equal and confers legitimacy on American democracy. It redounds to the credit of the nation, and burnishes her image as the pacesetter in the quest for interracial harmony. Citing these and Obamas many other achievements such as saving a moribund economy and reforming healthcare, the author predicts that Obama will be revered as one of Americas greatest presidents.

Obama Carroll & Graf Publishers

The final speeches of the 44th President of the United States, Barack Obama, and First Lady Michelle Obama. Both speeches were instant and moving landmarks, as well as stirring testaments to the time this inspiring and beloved couple spent in the White House.

Michelle Obama Bloomsbury Publishing USA

Barack Obama's inspirational politics and personal mythology have overshadowed his fascinating history. Young Mr. Obama gives us the missing chapter: the portrait of the politician as a young leader, often too ambitious for his own good, but still equipped with a rare ability to inspire change. The route to the White House began on the streets of Chicago's South Side. Edward McClelland, a veteran Chicago journalist, tells the real story of the first black president's political education in the capital of the African American political community. Obama's touch wasn't always golden, and the unflappable and charismatic campaigner we know today nearly derailed his political career with a disastrous run for Congress in 2000. Obama learned from his mistakes, and rebuilt his public persona. Young Mr. Obama is a masterpiece of political reporting, peeling away the audacity, the T-shirts, and the inspiring speeches to craft a compelling and surpassingly readable account of how local politics shaped a national leader.

Barack Obama Turner Publishing Company

As President Obama's time in the White House draws to a close, this celebratory book documents his transformative accomplishments. Evidence indicates President Barack Obama has been tremendously successful and effective by objective measures. On economic indicators alone, he is credited with the longest streak of job growth in U.S. history, a two-thirds reduction in the federal budget deficit, and the rebounding of the stock market to record highs following the record lows of the recession under his predecessor. His victories have come against a backdrop of criticism and sometimes open defiance from conservatives, lack of cooperation in Congress, and racially tinged commentary in traditional and social media. Through it all, the President who campaigned on a slogan of 'Yes, We Can!' has persevered in his determination to make a difference and left an indelible mark on American politics and the world. LEGACY is a commemoration of his eight years in the White House.

Barack Obama Promised Land Center Street

On January 20, 2009, Barack Hussein Obama made history as the first African-American president of the United States of America since its founding in 1776. Around the world, people celebrated his election as if he were one of their own and held exceedingly high expectations of his presidency. When, as senator of Illinois, he visited his father's village in Nyang'oma K'Ogelo in Kenya, he was struck by the ecstatic reception that the people accorded him. He was deeply touched by the abject poverty and fullness of spirit of the people. The level of need and the challenges that he witnessed in the poor neighbourhoods of Chicago in the US, in Indonesia and Kenya may have significantly contributed to his spirited drive to the White House. In this book, the author re-traces the life of Barack Obama Senior and how his character, vision and intellect influenced his son's drive to the most powerful office in the land. In so doing, the author revisits the events in pre- and post-colonial Kenya and how these, too, had a bearing on the life of Obama Senior. The book also relates the history of his people - the Luo - from their original settlements along the Nile in Egypt and the Sudan to their present homelands in East Africa and the Great Lakes region. It details the often tragic and ultimately triumphant struggle of a people in pursuit of a just, peaceful and progressive society.

Inaugural Presidential Address, Official Transcript Xlibris Corporation

With new hope for the future of America, Barack Obama took to the stage to address his supporters and the world. The Inaugural Address was a historic event that changed the course for countless Americans during his tenure as President.

Obama ReadHowYouWant.com

Barack Obama Sr., father of the American president, was part of Africa's "independence generation" and in 1959 it seemed his star would shine brightly. He came to the U.S. from Kenya and was given a university scholarship. While in Hawaii, he met Ann Dunham in 1961, and his son Barack was born. He left his young family to gain a master's degree from Harvard. After that, Obama's life became progressively more complicated. He was a brilliant economist, yet never held the coveted government job he felt should have been his. He was a polygamist, an alcoholic, and an ardent African nationalist unafraid to tell truth to power at a time when that could get you killed. Father of eight, nurturer of none, he was an unlikely person to father the first African American president of the United States. Yet he was, like that son, a man moved by the dream of a better world. Now, thanks to dozens of exclusive new interviews, prodigious research, and determined investigation, Sally Jacobs tells his full story.

The Obama Phenomenon East African Educational Publishers

A richly illustrated celebration of the paintings of President Barack Obama and First Lady Michelle Obama. From the moment of their unveiling at the National Portrait Gallery in early 2018, the portraits of Barack and Michelle Obama have become two of the most beloved artworks of our time. Kehinde Wiley's portrait of President Obama and Amy Sherald's portrait of the former first lady have inspired unprecedented responses from the public, and attendance at the museum has more than doubled as visitors travel from near and far to view these larger-than-life paintings. After witnessing a woman drop to her knees in prayer before the portrait of Barack Obama, one guard said, "No other painting gets the same kind of reactions. Ever." *The Obama Portraits* is the first book about the making, meaning, and significance of these remarkable artworks. Richly illustrated with images of the portraits, exclusive pictures of the Obamas with the artists during their sittings, and photos of the historic unveiling ceremony by former White House photographer Pete Souza, this book offers insight into what these paintings can tell us about the history of portraiture and American culture. The volume also features a transcript of the unveiling ceremony, which includes moving remarks by

the Obamas and the artists. A reversible dust jacket allows readers to choose which portrait to display on the front cover. An inspiring history of the creation and impact of the Obama portraits, this fascinating book speaks to the power of art—especially portraiture—to bring people together and promote cultural change. Published in association with the Smithsonian's National Portrait Gallery, Washington, DC

The United States president preserves, protects, and defends the U.S. Constitution. Each president's term influences events in America and around the world for years to come. This biography introduces young readers to the life of Barack Hussein Obama Jr., beginning with his childhood in Hawaii and Indonesia. Information about Obama's education at Occidental College, Columbia University, and Harvard Law School, where he became the first African-American president of the Harvard Law Review, as well as his early career as a community organizer and lawyer in Chicago is discussed. In addition, his family and personal life is highlighted. Easy-to-read text details Obama's political career as an Illinois state senator, where he served on the Public Health and Welfare Committee and helped pass the Earned Income Tax Cut, and the U.S. Senate, where he served on the Foreign Relations Committee, the Veterans Affairs Committee, and the Environment and Public Works Committee and opposed the Iraq War. Finally, students will get a closer look at the 2008 campaign when Democrats Barack Obama and Joe Biden defeated Republicans John McCain and Sarah Palin. Beautiful graphics showcase the primary source documents and photographs. A timeline, fast facts, and sidebars help put essential information at students' fingertips. In addition, a quick-reference chart provides easy access to facts about every U.S. president. Checkerboard Library is an imprint of ABDO Publishing Company.
