NEWTON BROCK

Winter Break John
Wiley & Sons
The authoritative

account of the rise of
Amazon and its
intensely driven
founder, Jeff Bezos,
praised by the Seattle
Times as "the definitive
account of how a tech

icon came to life." Amazon.com started off delivering books through the mail. But its visionary founder, Jeff Bezos, wasn't content with being a bookseller. He wanted Amazon to become the everything store, offering limitless selection and seductive convenience at disruptively low prices. To do so, he developed a corporate culture of relentless ambition and secrecy that's never been cracked. Until now. Brad Stone enjoyed unprecedented access to current and former Amazon employees and Bezos family members, giving readers the first in-depth, fly-on-the-wall account of life at Amazon. Compared to tech's other elite innovators -- Jobs,

Gates, Zuckerberg -- Bezos is a private man. But he stands out for his restless pursuit of new markets, leading Amazon into risky new ventures like the Kindle and cloud computing, and transforming retail in the same way Henry Ford revolutionized manufacturing. The Everything Store is the revealing, definitive biography of the company that placed one of the first and largest bets on the Internet and forever changed the way we shop and read.

Finding His Voice

Monarch Books
In this charming, clever, and darkly satiric novel set at a writers' conference, one man finds himself caught in a whirlwind of literary pretention, a suspect in a criminal investigation, and

hopelessly in love with a woman who thinks he's someone else. Mistaken for a famous but reclusive author of the same name, lonely Shriver attends a writers' conference at a small Midwestern liberal arts college. Completely unfamiliar with the novel he supposedly wrote and utterly unprepared for the magnitude of the reputation that precedes him, Shriver is feted, fawned over, featured at stuffy literary panels, and barely manages to play it cool. Things quickly go awry when one of the other guest authors suddenly disappears and Shriver becomes a prime suspect in the investigation. Amidst eager fans, Shriver must contend with a persistent police detective, a pesky

journalist determined to unearth his past, and a mysterious and possibly dangerous stalker who seems to know his secret. But most vexing of all, Shriver's gone and fallen in love with the conference organizer, who believes he's someone else. When the "real" Shriver (or is he?) appears to claim his place among the literati, the conference—and Shriver's world—threaten to unravel. Filled with witty dialogue, hilarious antics, and a cast of bizarre and endearing characters, Shriver is at once a touching love story, a surreal examination of identity, and an affectionate tribute to the power of writing. Dear Dwayne, with Love Destiny Image

Publishers

It is the long, hot summer of 1963 and New York is filled with lovers, dreamers and protestors. Young African-American women grow out their hair and discover the taste of new freedoms. Young men, white and black, travel south to fight against segregation, praying for a society in which love is colour-free. Written in the late 1960s and early 1970s but overlooked in Kathleen Collins's lifetime, these stories mark the debut of a masterful writer whose electrifying voice was almost lost to history.

The Skaar Invasion

Dramatists Play Service, Inc.

WHERE YOU'RE AT NOW IS NOT THE END. Is that it? Is this really all there is? This place

you find yourself today - the dead-end, the pain, the frustration, the fear - is that your lot in life? Each of us has a past. Maybe yours is so horrific, you don't even know how to talk about it.

Drenched in pain and heartache, you feel trapped and don't see a way out. You wonder if those thoughts plaguing your mind will follow you the rest of your life. You're tormented, sleepless and restless. Deep down, you know there has to be more. But you don't know what it looks like or where to find it. I've been where you are, and I'm here to help you move forward. My story is for you. "Finding His Voice" shows you how to navigate trauma, the voices around you, and your own mind as

you face the hurricanes of life. As I found my voice to talk about those moments, I learned the secret, it wasn't about finding me...it was about finding Him. And the more I did not only did I continue to step further out of that darkness and into the light...but I learned to overcome. There is a future you were meant for and designed for. "Finding His Voice" will show you how that Voice can guide you to it. Let me take you on my journey - OK, my rabbit hole - from despair to light. As we go along, I'll show you how to: + Overcome suicide, grief, and trauma + Overcome fear, confusion, and limiting beliefs! + Get past what's holding you back. + Start winning in the mind! +

Get your referrals flourishing! + Dream BIG...and see it happen! I believe in big things. I believe in your future. I believe in you. It's your turn, to overcome. Let's go! *Whatever Happened to Interracial Love?* A&C Black
When you feel like you've made too many missteps to go forward, how do you find the strength to carry on? Join Casey Diaz as he tells the remarkable story of God's heart for second chances. The son of El Salvadorian immigrants, Casey Diaz was brought to Los Angeles at the age of two. An abusive, impoverished family life propelled Casey into the Rockwood Street Locos gang at just eleven years old. Casey was willing to do anything to be number

one, but years of chasing rival gang members led to a dramatic ambush and arrest by the LAPD. By age sixteen, Casey was sentenced to more than twelve years in solitary confinement in California's toughest prison as one of the state's most violent offenders. He thought his life was over--but as the days in solitary wore on, Casey realized someone else was calling the shots. What happened next can only be described as a miracle. Join Casey as he shares how we can all: Embrace the incredible gift of God's redeeming love Change our lives for the better Find our God-given purpose A visceral insider's look at the violent world of gangs and prison life, *The Shot Caller* is a

remarkable demonstration of God's reckless, unending grace, and desire to reach even the worst of sinners--no matter where they are. Praise for *The Shot Caller*:

"When I read about the life of Casey Diaz, I see so much of my own life. This is a story of a tough young man who lost his way, and of a loving God who never forgot him, no matter where he was. I know you will be inspired by Casey's story. I hope you, too, will surrender to the love of Jesus Christ." --Nicky Cruz, bestselling author of *Run Baby Run*

Research Methods in Human Development

Lake Union Publishing
A NEW YORK TIMES
BESTSELLER! Named one of the year's best graphic novels by CNN, Complex, IFC, School

Library Journal, Library Journal, and USA Today! "A great, paranoid read for the modern age."-- Cory Doctorow, Boing Boing "Venditti's cat-mouse thriller demands edge-of-your-seat attention while raising serious questions about terrorism, personal privacy, and government responsibility ... excellent writing and plotting, and dead suitable art."-- Library Journal "In exploring the nature of the relation between the individual, society and the state, one would anticipate The Homeland Directive to elevate both the thriller genre and the comics medium. Venditti delivers admirably on both counts."-- Dr. Shathley Q, PopMatters "An addictive page-

turner that feels like an edge-of-your-seat theater experience. Huddleston's art puts the focus where it needs to be to wring every drop of tension from the story, and Venditti's script shows that he doesn't need the sci-fi elements of his earlier work to craft a fascinating, fast-paced thriller."-- Rick Marshall, MTV Splash Page "The conspiracy at the heart of this superbly paced thriller makes the Illuminati and the New World Order look like rank amateurs."-- Garrett Martin, Paste Magazine "An exceptionally good graphic novel for the moment... with a sophisticated sense of how government works."-- Alyssa Rosenberg, ThinkProgress "It's unlikely you'll find a

book that looks as good as *The Homeland Directive* this year."-- Graeme McMillan, *Robot 6* "Pulse-pounding... well-characterized, the plotting is tight, and the stakes are high. Mike Huddleston's art flips from pen and ink to painterly, but consistently captures the right mood and inspires the gritting of teeth."-- Jeremy Nisen, *Under the Radar* A new thriller from the author of the *New York Times* bestseller *The Surrogates*! As a leading researcher at the Centers for Disease Control and Prevention, Dr. Laura Regan is one of the world's foremost authorities on viral and bacteriological study. Having dedicated her career to halting the spread of infectious disease, she has

always considered herself one of the good guys. But when her research partner is murdered and Laura is blamed for the crime, she finds herself at the heart of a vast and deadly conspiracy. Aided by three rogue federal agents who believe the government is behind the frame-up, Laura must evade law enforcement, mercenaries, and a team of cyber-detectives who know more about her life than she does-- all while trying to expose a sinister plot that will impact the lives of every American. Set in the Orwellian present, *The Homeland Directive* confronts one of the vital questions of our time: In an era when technology can either doom or save us,

is it possible for personal privacy and national security to coexist?

How Not to Make a Short Film Granta Books

A deadly crash, a government conspiracy, a lone pilot with one chance to uncover the truth.

Project Guiding Light is NATO's biggest secret.

A system to take long-range bombers deep into the Soviet Union, undetected. There's just one problem. And veteran engineer Chris Milford has found it. A lethal flaw that means aircrew will pay a terrible price.

Undermined and belittled by a commanding officer who values loyalty over safety, Milford is forced down a dangerous, subversive path. Even his closest friend, Rob

May, the youngest test pilot on the project has turned his back on him. Until the crash that changes everything. James Blatch's page-turning thriller is set in the 1960s world of secret military projects and an establishment that wants victory over communism at almost any price.

Sex and the City

prepare to create your ideal life.

The Best Yes Little,
Brown

#5 in the Millennium SF Masterworks series, a library of the finest science fiction ever written. "Science fiction has only produced a few works of actual genius, and this is one of them."

—Joe Haldeman #5 in the Millennium SF Masterworks series, a library of the finest science fiction ever written. "Science fiction has only produced a few works of actual genius, and this is one of them."

—Joe Haldeman
"Bester at the peak of his powers is, quite simply, unbeatable"

—James Lovegrove
Marooned in outer space after an attack on his ship, Nomad, Gulliver Foyle lives to

obsessively pursue the crew of a rescue vessel that had intended to leave him to die. When it comes to pop culture, Alfred Bester (1913-1987) is something of an unsung hero. He wrote radio scripts, screenplays, and comic books (in which capacity he created the original Green Lantern Oath). But Bester is best known for his science-fiction novels, and *The Stars My Destination* may be his finest creation. With its sly potshotting at corporate skullduggery, *The Stars My Destination* seems utterly contemporary, and has maintained its status as an underground classic for fifty years. (Bester fans should also note that iBooks has reprinted *ReDemolished*, which

won the very first Hugo Award in 1953.)

Food Supply Chain Management and Logistics Thomas Dunne Books

Scores of talented and dedicated people serve the forensic science community, performing vitally important work. However, they are often constrained by lack of adequate resources, sound policies, and national support. It is clear that change and advancements, both systematic and scientific, are needed in a number of forensic science disciplines to ensure the reliability of work, establish enforceable standards, and promote best practices with consistent application. *Strengthening Forensic Science in the United States: A Path Forward*

provides a detailed plan for addressing these needs and suggests the creation of a new government entity, the National Institute of Forensic Science, to establish and enforce standards within the forensic science community.

The benefits of improving and regulating the forensic science disciplines are clear: assisting law enforcement officials, enhancing homeland security, and reducing the risk of wrongful conviction and exoneration.

Strengthening Forensic Science in the United States gives a full account of what is needed to advance the forensic science disciplines, including upgrading of systems and organizational structures, better

training, widespread adoption of uniform and enforceable best practices, and mandatory certification and accreditation programs. While this book provides an essential call-to-action for congress and policy makers, it also serves as a vital tool for law enforcement agencies, criminal prosecutors and attorneys, and forensic science educators.

Grooming the Next Generation for Success
Hachette Books

Are you living with the stress of an overwhelmed schedule and aching with the sadness of an underwhelmed soul? Lysa TerKeurst is learning that there is a big difference between saying yes to everyone and saying yes to God. In *The Best Yes* she will

help you: Cure the disease to please with a biblical understanding of the command to love. Escape the guilt of disappointing others by learning the secret of the small no. Overcome the agony of hard choices by embracing a wisdom based decision-making process. Rise above the rush of endless demands and discover your best yes today.

Coffin Bound Vol. 1: Happy Ashes
Simon and Schuster

Many standardized tests, including high school entrance exams, PSAT, SAT, and GRE, professional and civil service qualifying exams, all use reading comprehension questions to test critical reading skills. This book includes short and long

passages designed to help you become familiar with the passages found on your test, as well as the typical questions that you will be asked to answer. In this workbook, test-takers get immediate, focused practice on preparing for and answering questions based on critical reading passages. The Skill Builder in Focus method provides the targeted practice necessary to attain higher scores.

 Raise successful kids
 today! You can raise
 successful kids who

mature into successful
 adults by using the
 right grooming
 techniques. It is easy
 and helps parents
 become more
 successful too! Mother
 of five and successful
 entrepreneur Dani
 Johnson has coached
 and mentored tens of
 thousands of clients to
 become successful and
 without exception,
 their biggest stumbling
 blocks to achievement
 were the things they
 learned while they
 were kids. Dani is
 uniquely qualified to
 write this book
 because of her first
 hand perspective and
 experience as a
 success coach and
 speaker. The book will
 help adults discover
 solutions to why they
 have struggled
 throughout their lives
 to reach the success
 they desire and also

show them how to groom their own kids for success in life. Grooming the Next Generation for Success is jam packed with easy-to-understand and apply principles and proven practices that give parents, and anyone involved with young people, practical ways to raise children who are successful now and will continue to be as adults. Teaching virtues such as respect, honor, obedience, and financial responsibility while young guarantees lifestyle success in adulthood. Instead of fumbling through life, success becomes a natural occurrence rather than an accident that they hopefully run into.

The Early Records of the Town ...
McClelland & Stewart

The Three Rs Strategy - Your Guide to a Courageous, Radical Life Makeover Why do so few people today actually walk in the love, authority and power of Jesus? True joy and magnetic power comes from a far deeper understanding of the Word of God. That understanding is found in the pages of this book. If you have salvation through Jesus Christ, yet your life is not filled with the joy you expected ...this book holds your answers. The Three Rs is filled with scripture framed in such a way that you may feel as if you are "seeing it" for the first time. The Three Rs is the author's story, but it is filled with many other personal stories as well. Stories not

typically discussed in church settings. Stories usually swept under the rug. Thus keeping the Body of Christ bound with unseen chains and locked in silent prisons. This book illuminates the Word of God in a powerful way. By challenging religious paradigms, The Three Rs will help you to have the freedom, joy, and abundance the Bible promises.

HR Competencies

Ballantine Books Izzy Tyburn has promised the world that if it won't have her in it, it'll have nothing of her at all. Chased by an unstoppable killer, she's retreading her life, leaving nothing behind but burned rubber, ash, and the sun-scorched bones of those who get in her way. Ride shotgun on

an existential road trip through the tangle of a blood-splattered life. Mad Max: Fury Road meets Neil Gaiman's Sandman in this full-throttle, grindhouse fantasy epic! Collects COFFIN BOUND #1-4 "If you like DAN WATTERS' work on Lucifer, this is even weirder..." —Neil Gaiman "Wholly original. Fresh concepts and characters pop up on almost every page, courtesy of [DAN] WATTERS' mind and DANI's art. This is a series to keep your eye on." —Entertainment Weekly "It's a gleeful of literary grindhouse comic that brings to mind Milligan's Arthouse Pulp and notes of PRETTY DEADLY." —Kieron Gillen "Something that feels a little bit like the

early days of Vertigo Comics laced with the sensibilities of Hunter S. Thompson.

WATTERS' script has a confident, poetic swagger while DANI unleashes page after page gorgeous art."

—Nerdist "A damned joy." —Warren Ellis

PIVOT PERSPECTIVE.

CHANGE YOUR LIFE.

Most of us run on an endless string of vague goals and should-haves, with true, empowering change always just out of reach. Many of us feel stuck in our day-to-day routine, without the proper tools to break the mold and live our best lives every single day. David Nurse, a renowned life optimization coach of more than 150 NBA players and CEOs,

knows it doesn't have to be that way. Pivot & Go is a compelling, hands-on blueprint to changing course and leading the life you want to live-today. In this energizing, adventurous, and actionable guide, David outlines a clear 29-day plan-not to living the life, but to living your absolute best life. His key is to make mindful mindset pivots that allow you to shift your perspective by incremental yet powerful degrees. Focusing on success, failure, passion, joy, and confidence, Pivot & Go is here to help you find your genuine rhythm-one that will carry you through each chapter of life with the energy and ability to make the most of every day. Punctuated with stories from his

own journey to leading a full and rewarding lifestyle, as well as featuring never-before-told stories of triumph from some of the top NBA athletes in the world, David has delivered a book like no other. Not only will it give you the power to change your life, it will give you the strength to do so. Get ready to banish negative thoughts, live to the max, and become energized and ready to tackle each and every day.

The Eventual Millionaire Overcomers
 WINNER: ACA-Bruel 2015 - Prix des Associations
 With the growth of the food industry come unique logistics challenges, new supply routes, demand dynamics and investment re-shaping the future of the food logistics industry. It is therefore important for the food industry to innovate both with regards to demand management and sustainability of food sources for a growing population. Food Supply Chain Management and Logistics provides an accessible and essential guide to food supply chain

management, considering the food supply chain from 'farm to fork'. Samir Dani shows the reader how to stay ahead of the game by keeping abreast of global best practice, harnessing the very latest technology and squeezing efficiency and profit from increasingly complex supply chains. Food Supply Chain Management and Logistics covers essential topics in food supply chain management, including: food supply chain production and manufacturing; food logistics; food

regulation, safety and quality; food sourcing; food retailing; risk management; food innovation; technology trends; food sector and economic regeneration; challenges in International food supply chains; triple bottom-line trends in the food sector; food security and future challenges. Winner of the 2015 Prix des Associations, this book has been commended for its comprehensive coverage of the design, governance, supporting mechanisms and future challenges in the food supply chain.
