"When you bless," says Peter Lord, "dramatic, miraculous changes take place." In Bless and Be Blessed, this author and pastor shares how we often neglect to bless others until after death. But it is much more useful to give a good or well-meaning word to our loved ones while they are still alive. Coworkers, children, spouses, and friends all need uplifting messages when they can hear, receive, and be transformed by them. With wisdom, personal anecdotes, and hands-on exercises, Lord teaches readers everything they

need to know to deliver powerful words with life-changing impact today. He discusses the scriptural basis for blessing others, describes how readers can receive their own blessing from God, and teaches them to weave the practice of blessing into their everyday lives.

Christopher Columbus returned to Europe in the final days of 1500, ending his third voyage to the Indies not in triumph but in chains. Seeking to justify his actions and protect his rights, he began to compile biblical texts and excerpts from patristic writings and medieval theology in a manuscript known as the Book of Prophecies. This unprecedented collection was designed to support his vision of the discovery of the Indies as an

important event in the process of human salvation - a first step toward the liberation of Jerusalem and the Holy Land from Muslim domination. This work is part of a twelve-volume series produced by U.C.L.A.'s Center for Medieval and Renaissance Studies which involved the collaboration of some forty scholars over the course of fourteen years. In this volume of the series, Roberto Rusconi has written a complete historical introduction to the Book of Prophecies, describing the manuscript's history and analyzing its principal themes. His edition of the documents, the only modern one, includes a complete critical apparatus and detailed commentary, while the facing-page English translations allow Columbus's work to be appreciated by the general public and scholars alike.

God is always listening but are you speaking to him? Calling on His name gives us confidence, knowing that he hears and answers. This has

helped me to know more about the Lord just by calling on Him in the various situations I've been in. That's why I've compiled the Names, Attributes and Images of God for you to take wherever you go. It's a must have. My prayer is that as you go through this guide you'll discover who God really is and that you will know Him and the power of His resurrection. As He reveals Himself to you in a new and tangible way, I believe that The Brightness of His Glory will be seen upon and radiate from you. I hope that this will become a channel of blessing to you; as you become a channel of blessing to others. MAXINE MCDONALD is the praise and worship leader of Guiding Light Assembly in London. She loves to sing praises, to worship the Lord and encourage others to do so. She sings with the voice of an angel. Also a mother and full time midwife, she has been in situations when nothing else helped but prayer. God has been using her to touch the lives of others wherever she goes.

Jordan Peterson's lectures

and writings on psychology, philosophy, and religion have been a cultural phenomenon. Yet Peterson's own thought is marked by a tense suspension between archetype and reality-- between the ideal of Christ and the God who acts in history. Jordan Peterson, God, and Christianity: The Search for a Meaningful Life is the first systematic analysis, from a Christian perspective, of both Peterson's biblical series on YouTube and his bestselling book 12 Rules for Life, with an epilogue examining its sequel, Beyond Order.

Christopher Kaczor and Matthew R. Petrussek draw readers into the depths of Peterson's thought on Scripture, suffering, and meaning, exploring both the points of contact with Christianity and the ways in which faith fulfills Peterson's project.

How do we express the good that God wants for those we love? How do we experience blessing through pain and suffering? Why would we bless even enemies? How do we keep spoken blessings in sync with God's will? And how do we integrate blessing, a

concept woven throughout the entire Bible, into the fabric of our everyday lives? In *Given*, you will journey outside of your comfort zone, into a world of blessing as a relational calling—as a way God relates to you and a way you’re called to relate to others. You will travel across countries, cultures, and centuries of church history to expand your paradigm of a word ripe with significance. Along the way, you’ll be inspired to begin the essential Christian practice of being given by God as a blessing. When a nurse asked John if he could have one wish, he had just watched TV news depicting ISIS beheading Christians, so he answered, "Bring me back as an infantry platoon leader to go fight ISIS." He wakes up parachuting into Syria in combat gear but quickly learns he forgot to say "male infantry platoon

leader" now that the president has opened combat positions to women. In the ensuing battle, she is wounded but is recommended for the Medal of Honor. Upon being discharged from Walter Reed, the president orders her to remain in DC so that he can show her off as proof that he was right in his decision. How does she go to the State of the Union Address when she doesn't know how to put on makeup or pantyhose? But, after some comic misadventures, she figures it out. But then, she must go to a White House dinner in honor of Prime Minister Netanyahu. She is assigned Major Michael David as her escort as she hardly has a significant other. Strange things happen when she is with him that makes her wonder whether he is the Archangel Michael, which he denies. The Army wants to reclassify unfit for combat, so she accepts the prime minister's offer to make her an Israeli soldier. During a combat jump with the IDF, her chute doesn't open but two arms enfold her and lower her to the ground. Major Michael was along as an observer. She's convinced he unfolded his wings to

save her, but he says he had a maneuverable parachute that let him catch her. Although unconvinced, it is the least of her problems. He proposes to her. Can she marry a man when something is left of the male brain in her? Much less marry an archangel? [Trusting God](#) Oxford University Press

Life's trials and triumphs can seem accidental. One person may feel that life is a constant struggle in which pitfalls abound and someone seems out to get him. Another may feel that every day is a gift from God with special blessings just for her. That's because forces are at work in our lives: the blessings of a loving God or the curses of our spiritual adversary. This hugely popular classic work of Derek Prince helps readers recognize if there are curses at work in their lives and shows them how to get out from under those curses to live under God's blessings. This third edition of *Blessing or Curse* includes an extensive new study guide for small group or individual use.

This book is about a man who has a heart for the things of YAH and how YAH was with him wherever he went in this life. He had an extraordinary military career, retiring as an E7 (sergeant first class) with many military awards. He was a military postal inspector for five and a half years over Europe, Middle East, and Africa. He learned that the fourth commandment of the Ten Commandments deals with honoring YAH on the day He set aside for us to honor Him. Mr. Gooden believes it to be a test commandment. YAH has caused this man to ride upon the high places of the earth (see Isaiah 58:13-14). How as a child, he asked for these three things from YAH, and He granted his requests in a mighty way: (1) He asked to go to Jerusalem, and he has been there four times. (2) He asked to be a man after YAH's own heart. YAH allowed him to go to the tomb of King David with his son, John David. (3) He asked YAH for wisdom, and He granted his request. Mr. Gooden prayed and laid hands on three people that were near death and they recovered. YAH answered

in a mighty way. One individual recently celebrated their fiftieth wedding anniversary. He has spoken into the lives of three people who were in secret societies by telling them to confess their sins to YAH before they died. How he was able to locate his wife's aunt in another country (Germany) and how he found the exact room number in the hospital she was in and his wife was able to talk with her before she died. Here is just one of the stories where he received a word of knowledge to check his car after it had been serviced and found that his brand-new alternator had been stolen. He received a better alternator, and his PCM computer was installed for free. How he was able to find and fix a leak in a waterline buried three to five feet below the ground in a forest of trees. He has many stories to show that YAH has been working in his life. He hopes everyone that reads this book will be blessed by reading it. YAH is alive and so are His Words. When you read this book, it will cause your faith to soar! This isn't false advertisement. This is the real McCoy! This book is offered to YAH as an

offering of His goodness to anyone who puts their trust in Him. Mr. Gooden refuses to offer to YAH something that cost him nothing! This book is loaded with many stories of how YAH has worked in this man's life.

In the 20th Century three social revolutions—the industrial, sexual, and technological revolutions—challenged the religious convictions of many. John Paul II's teaching on the theology of the body was his response to the resulting societal shifts. Fr. Bransfield explores John Paul II's response to the challenges raised by these revolutions. In this context Bransfield then explores how Theology of the Body leads us to live the fullness of the Christian life.

Believers, who have come to the one True God through faith in Yeshua (Jesus), have been grafted into the Commonwealth of Israel. Through the prophet Ezekiel, God told that He Himself would come and rescue His lost sheep and set one shepherd over them. When Yeshua came, He declared that He was that

Good Shepherd and He had other sheep who were not Jewish; they must be brought into the fold also. This uniting of Jew and Gentile together in one Body is called the One New Man. Non-Jewish Believers have been kept separated from their Jewish Brothers for the past 1800 years. Much rich heritage was lost to the non-Jewish part of Messiah's Body. Yet God said that Messiah will be retained in Heaven until the complete restoration of everything He had spoken through the prophets was accomplished. It is the purpose of this book to restore the Body of Messiah to the understanding of the Jewish roots of their faith. May we be the answer to Yeshua's prayer that all who believe would become One in Him. DeeAnna Koven was born again at age five through the ministry of Jewish Evangelist Hyman Appelman. She began teaching in Sunday School at age 12, and continued throughout her life in churches and Messianic congregations. After Bible college and the Child Evangelism Fellowship Training Institute, she trained teachers in CEF, taught in a private church

school, tutored missionary children in Spain, and taught in a Hebrew academy at Temple Aron HaKodesh in Lauderdale Lakes, FL, where she met and married Jack, her late husband of 28 years. This is her first published book. *Common Worship: Times and Seasons President's Edition* Canterbury Press Reading Jewish Religious Texts introduces students to a range of significant post-biblical Jewish writing. Many still ask God to do what he has already done! The reason is simple: they don't understand how the kingdom works. God is not going to do what he has already done for you! You have to learn to receive it! The bible says: "Blessed be the God and Father of our Lord Jesus Christ, who hath BLESSED US WITH ALL SPIRITUAL BLESSINGS in heavenly places in Christ" - (Ephesians 1:3). God has already blessed you with every good thing that exists in Christ. Health, prosperity,

victory, success, joy, peace, and every blessing you can imagine are already yours. You have already been blessed in all things, and with all things. What you need is to learn and know how to get the blessing working in your life. But we often pray as though God is unwilling to bless us or as though he has not blessed us. Many are used to shouting and yelling the following prayers at God: "I will not let you go unless you bless me" They yell at God as though he was unwilling to bless, while in the actual sense of it he has already given you all these things. So why do many folks pray as though they are not already blessed? So why do many Christians pray as one needing to be blessed? The reason is because many folks don't know what the scripture means when it says God has blessed us WITH ALL SPIRITUAL BLESSINGS in heavenly places in Christ. You should live and function as one who is already blessed! If you can just calm down and grasp this fact, Christianity will begin to have a greater meaning to you! I have discovered that receiving is quite simple! Receiving involves

speaking the blessings over your life regularly with a certain mindset that you are not asking God to do what He is not willing to do or has not done already for you, but that all things are already yours and available to you! It is shift from praying beggarly prayers to taking what's yours in Christ by Spiritual Birth. Sadly many don't know how to do this. Speaking the Blessings is to engage the blessings, activate them and release them to be made manifest in your life. Speaking the blessings is also a powerful form of spiritual warfare and devils don't like it neither can they fight or withstand it. It is a combination of both spiritual warfare to clear the way for the blessing to be manifested and a "blessing highway" that delivers the blessing to you. Speaking the Blessings over one's life was how God intended for all His children to live and pray. It is quite simple but very powerful and a deliverer of the required blessings. HOW TO SPEAK THE BLESSINGS OVER YOUR LIFE AND GET RESULTS, was therefore written to provide you powerful insights with sample prayers on how to effectively speak the

blessings over your life on a daily basis and INDEED GET RESULTS!
