The Acoustic Guitar Method Alfred Music Publishing

The Art Of Lutherie offers a glimpse into the mind and craft of luthier Tom Bills, whom many consider to be one of the most talented luthiers today. In this beautifully written and enjoyable read, Tom elegantly and clearly shares his best-kept secrets and methods of custom guitar making - those which make his guitars favorites among top collectors and players. Tom's unique approach to The Art Of Lutherie will empower and inspire you to create more than just a guitar, but a truly unique work of art. The information that is generously shared within this insightful and timeless work is both practical and applicable. It contains the

same hard-won wisdom that only comes from years of experience and experimentation that Tom uses in creating his inspiring instruments. Over the years, he has produced instruments considered to be some of the best-sounding guitars ever made. Learning the steps of how to build a guitar is important, but understanding why master luthiers take those steps and make those decisions can empower you to make your own educated choices. This will allow you to create unique guitars, and the world needs your art, your guitars - your important contribution. The Art Of Lutherie, a truly unique and inspiring guide, can prepare you to reach new heights when designing and creating unique guitars. It is not often I heap such lavish praise on people; however, Tom is in this case more than deserving: I know of no other luthier whose work I respect more. Tom knows his craft inside and out; he pours his soul into every guitar he makes; he uses cutting-edge science to guide his work, and it shows...as head of Artist Relations and Product Development at Mel Bay, it gives me great pleasure to publish Tom's work, which will no doubt take the art of lutherie to a new level. I hope you'll spend some time soaking in this book - it will certainly augment your musicality - Collin Bay. Includes access to online video

Essential Flamenco Guitar: Volume 1 Alfred Music Publishing
This book and accompanying video provide a thorough introduction to flamenco guitar. What are the essential elements and techniques of flamenco guitar playing? How does one capture the real essence of authentic flamenco guitar? These are questions that Juan Martin, celebrated virtuoso flamenco guitarist and teacher, addresses in this first book of a projected three-volume series. The method is designed for the complete beginner and requires no prior knowledge of the guitar or flamenco music. It also provides invaluable insight and material for more advanced players who want to capture the essential sounds, rhythms and emotional power of true flamenco. The series begins with in-depth demonstrations of how the basic building blocks of flamenco guitar technique are used in actual flamenco music. The material then progresses to a detailed exploration of the individual rhythmic forms - the palos. In this book, the fundamental palos of Solea and Alegrias are presented to emphasize the basic rhythms and provide examples of falsetas - the melodic passages. Martin then shows how to apply these when collaborating with a dancer and singer. The music is transcribed in standard notation and

tablature (cifra), and the online video contain over 3.5 combined hours of explanation and demonstrations. Provides a detailed introduction to basic techniques, using examples of authentic flamenco to show these techniques in action. Then progresses to demonstrations of the Solea and Alegrias, including music for the soloist and the guitar accompanying the dancing and singing. Includes access to online video.
