*Harrison's Principles of Internal Medicine* Kensington Publishing Corp.

#1 New York Times bestselling author Sylvia Day, America's premier author of provocative fiction, delivers two novels from Cosmo Red-Hot Reads from Mills & Boon. **AFTERBURN** The realization that Jax still affected me so strongly was a jagged pill to swallow. He'd only been part of my life for five short weeks two years ago. But now he was back. Walking into a deal I'd worked

hard to close. And God, he was magnificent. His eyes were a brown so dark they were nearly black. Thickly lashed, they were relentless in their intensity. Had I really thought they were soft and warm? There was nothing soft about Jackson Rutledge. He was a hard and jaded man, cut from a ruthless cloth. In that moment I understood how badly I wanted to unravel the mystery of Jax. Bad enough that I didn't mind how much it was going to cost me... **AFTERSHOCK** When it came to playing games, my lover Jax was a master strategist. He pulled strings behind the closed doors of D.C.'s most powerful political players, and somehow still found time to nearly sideline my career. What he didn't know was that when I didn't like the rules, I threw them out and made my own. I wasn't going to let Jax get away with it. I

wasn't going to let him get away at all. I loved Jax enough that it was impossible to give up. Jax loved me enough that giving up was the only end he'd consider. He didn't think I could swim with the sharks. It was entirely my pleasure to show him that I'd already dived in...

**Suburban Remix** Simon and Schuster

WINNER OF THE TRICYCLE PRIZE FOR EXCELLENCE Expertly and lucidly surveying the basic varieties and teachings of Tibetan Buddhism, renowned scholar Robert Thurman makes this authentic spiritual tradition available to contemporary Western audiences

*Afterburn and Aftershock* Harper Collins

Investment has flooded back to cities because dense, walkable, mixed-use urban environments offer choices that support diverse dreams. Auto-oriented, single-use suburbs have a hard time

competing. *Suburban Remix* brings together experts in planning, urban design, real estate development, and urban policy to demonstrate how suburbs can use growing demand for urban living to renew their appeal as places to live, work, play, and invest. The case studies and analysis show how compact new urban places are being created in suburbs to produce health, economic, and environmental benefits, and contribute to solving a growing equity crisis.

*Natural Liberation*

A perfect companion to the well-known Tibetan Book of the Dead. In life and in death, in meditation and in sleep, every transitional stage of consciousness, or bardo, provides an opportunity to overcome limitations, frustrations, and fears. The profound teachings in this book provide the understanding and instruction necessary to turn every phase of life into an opportunity for uncontrived, natural liberation. Like the Tibetan Book of the Dead, *Natural Liberation* is a term, a "hidden treasure" attributed to the eighth-century master Padmasambhava. Gyatrul Rinpoche's lucid commentary accompanies the text, illuminating the path of awakening to the point of full enlightenment. *Natural Liberation* is an essential contribution to the library of both scholars and practitioners of Tibetan Buddhism.
