At the Edge of the Abyss

ReadHowYouWant.com

In this first volume of his two-volume autobiography, Wiesel takes us from his childhood memories of a traditional and loving Jewish family in the Romanian village of Sighet through the horrors of Auschwitz and Buchenwald and the years of spiritual struggle, to his emergence as a witness for the Holocaust's martyrs and survivors and for the State of Israel, and as a spokesman for humanity. With 16 pages of black-and-white photographs. "From the abyss of the death camps Wiesel has come as a messenger to mankind--not with a message of hate and revenge, but with one of brotherhood and

atonement." --From the citation for the 1986 Nobel Peace Prize

This comprehensive reference on all aspects of Hasidism offers information on hasidic principles, customs, and lore, plus biographical entries on past and present leaders of the Jewish revival movement that originated in Eastern Europe in the 18th century. Includes cross-referenced entries, many with bibliographic notes referring readers to related works in both English and foreign languages, plus a glossary. Annotation copyright by Book News, Inc., Portland, OR

### Congratulations, Who Are You Again?

Bantam

In this astonishing story that "reads like

a thriller and is so, so timely” (BuzzFeed) Ariana Neumann dives into the secrets of her father’s past: “Like Anne Frank’s diary, it offers a story that needs to be told and heard” (Booklist, starred review). In 1941, the first Neumann family member was taken by the Nazis, arrested in German-occupied Czechoslovakia for bathing in a stretch of river forbidden to Jews. He was transported to Auschwitz. Eighteen days later his prisoner number was entered into the morgue book. Of thirty-four Neumann family members, twenty-five were murdered by the Nazis. One of the survivors was Hans Neumann, who, to escape the German death net, traveled to Berlin and hid in plain sight under the Gestapo’s eyes. What Hans experienced was so unspeakable that, when he built

an industrial empire in Venezuela, he couldn’t bring himself to talk about it. All his daughter Ariana knew was that something terrible had happened. When Hans died, he left Ariana a small box filled with letters, diary entries, and other memorabilia. Ten years later Ariana finally summoned the courage to have the letters translated, and she began reading. What she discovered launched her on a worldwide search that would deliver indelible portraits of a family loving, finding meaning, and trying to survive amid the worst that can be imagined. A “beautifully told story of personal discovery” (John le Carré), *When Time Stopped* is an unputdownable detective story and an epic family memoir, spanning nearly ninety years and crossing oceans.

Neumann brings each relative to vivid life, and this “gripping, expertly researched narrative will inspire those looking to uncover their own family histories” (Publishers Weekly).

Trudy Swenson, haunted by her German heritage, embarks upon a deeper investigation of her past and uncovers secrets her mother has kept hidden for five decades.

**Carry On, Warrior** Anchor

Finalist for 2012 National Jewish Book Award in the Holocaust category During his time in the Vught concentration camp, the 21-year-old David recorded on an almost daily basis his observations,

thoughts, and feelings. He mercilessly probed the abyss that opened around him and, at times, within himself.

David's diary covers almost a year, both charting his daily life in Vught as it developed over time and tracing his spiritual evolution as a writer. Until early February 1944, David was able to smuggle some 73,000 words from the camp to his best friend Karel van het Reve, a non-Jew.

For fans of *The Lost City of Z*, *The River of Doubt*, and *Lost in Shangri-La*—a real-

life Indiana Jones story, set in the mysterious jungles of Honduras. "I began to daydream about the jungle...." On April 6, 1940, explorer and future World War II spy Theodore Morde (who would one day attempt to assassinate Adolf Hitler), anxious about the perilous journey that lay ahead of him. Deep inside "the little Amazon," the jungles of Honduras's Mosquito Coast—one of the largest, wildest, and most impenetrable stretches of tropical land in the world—lies the fabled city of Ciudad Blanca: the White City. For centuries, it has lured explorers, including Spanish conquistador Herman Cortes. Some intrepid souls got lost within its dense canopy; some disappeared. Others never made it out alive. Then, in 1939, Theodore Morde claimed that he had

located this El Dorado-like city. Yet before he revealed its location, Morde died under strange circumstances, giving credence to those who believe that the spirits of the Ciudad Blanca killed him. In *Jungleland*, Christopher S. Stewart seeks to retrace Morde's steps and answer the questions his death left hanging. Is this lost city real or only a tantalizing myth? What secrets does the jungle hold? What continues to draw explorers into the unknown jungleland at such terrific risk? In this absorbing true-life thriller, journalist Christopher S. Stewart sets out to find answers—a white-knuckle adventure that combines Morde's wild, enigmatic tale with Stewart's own epic journey to find the truth about the White City.  
*Jungleland* Fortress Press

Strapped in the electric chair, Lenny "The Leopard" curses all the witnesses watching. When they start being killed Christopher Johnson must find out who the murder is, because he is on their list!

Dar and the Spear Thrower Crown

A triumphant tale of a young woman and her difficult childhood, *The Glass Castle* is a remarkable memoir of resilience, redemption, and a revelatory look into a family at once deeply dysfunctional and wonderfully vibrant. Jeannette Walls was the second of four children raised by anti-institutional parents in a household of extremes.

The Elimination Houghton Mifflin Harcourt

In this hilarious collection of observations, Cosby brings us more of his wonderful and wacky insights into

the human condition that are sure to become classics. In the tradition of Fat Albert, *I DIDN'T ASK TO BE BORN* offers a host of new characters, including Peanut Armhouse and Old Mother Harold. Not since *Mushmouth*, *Dumb Donald*, *Bucky and the Cosby Kids* has there been such a memorable cast. Over the past century few entertainers have achieved the legendary status of William H. Cosby Jr. His success spans five decades and virtually all media-remarkable accomplishments for a kid who emerged from humble beginnings in a Philly housing project. In the tradition of his bestselling books, *Fatherhood* and *Cosbyology*, the doctor of comedy holds forth on everything from first love to the Bible. Bill Cosby may not have asked to be born, but we're sure glad he was.

"Consistently funny...Congratulations, *Who Are You Again?* will have readers looking for more from this talented author. — Kirkus Reviews "A keenly observed account of the publishing process...Hilarious and illuminating." — Booklist "In his second act, he takes you through his process of realizing that dream with charm and wit, offering entertainment and practical insight for anyone with a seemingly pie-in-the-sky wish list." — Good Housekeeping *The Night of the Executioner's Scavenger Hunt* CreateSpace NEW YORK TIMES BESTSELLER • "The plot provided by the universe was filled with starvation, war and rape. I would not—could not—live in that tale."

Clemantine Wamariya was six years old when her mother and father began to speak in whispers, when neighbors began to disappear, and when she heard the loud, ugly sounds her brother said were thunder. In 1994, she and her fifteen-year-old sister, Claire, fled the Rwandan massacre and spent the next six years migrating through seven African countries, searching for safety—perpetually hungry, imprisoned and abused, enduring and escaping refugee camps, finding unexpected kindness, witnessing inhuman cruelty. They did not know whether their parents were dead or alive. When Clemantine was twelve, she and her sister were granted refugee status in the United States; there, in Chicago, their lives diverged. Though their bond remained

unbreakable, Claire, who had for so long protected and provided for Clemantine, was a single mother struggling to make ends meet, while Clemantine was taken in by a family who raised her as their own. She seemed to live the American dream: attending private school, taking up cheerleading, and, ultimately, graduating from Yale. Yet the years of being treated as less than human, of going hungry and seeing death, could not be erased. She felt at the same time six years old and one hundred years old. In *The Girl Who Smiled Beads*, Clemantine provokes us to look beyond the label of “victim” and recognize the power of the imagination to transcend even the most profound injuries and aftershocks. Devastating yet beautiful, and bracingly original, it is a powerful

testament to her commitment to constructing a life on her own terms.

*Guidelines for Teaching about the Holocaust* Schocken

From *Sister Wives* and *Big Love* to *The Book of Mormon on Broadway*, Mormons and Mormonism are pervasive throughout American popular media. In *Latter-day Screens*, Brenda R. Weber argues that mediated Mormonism contests and reconfigures collective notions of gender, sexuality, race, spirituality, capitalism, justice, and individualism. Focusing on Mormonism as both a meme and an analytic, Weber analyzes a wide range of contemporary media produced by those within and those outside of the mainstream and fundamentalist Mormon churches, from reality television to feature films, from

blogs to YouTube videos, and from novels to memoirs by people who struggle to find agency and personhood in the shadow of the church's teachings.

The broad archive of mediated Mormonism contains socially conservative values, often expressed through neoliberal strategies tied to egalitarianism, meritocracy, and self-actualization, but it also offers a passionate voice of contrast on behalf of plurality and inclusion. In this, mediated Mormonism and the conversations on social justice that it fosters create the pathway toward an inclusive, feminist-friendly, and queer-positive future for a broader culture that uses Mormonism as a gauge to calibrate its own values.

Night Capstone

Now in paperback, Wiesel's newest novel

“reminds us, with force, that his writing is alive and strong. The master has once again found a startling freshness.”—*Le Monde des Livres* A European expatriate living in New York, Doriel suffers from a profound sense of desperation and loss. His mother, a member of the Resistance, survived World War II only to die soon after in France in an accident, together with his father. Doriel was a hidden child during the war, and his knowledge of the Holocaust is largely limited to what he finds in movies, newsreels, and books. Doriel’s parents and their secrets haunt him, leaving him filled with longing but unable to experience the most basic joys in life. He plunges into an intense study of Judaism, but instead of finding solace, he comes to believe that he is possessed by a dybbuk. Surrounded by ghosts,

spurred on by demons, Doriel finally turns to Dr. Thérèse Goldschmidt, a psychoanalyst who finds herself particularly intrigued by her patient. The two enter into an uneasy relationship based on exchange: of dreams, histories, and secrets. And despite Doriel’s initial resistance, Dr. Goldschmidt helps bring him to a crossroads—and to a shocking denouement. “In its own high-stepping yet paradoxically heart-wracking way, [Wiesel’s novel] can most assuredly be considered beautiful (almost beyond belief).”—*The Philadelphia Inquirer*  
**Trespassing on Einstein's Lawn**  
 Penguin

Year after year, Rafe Esquith’s fifth-grade students excel. They read passionately, far above their grade level; tackle algebra; and stage Shakespeare

so professionally that they often wow the great Shakespearean actor himself, Sir Ian McKellen. Yet Esquith teaches at an L.A. innercity school known as the Jungle, where few of his students speak English at home, and many are from poor or troubled families. What's his winning recipe? A diet of intensive learning mixed with a lot of kindness and fun. His kids attend class from 6:30 A.M. until well after 4:00 P.M., right through most of their vacations. They take field trips to Europe and Yosemite. They play rock and roll. Mediocrity has no place in their classroom. And the results follow them for life, as they go on to colleges such as Harvard, Princeton, and Stanford. Possessed by a fierce idealism, Esquith works even harder than his students. As an outspoken maverick of

public education (his heroes include Huck Finn and Atticus Finch), he admits to significant mistakes and heated fights with administrators and colleagues. We all—teachers, parents, citizens—have much to learn from his candor and uncompromising vision.
