The McGraw-Hill 36-Hour Course: Online Marketing McGraw-Hill Education

"We wrote *Becoming America* in and for a new century, inspired by recent shifts in historical scholarship and the interests and learning styles of a new generation of students. Today's students live in a world where cultural, technological, and environmental transformation are palpably experienced and keenly debated. Paralleling this reorientation, the topics of environmental change, religious ritual, mass communications, technological innovation, and popular entertainment have become central and compelling subjects of historians' research and teaching. *Becoming America* seamlessly weaves these fascinating dimensions of the past into the core narrative of American history to produce an account that we believe students will find exciting, memorable, and relevant"--
