Understanding the bible text.

Birth of the King Wm. B. Eerdmans Publishing

Foreword by Emanuel Tov; foreword by Steven Fine; introduction by James H. Charlesworth.

The Pentateuch Cambridge University Press

Scholars of the Hebrew Bible have in the last decade begun to question the historical accuracy of the Israelite sojourn

in Egypt, as described in the book of Exodus. The reason for the rejection of the exodus tradition is said to be the lack of historical and archaeological evidence in Egypt. Those advancing these claims, however, are not specialists in the study of Egyptian history, culture, and archaeology. In this pioneering book, James Hoffmeier examines the most current Egyptological evidence and argues that it supports the biblical record concerning Israel in Egypt. The Encyclopaedia Britannica Jewish Publication Society

Letters of Light is a translation of over ninety passages from a well-known Hasidic text, Ma'or va-shemesh, consisting of homilies of Kalonymus Kalman Epstein of Krakow, together with a running

commentary and analysis by Aryeh Wineman. With remarkable creativity, the Krakow preacher recast biblical episodes and texts through the prism both of the pietistic values of Hasidism, with its accent on the inner life and the Divine innerness of all existence, and of his ongoing wrestling with questions of the primacy of the individual vis-a-vis that of the community. The commentary traces the route leading from the Torah-text itself through various later sources to the Krakow preacher's own reading of the biblical text, one that often transforms the very tenor of the text he was expounding. Though composed almost two centuries ago, Ma'or va-Shemesh comprises an impressive spiritual statement, many parts

of which can speak to our own time and its spiritual strivings.

The Exhaustive Concordance of the Bible

John Wiley & Sons

First published in 1947, Harriet Lane Levy's autobiography, 920 O'Farrell Street, chronicles her childhood in an upper-middle-class San Francisco neighborhood during the mid-late nineteenth century—a period in which young women such as Levy were expected to marry well-off men, generating additional societal expectations. The intellectually inclined Levy was hesitant to marry early and instead took herself off to study at the University of California at Berkeley.

The First Book of Moses, Called Genesis

Oxford University Press

This highly original book introduces a fascinating new approach to yoga and Torah by combining the practice of classic yoga postures with traditional and mystical Jewish wisdom. Each chapter begins by presenting a central Jewish spiritual concept that engages readers of all faiths on a personal level. It offers an in-depth exploration of the concept, quoting and commenting on sacred Jewish texts from the Pentateuch (Five Books of Moses)

and other sources. It then guides its readers with mastery and clarity through meditation and a set of fundamental yoga postures—clearly illustrated by beautiful photographs—for both beginning and advanced yoga students. The Torah concept is actualized and experienced through the practice of these postures. Torah Yoga helps to heighten awareness of body, mind, and spirit; it illuminates the heart of Jewish wisdom.

The Book of Jubilees Algonquin Books

"A masterpiece of contemporary Bible translation and commentary."—Los Angeles Times Book Review, Best Books of 1999 Acclaimed for its masterful new translation and insightful commentary, *The David Story* is a fresh, vivid rendition of one of the great works in Western literature. Robert Alter's brilliant translation gives us David, the beautiful, musical hero who slays Goliath and, through his struggles with Saul, advances to the kingship of Israel. But this David is also fully human: an ambitious, calculating man who navigates his life's course with a flawed moral vision. The consequences for him, his family, and his nation are tragic and bloody. Historical personage and full-

blooded imagining, David is the creation of a literary artist comparable to the Shakespeare of the history plays.

American Torah Toons Jason Aronson

Winner of the 2014 Sami Rohr Prize for Jewish Literature

A thousand years ago, the most perfect copy of the Hebrew Bible was written. It was kept safe through one upheaval after another in the Middle East, and by the 1940s it was housed in a dark grotto in Aleppo, Syria, and had become known around the world as the Aleppo Codex. Journalist Matti Friedman's true-life detective story traces how this precious manuscript was smuggled from its hiding place in Syria into the newly founded state of Israel and how and why many of its most sacred and valuable pages went missing. It's a tale that involves grizzled secret agents, pious clergymen, shrewd antiquities collectors, and highly placed national figures who, as it turns out, would do anything to get their hands on an ancient, decaying book. What it reveals are uncomfortable truths about greed, state cover-ups, and the fascinating role of historical treasures in creating a national identity.

"Y escribiras muy claramente en las piedras todas las palabras de esta ley." (Debarim - Deuteronomio 27:8) La presente obra tiene por objetivo aclarar el texto biblico a traves de la tradicion oral del pueblo de Israel, de modo de facilitar la comprension y divulgacion de la palabra de Dios a toda la humanidad permitiendo el acceso al texto original (entregado en hebreo) y a una traduccion fiel de este. Para lograr este proposito, la estructura del texto cuenta con las siguientes características: 1.- Fidelidad de la traduccion al texto original. Para lograr una mejor traduccion, usamos el texto hebreo original y la tradicion oral del pueblo de Israel. 2.- Transliteracion de los nombres y lugares biblicos Hemos cambiado las versiones espanolizadas de los terminos biblicos. De modo de permitir la correcta pronunciaci¹ de estos agregamos simbolos especiales y acentos para indicar sonidos que no tienen representacion en espanol. 3.- Texto hebreo con puntuacion, cantilacion y fonetica La presente edicion contiene el texto hebreo original vocalizado y con cantilacion y bajo este se encuentra la fonetica. Para lograr una mayor

comprension se ha dispuesto el texto hebreo frente al texto espanol. 4.- Anexos Estos permiten la profundizacion de distintas tematicas. 5.- Comentarios Los comentarios estan basados en la tradicion oral del pueblo de Israel, la cual fue recibida por Mosheh (Moises) en el monte Sinai y traspasada hasta nuestros dias. Estos se encuentran bajo el texto en espanol, aclarando la comprension de los versiculos senalados y explicando la etimologia de los terminos, es decir el origen de ellos en su raiz proveniente de la lengua hebrea.

Who Wrote the Bible?

Moses Wilhelm Shapira's infamous

Deuteronomy manuscripts -- long believed to be forgeries -- are of far greater significance than ever imagined. Idan Dershowitz shows that the text preserved in these manuscripts is not based on the book of Deuteronomy. On the contrary, it is a proto-biblical book, the likes of which has never before been seen.

Fixing God's Torah Zondervan

El libro de Bereshít es el primero de los 5 libros de la Toráh. Comúnmente es conocido bajo el nombre de Génesis (comienzo en griego), aludiendo a la gestación del universo y de la humanidad, mas en hebreo su significado es "En el Principio". Este libro comienza con un principio fundamental y es que existe un Creador. El universo fue creado por Dios, lo cual nos hace entender que Él es el dueño de todo lo que existe, pues Él lo creó, y nosotros debemos servirlo; que la creación fue un acto de amor, porque nos da la posibilidad de recibir el bien máximo en la medida en que nos acerquemos a Él. Habla también del inicio de la humanidad y como Dios nos está dando constantemente oportunidades para volver al camino correcto. Relata la eleccion de Abrahám, Itzják (Isaac) y

laäkób (Jacob) y la función del pueblo que descendería de ellos. Nos enseña con la historia de loséf (José) como las circunstancias que aparentemente no tienen relación alguna entre sí, son finalmente partes del plan Divino, y cuando vemos el rompecabezas completo entendemos que todo lo que El hace es para bien. Cronológicamente este libro abarca desde los años 3761 - 1523 A.E.C. (0 al año 2238 del calendario hebreo), concluyendo con la llegada del pueblo de Israel a Egipto.

The Beginnings of Jewishness Bible Pathway Adventures

Womanist Midrash is an in-depth and creative exploration of the well- and lesser-known women of the Hebrew Scriptures. Using her own translations, Gafney offers a midrashic interpretation of the biblical text that is rooted in the African American preaching tradition to tell the stories of a variety of female characters, many of whom are often overlooked and nameless. Gafney employs a solid understanding of womanist and feminist approaches to biblical interpretation and the sociohistorical culture of the ancient Near East. This

unique and imaginative work is grounded in serious scholarship and will expand conversations about feminist and womanist biblical interpretation.

Israel in Egypt BRILL

Hailed as "the most radical repackaging of the Bible since Gutenberg", these Pocket Canons give an up-close look at each book of the Bible.

Crown of Aleppo Canongate Books

The NIV is the world's best-selling modern translation, with over 150 million copies in print since its first full publication in 1978. This highly accurate and smooth-reading version of the Bible in modern English has the largest library of printed and electronic support material of any modern translation.

Womanist Midrash Mohr Siebeck

This volume is the first in The Bible and Women series. It presents a history of the reception of the Bible as embedded in Western cultural history with a special focus on the history of women and issues of gender. It introduces the series, explaining the choice of the Hebrew canon in connection with the Christian tradition and preparing the way for a changed view of women throughout the series. The

contributors explore the gendered significance of the canonical writings as well as the process of their canonization and the social-historical background of ancient Near Eastern women's lives, both of which play key roles in the series. Turning to the Pentateuch, essays address a variety of texts and issues still relevant today, such as creation and male-female identity in the image of God, women's roles in the genealogies of the Pentateuch and in salvation history, the rights and responsibilities of women according to the Hebrew Bible's legal and ritual texts, and how archaeology and iconography can illustrate the texts of the Torah. Contributors include Sophie Démare-Lafont, Dorothea Erbele-Küster, Karin Finsterbusch, Irmtraud Fischer, Mercedes García Bachmann, Thomas Hieke, Carol Meyers, Mercedes Navarro Puerto, Jorunn Økland, Ursula Rapp, Donatella Scaiola, Silvia Schroer, Jopie Siebert-Hommes, and Adriana Valerio.

La Biblia de Israel OUP USA

Hebrew-English Torah: The Five books of Moses is a Study Edition of the traditional Masoretic text, placed next to the classic "word-for-word" Jewish translation; it

features the most authoritative Hebrew text -- based on the Leningrad Codex and complete with cantillation marks, vocalization and verse numbers. The large format and the use of good paper are part of the design to allow a diligent Torah student to write on margins for more efficient learning. This printed edition comes with a free downloadable PDF edition of the title provided by Varda Books upon presenting to it the proof of purchase.

Revelation Simon and Schuster

"In *Crown of Aleppo*, Hayim Tawil and Bernard Schneider tell the incredible story of the survival, against all odds, of the Aleppo Codex—one of the most authoritative and accurate traditional Masoretic texts of the Bible. Completed circa 939 in Tiberias, the Crown was created by exacting Tiberian scribes who

copied the entire Bible into book form, adding annotations, vowel and cantillation marks, and precise commentary. Praised by Torah scholars for centuries after its writing, the Crown passed through history until the 15th century when it was housed in the Great Synagogue of Aleppo, Syria. When the synagogue was burned in the 1947 pogrom, the codex was thought to be destroyed, lost forever. That is where its great mystery begins. Miraculously, a significant portion of the Crown of Aleppo survived the fire and was smuggled from the synagogue ruins to an unknown location—presumably within the Aleppan Jewish community. Ten years later, the surviving pages of the codex were secretly brought to Israel and finally moved to their current location in the Israel Museum in Jerusalem. "

The Aleppo Codex W. W. Norton & Company

King Herod is troubled, and all of Jerusalem with him. Who is this child born the King of the Jews?! The Magi arrive from the East to pay homage to Yeshua, the newborn Messiah. But the night they arrive is like no other... Warned by God not to return to the jealous king, the Magi flee back to Parthia. But no one outsmarts King Herod! He summons his soldiers and orders the death of all young boys in Bethlehem. Yeshua must escape His enemies... Filled with colorful illustrations and biblical truth, *Birth of the King* is part of the Bible Pathway Adventures series of biblical adventures. If your children like gripping action and courageous Israelites, then they'll love this biblical adventure series from Bible Pathway Adventures. The search for truth is more fun than tradition!
