JULISSA DAVENPORT

The Whole World Over Bantam

An amnesiac girl explores an enchanting underground world filled with sinister secrets in this YA fantasy from the award-winning author of *The Lie Tree*. In the underground city of Caverna, the world's most skilled craftspeople toil in the darkness to create delicacies beyond compare—wines that remove memories, cheeses that make you hallucinate, and perfumes that convince you to trust the wearer, even as he slits your throat. On the surface, the people of Caverna seem ordinary, except for one thing: their faces are as blank as untouched snow. Expressions must be learned, and only the famous Facesmiths can teach a person to express (or fake) joy, despair, or fear—at a steep price. Into this dark and distrustful world comes Neverfell, a girl with no memory of her past and a face so terrifying to those around her

that she must always wear a mask. Neverfell's expressions are as varied and dynamic as those of the most skilled Facesmiths, except hers are entirely genuine. And that makes her very dangerous indeed . . . Praise for *A Face Like Glass* An ALA/ALSC Notable Children's Book "Hardinge is at the top of her game with this entrancing and action-packed adventure. Her voluptuous prose is full of sensory details and wildly imaginative descriptions, yet the world-building is controlled and gradually revealed. . . . VERDICT A compelling and triumphant follow-up to *The Lie Tree* for those who love to become immersed in a good story." —School Library Journal, starred review "Using beautiful prose, Hardinge builds a richly imagined world that twists as much as the carefully orchestrated plot. Readers will eagerly follow noble Neverfell through its tunnels, marveling at the extraordinary sights and catching their breath at her daring escapades." —Booklist, starred review "Hardinge excels at wordplay and worldbuilding; witty but not trite, her utterly original setting and chaotic, fidgety protagonist anchor a cracking

good story that raises important ideas surrounding the nature of friendship, the value of honesty, and the danger of too much.”

—Kirkus Reviews, starred review

The Glass Painting Book Seven Stories Press

“Eleven-year-old Renzo must teach himself to blow glass with the help of a girl who has a mysterious connection to her falcon”--

A Glass Half Empty? ... Or Half Full? Simon and Schuster
 WINNER OF THE 2017 NASW SCIENCE IN SOCIETY JOURNALISM AWARD A FINALIST FOR THE 2017 PEN/E. O. WILSON LITERARY SCIENCE WRITING AWARD LONGLISTED FOR THE ANDREW CARNEGIE MEDAL FOR EXCELLENCE A LIBRARY JOURNAL BEST SCIENCE BOOK OF THE YEAR “[A] curiously edifying book.” —The New York Times Book Review “With the taut suspense of a spy novel, Voigt paints a vivid world of murder, black market deals, and habitat destruction surrounding a fish that's considered, ironically, to be a good-luck charm.” —Discover “[An] immensely satisfying story, full of surprises and suspense...Things get weird fast.” —The Wall Street Journal An intrepid journalist’s quest to find a wild Asian arowana—the world’s most expensive aquarium fish—takes her on a global tour in this “engaging tale of obsession and perseverance...and an enthralling look at the intersection of science, commercialism, and conservationism” (Publishers Weekly, starred review). A young man is murdered for his pet fish. An Asian tycoon buys a single specimen for \$150,000. Meanwhile, a pet detective chases smugglers through the streets of New York. With “the taut suspense of a spy novel” (Discover) *The Dragon Behind the Glass* tells the story of a fish like none other. Treasured as a status symbol believed to bring good luck, the Asian arowana, or “dragon fish,” is a dramatic

example of a modern paradox: the mass-produced endangered species. While hundreds of thousands are bred in captivity, the wild fish as become a near-mythical creature. From the South Bronx to Borneo and beyond, journalist Emily Voigt follows the trail of the arowana to learn its fate in nature. “A fresh, lively look at an obsessive desire to own a piece of the wild” (Kirkus Reviews), *The Dragon Behind the Glass* traces our fascination with aquarium fish back to the era of exploration when naturalists stood on the cutting edge of modern science. In an age when freshwater fish now comprise one of the most rapidly vanishing groups of animals, Voigt unearths a surprising truth behind the arowana’s rise to fame—one that calls into question how we protect the world’s rarest species. “Not since Candace Millard published *The River of Doubt* has the world of the Amazon, Borneo, Myanmar, and other exotic locations been so colorfully portrayed as it is now in Emily Voigt’s *The Dragon Behind the Glass*...a must-read” (Library Journal, starred review).

Conservation of Stained Glass in America Simon and Schuster
The Promises of Glass, Michael Palmer's first new collection since *At Passages* (New Directions, 1995), contains seven sections: "The White Notebook", "The Promises of Glass", "Q", "Four Kitaj Studies", "Five Easy Poems" "In an X", and "Tower". These gorgeous new poems explore language and the "salt sea of autobiographies". His work also examines what Marjorie Perloff has described as "the absurdist 'displacement by degrees' one experiences in the post-urban world of late twentieth-century America."

The Glass Castle Elsevier

How Grove Press ended censorship of the printed word in

America. Grove Press and its house journal, *The Evergreen Review*, revolutionized the publishing industry and radicalized the reading habits of the "paperback generation." In telling this story, Rebel Publisher offers a new window onto the long 1960s, from 1951, when Barney Rosset purchased the fledgling press for \$3,000, to 1970, when the multimedia corporation into which he had built the company was crippled by a strike and feminist takeover. Grove Press was not only one of the entities responsible for ending censorship of the printed word in the United States but also for bringing avant-garde literature, especially drama, into the cultural mainstream. Much of this happened thanks to Rosset, whose charismatic leadership was crucial to Grove's success. With chapters covering world literature and the Latin American boom; experimental drama such as the Theater of the Absurd, the Living Theater, and the political epics of Bertolt Brecht; pornography and obscenity, including the landmark publication of the complete work of the Marquis de Sade; revolutionary writing, featuring Rosset's daring pursuit of the Bolivian journals of Che Guevara; and underground film, including the innovative development of the pocket filmscript, Loren Glass covers the full spectrum of Grove's remarkable achievement as a communications center for the counterculture.

Circular Stained Glass Pattern Book Courier Corporation

One of the best fantasy book series of the past decade - *Time Magazine* When magic has gone from the world and a vicious king rules from his throne of glass, an assassin comes to the castle. She is a prisoner, but if she can defeat twenty-three killers, thieves, and warriors in a competition to find the greatest

assassin in the land, she will become the king's champion and earn her freedom. But the evil she encounters in the castle goes deep, and as dark forces gather on the horizon - forces which threaten to destroy her entire world - the assassin must take her place in a fight greater than she could ever have imagined. This is the epic, heart-stopping fantasy series that has turned #1 New York Times bestselling author Sarah J. Maas into a worldwide phenomenon. Fans new and old will dive into this ebook bundle containing the whole series: *Throne of Glass*, *Crown of Midnight*, *Heir of Fire*, *Queen of Shadows*, *Empire of Storms*, *Tower of Dawn*, the thrilling finale *Kingdom of Ash*, and the companion anthology *The Assassin's Blade*.

The Promises of Glass Bloomsbury Publishing

Writer Hadley Freeman investigates her family's secret history in this "exceptional" (*The Washington Post*) "masterpiece" (*The Daily Telegraph*) uncovering a story that spans a century, two World Wars, and three generations. Hadley Freeman knew her grandmother Sara lived in France just as Hitler started to gain power, but rarely did anyone in her family talk about it. Long after her grandmother's death, she found a shoebox tucked in the closet containing photographs of her grandmother with a mysterious stranger, a cryptic telegram from the Red Cross, and a drawing signed by Picasso. This discovery sent Freeman on a decade-long quest to uncover the significance of these keepsakes, taking her from Picasso's archives in Paris to a secret room in a farmhouse in Auvergne to Long Island to Auschwitz. Freeman pieces together the puzzle of her family's past, discovering more about the lives of her grandmother and her three brothers, Jacques, Henri, and Alex. Their stories sometimes

typical, sometimes astonishing—reveal the broad range of experiences of Eastern European Jews during the Holocaust. This “frightening, inspiring, and cautionary” (Kirkus Reviews) family saga is filled with extraordinary twists, vivid characters, and famous cameos, illuminating the Jewish and immigrant experience in the World War II era. Reviewers have asked: “is there a better book about being Jewish?” (The Daily Telegraph) Addressing themes of assimilation, identity, and home, *House of Glass* is “a triumph” (The Bookseller) and a powerful story about the past that echoes issues that remain relevant today.

The Sound of Glass Simon and Schuster

Blending science fiction and dark fantasy, this monumental Victorian thriller is a dazzling feast for the senses: an action-packed roller-coaster ride of suspense, betrayal, and richly fevered dreams. It starts with a simple note. Roger Bascombe regretfully wishes to inform Celeste Temple that their engagement is forthwith terminated. Determined to find out why, Miss Temple takes the first step in a journey that will propel her into a dizzyingly seductive, utterly shocking world beyond her imagining. Nothing could have prepared Miss Temple for the things she would find behind the closed doors of forbidding Harschmort Manor: men and women in provocative disguise, acts of licentiousness and violence, heroism and awakening. But she will also find two allies: Cardinal Chang, a brutal assassin with the heart of a poet, and a royal doctor named Svenson, at once fumbling and heroic—both of whom, like her, lost someone at Harschmort Manor. As the unlikely trio search for answers, hurtling them from elegant brothels to gaslit alleyways to shocking moments of self-discovery, they are confronted by

puzzles within puzzles. And the closer they get to the truth, the more their lives are in danger. For the conspiracy they face—an astonishing alchemy of science, perverted religion, and lust for power—is so terrifying as to be beyond belief. Praise for *The Glass Books of the Dream Eaters* “The most original thing I’ve read in years: deftly executed, relentlessly inventive, and with a trio of the most unusual and engaging heroes who ever took on a sinister cabal out to rule the world by means of sex and dreams.”—Diana Gabaldon “A tale that combines swashbuckling adventure, a big dose of science fiction and burgeoning romance.”—USA Today “Rich . . . studded with treats . . . beautifully written.”—Entertainment Weekly “Sweeping, highly original and absorbing . . . defies categorization.”—The Dallas Morning News

Girl of Glass The Complete Collection Mitchell Beazley

The question of Pessimism vs. Optimism is often misunderstood, or worse yet, misinterpreted. But by taking a childlike and playful approach, we can explore one of humankind's most ancient riddles and learn some of the deeper lessons that *The Question* can teach each of us. *The Question* exists, in some form, in every language across the globe, and its origins are as ancient as the human spirit. But does this simple question really tell us if one is a Pessimist or an Optimist? Can we use *The Question* to help us with finding balance, managing stress, and enjoying life? Using humor and innocence, this book provides us the opportunity to determine the fullness of our own glass, and how to apply it to our daily lives.

Taking inspiration from the luminous beauty of stained glass,

painting on glass is a simple yet dramatically effective decorative technique which involves little cost and, with the help of this book, can be enjoyed by all artistic abilities. A complete introduction to the craft, it contains a complete guide to materials and techniques, a host of projects to try, a library of trace-off motifs and an invaluable trouble shooting section. Decorate plates, glasses, bottles, trinket boxes, mirrors, picture frames, vases, cabinet doors, storage jars and many other items with the ideas presented here. Detailed step-by-step instructions are accompanied by specially commissioned colour photographs of the projects to ensure success every time. Once you have started painting on glass, you will find it hard to stop, and will never look at a plain glass surface in the same way again!

The Glass Books of the Dream Eaters Ink Worlds Press

The lives of three very different women intersect in shocking ways in this “outstanding psychological thriller” (Library Journal, starred review), by the New York Times bestselling author of *The Bookseller*. In the autumn of 1960, Angie Glass is living an idyllic life in her Wisconsin hometown. At twenty-one, she’s married to handsome, charming Paul, and has just given birth to a baby boy. But one phone call changes her life forever. When Paul’s niece, Ruby, tells them that her father, Henry, has committed suicide and her mother, Silja, has gone missing, the newlyweds drop everything to be by Ruby’s side in the small upstate town of Stonekill, New York. Angie thinks they’re coming to the rescue of Paul’s grief-stricken young niece, but seventeen-year-old Ruby, self-possessed and enigmatic, resists Angie’s attempts to nurture her. While taking up residence in Henry and Silja’s eerie, ultra-modern house on the edge of the woods, Angie discovers

astonishing truths about the complicated Glass family. As she learns about Henry and Silja’s spiraling relationship, and Ruby’s role in keeping them together, and apart, Angie begins to question the very fabric of her own marriage. As details of the past unfold and Ruby dissects her parents’ state of affairs, the Glass women realize what they’re capable of when it comes to love, secrets, and ultimate betrayal. As turbulent and electrified as the period it’s set in, *The Glass Forest* is an “intoxicating slow burn [that] builds to a conclusion rife with shocking reveals.” (Publishers Weekly)

Stained Glass Pattern Book Sterling Publishing Company, Inc.
 "For more than 75 years, the Penland School of Crafts has attracted the most creative crafters from across the globe. This ... focuses on glass and the ten top contemporary flameworkers who have taught at the school, all of whom have areas of expertise that make them leaders in their field. These skilled masters offer a very personal perspective on their influences and work, with revelatory essays that give their views on flameworking and art in general. In photographic how-to sections of about 25-30 captioned images, each one demonstrates a particular technique, usually resulting in a finished piece."--Global Books in Print.

Italian Glass Schiffer Art Books

A hugely commercial, fabulously addictive fantastical romp - from an author with top-notch digital self-publishing pedigree and legions of fans awaiting publication

Falcon in the Glass New Directions Publishing

The Fortress of Glass by David Drake is the first in the Crown of the Isles trilogy, which will conclude the epic Lord of the Isles series. A true trilogy, the action extends over the whole three-book arc. The Fortress of Glass begins the story of how the new kingdom of the Isles is finally brought into being by the group of heroes and heroines who have been central to all the books in the series. The group includes Prince Garric, heir to the throne of the Isles, his consort Liane, his sister Sharina, her herculean sweetheart Cashel, his sister Ilina, with her adopted child Merota and piratical Chalcus. On giant triremes filled with soldiers and diplomats, they journey to the small kingdoms of the Isles to confirm the succession of Garric and to subdue, if necessary, any local rulers too fond of their own kingship to pledge fealty to Garric. All this is being done in a time when the powers of magic in the Isles have flooded to a thousand-year peak, and even local magicians can perform powerful spells normally beyond their control. Fantastic forces from all angles try to keep them apart and unable to continue the reunification of the Isles. So separately and together, they must fight their way back to the same time and place to combat the mysterious and supernatural menace of The Green Woman in her Fortress of Glass. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

The Milk Glass Book ASIA PACIFIC BUSINESS PRESS Inc.

A little girl needs new shoes. There are hundreds of shoes in the

shoe shop, but all of them are in the same plain, dull colours - all except for one pair of bright red shoes. The little girl knows that these are the ones for her, but can she convince her mum and the sceptical shoe lady? Glass' simple, poetic text and Spires' charming watercolour pictures combine to create a beautiful book about how bright, colourful things can lift people's spirits.
