Studio Fun International

Long before David Letterman made it a nightly ritual, groupings of ten seemed to be the most common form of list making (commandments, amendments, FBI most wanted, etc.) Top 10 lists abound for everything today, from movies and music to sports and politics. There is so much Disney history to cover, however, that it can't be contained in one simple list, thus "The Top 100 Top Ten of Disney." There is not a person on Earth who hasn't come into contact with Disney in some way.

Whether seeing a Disney film, hearing a Disney song, recognizing a Disney character or visiting a Disney park, the company's reach is global. The Top 100 Top Ten of Disney will collect the best of the best of Disney in a book of lists. From Walt himself and the beginning of his company, to his successors who have broadened the reach of the Disney brand well beyond where even Walt could have imagined it, this book will cover every aspect of the 93 years of history that Disney has to offer. In it you will find information on everything from Oswald the Lucky Rabbit and Queen Elsa, to the billion dollar acquisitions of Marvel and Lucasfilm. Written for casual and die-hard fans alike, The Top 100 Top Ten of Disney will revisit some familiar characters, films, songs, rides, and personalities associated with Disney but will also uncover some forgotten, obscure and overlooked parts of the company as well, such as the unlikely Disney films *Victory Through Air Power* (1943) and *The Story of Menstruation* (1946). The book will be laid out in easy to read "bite size" pieces. It will be one of those books that the whole family can enjoy and can be picked up and referred

to again and again. Author Bio: Christopher Lucas is a lifelong fan of all things Disney. His admiration for Walt, and the company he built, led Chris to create a one person show called "Of Mouse and Man" which has been performed in several colleges, theaters and civic centers. He is also the co-author of *Seeing Home: The Ed Lucas Story*, the critically acclaimed book released by Simon & Schuster and Derek Jeter Publishing in April 2015. Christopher lives in suburban New Jersey with his two young sons. His goal someday is to take a vacation somewhere that doesn't involve a visit to a Disney theme park.
