NCCER Industrial Electrician Study Guide Jones & Bartlett Publishers

Based on the successful training seminar conducted by NEC® expert Charles R. Miller, *The Electrician's Exam Prep Manual* cuts through complex topics to help students pass Journeyman or Master Electrician licensing exams. Using clear, concise language, this book takes users through the preparation process, explaining every NEC® topic

along the way. Aspiring electricians will feel prepared after completing the Manual's 23 sample exams, addressing general electrical knowledge plus NEC® rules. A special feature identifies key Code sections for highlighting, to assist in studying and to carry in to exams where allowed.
