Practical Journalism: How to Write News
introduces the beginner to the skills
needed to become a journalist in the
digital age. The book draws on
interviews with dozens of working
journalists. They share their thoughts on
the profession and we watch them work
- selecting stories, carrying out
interviews and writing scripts. There are
chapters on interviewing, research
techniques and news writing. Further
chapters cover working in broadcasting
and online. Media law and ethics are also
included. Most journalists believe they
work ethically although few have set

rules and others admit to being
pressured to behave underhandedly.
This book looks at how journalists can
work more ethically and provides a guide
for beginners. The book is easy to read.
Each chapter concludes with activities
and a list of further reading. A glossary
of terms is included at the end of the
book.
