Ravana's Kingdom

Saket Shah

“Sri Vidya begins where the current understanding of quantum physics ends,” say modern-day scholars about this little-known, highly esoteric spiritual tradition that has been carefully kept under wraps by its secretive and serious

practitioners. The study of Sri Vidya is fascinating as much as it is frustrating because information about its various aspects is exceptionally hard to find. Tantra, Mantra and Yantra of Sri Vidya is an endeavor to explore the Sri Vidya tradition and understand it as the unfolding of Shakti, the inherent power which lies at the core of our being and holds the key to our worldly and spiritual success. Sri Vidya practice comprises tantra (a technique or framework for worship) whose two main elements are mantra (sacred sound) and yantra (sacred geometry). Tantra can be described in simple terms as the utilization of the mental faculty to pursue the objectives

of worship using mantra and yantra. Mantra is the use of sound energy to bring about oneness with the Divine while yantra is a geometric drawing that serves as a tool to reach the Divine. The book delves into concepts such as Sankhya, Yoga, Karma and Kundalini in order to establish the context of how Sri Vidya is to be approached, combining elements of knowledge, devotion and ritual. The author has kept in mind the sensibilities of the modern spiritual seeker and their needs and interests, presenting the information in a non-dogmatic and practical manner, thereby allowing everyone an opportunity to learn and experience the benefits of Sri Vidya.

This is the third book by the author in the Spirituality Series. The first book was about the Sri Chakra Yantra and the second book had Chakras as its subject. *Quest for Sita* Maithuna Publications
Though staunch believers in the divinity of Rama and the Ramayana might find this book blasphemous, it is an insightful record of thoughts about the Ramayana as a framework for the present day Hindu family system. Rather than being a blind critic of the epic, this book is a celebration of irreverence and rationality, while attacking faith and reverence. The scope of this book is such that it provides the author with a stage to perform the dance of

life while he jumps from conclusion to conclusion. It is essential to read this book in it's entirety to get the intent of this book, and for a reader who grasps the conclusions the book is breathtakingly paced.

A Glossary of

Tantra, Mantra and

Yantra One Point Six Technology Pvt Ltd Kularnava Tantra is perhaps the foremost Tantra of the Kaula School and is constantly cited as an authority in Tantric literature. It is worthy of close study by those who would understand the tenets and practice of the tradition of which it is a Sastra. It calls upon man to wake up to the rare privilege that has been given to him, e.g., human birth in which the being becomes conscious of

himself and is offered a choice, a choice between stagnation and rapid progression towards his Godhead. He is asked to purify himself and told how to do it. In unambiguous terms he is told that a wine-drinker is different from the drinkers of ecstasy; the union of delight is between the ascending Shakti and the presiding Lord above, and not between man and woman. The Introduction by Arthur Avalon (Sir John Woodroffe) gives a concise outline of the work. Sri M.P. Pandit, who is a keen student of the Tantras and Vedas, has rendered the work in English in eleven chapters. The Readings are free translations with annotations where necessary, omitting

technical details but preserving the spirit and essential import of the original in his characteristically lucid style. The complete text is given in Devanagari after being duly edited by Taranatha Vidyaranya for those who wish to study the book in the original Sanskrit..

Prakashana Inderjaal which is also known as witchcraft is usage of supernatural power for evil and selfish purposes and to perform malicious practices to destroy someone physically or mentally or financially. It can be done using the victim's hair, clothes, photos or looking directly into eyes. Practicing black magic is not something new, it has been practiced since generations and hence we need to be very careful in this time of Kalyug where you are surrounded by very few well-wishers.

Soon The Judgment
Day of the Creator will
happen. Billions of
corpse-eaters, evil
spirits from hell who
have possessed human
bodies and they are
killing animals and

back home, to Hell for
punishment and

extremely painful
education. Be Warned.
This Judgment Day of

the last book of the

from 2012 to 2018.
Book contains

Theological,
Philosophical and
Scientific content
related to the subjects
of some educational
stories. It contains a
long story that started
in 7000 BC and
continued to my next
appearance on the

BC and now, again as
Moses to warn people
about the soon
happening Judgment
Day. Book contains a
True Story. Fiction, it is
not. Two conditions
should apply then you
will survive. (1) Belief
in the Creator (2) Be a
Vegan, that means you
learned a simple lesson
from Eleven
Commandments that I
brought for you from
the Creator. Yes. 11
Commandments, not
10. The 11th

Commandment is You must be Vegan. You should not kill any innocent human animal or other animals. Those who violate the law will be executed humiliatingly and burned in hell for eternity. Book contains many paintings that I created to accompany the Theological content to make it easier to digest and many Plans for Vegan Activists. We establish the Vegan Earth by Genocide. This is my wish. When the Creator will do it is out of my jurisdiction. However, you have no excuse any more. You are warned clearly. You like it or not, do not matter. This is plan of the Creator typed by Moses Messenger of the Creator in 2012-2018 from direct communication with the Creator, the Unified

Field, the Unity, Creator of Universes. If you are atheist, I have included seven proofs of the existence of the Creator in this book. Some are complex Mathematical proofs and some are simple. Depends on level of your intelligence you can find a proof that you can understand. Read, learn, understand and surrender to words of the Creator and Prophet of the Creator, Moses. Go Vegan, you will live. Stay corpse-eater, you will be eradicated like bacteria and will be burned in hell. Use your brain. You will find logic and reasoning in this book. Convert to Vegan. Convert to a believer in the Creator. If you do not use your brain, in hell you will learn by pain. Evidence and

Proof is the only important matter. The Unified Field is God. The Unified Field is the Creator of Universe. In this book of God, the Sixth Book of Moses, I included the evidence and proof that I am communicating with the Unified Field. It is a two-direction communication. I proved I am Moses. Belief without reasoning and proof worth zero. Vegans who are believers in the Creator will inherit the Earth. Rest of humans will be wood for fire of hell. 01 - 110 - Ve start with 110. There is hope. 02 - 112 - Only if the 112, God helps. And He promised to do so. 03 - 097 - Revelations in uncountable nights of determination. 04 - 094 - I am here, again, Moses has one

command, Go Vegan or go to Hell. 05 - 106 - Be afraid of one who is friend of the Creator of Universes. Love for Animals. Death to Corpse-Eaters. 06 - 108 - I am grateful. Ve use Your resources only for Justice for Animals. 07 - 113 - Ve count on You. 08 - 114 - Ve are aware and do the best that can be done. 09 - 109 - Kill them all. 10 - 111 - Hell for them is Justice. 11 - 110 - Ve Own the Earth. Animal Rights, Vegan, Ve inherit the Earth. Ve count on Your Power. Second column are representative of numbers described in the book. The last seal arrived in a 97 and ended in 110. Wait for the Judgment day. Soon. I am waiting.

Ravana, the demon-

depicting Ravana as

Inderjaal Bharatha Samskruthi Prakashana Vibhishana was

Ravana's youngest brother, endowed with great learning and very unlike his brothers and sister. In spite of being born in the rakshasa clan, he stood by dharma and Brahma granted him immortality and the ability to wield the brahmastra. He married Shaileesha's daughter Sarama. Observing that Ravana's evil ways were only growing, he tried his best to put some sense into him. Being a clever

statesman, he warded off Ravana's attempt to kill Hanuman who had come as Rama's messenger. Later when Hanuman went about burning Lanka, it was Sita and Vibhishana who remained unhurt. Vibhishana again requested Ravana to return Sita to Sri Rama and make peace with him. When nothing could change Ravana's mind, he gave up everything including his wife and children and left Lanka. He pledged himself in support of Sri Rama. Everyone in Rama's army doubted his intentions but it was Hanuman who rightly advised Rama to take in Vibhishana as he believed that his intentions were genuine. He helped Rama with constructive suggestions, gave him

timely advice and warning, and was able to recognize Ravana's spies who had mingled with the vanaras. He invited Indrajit's wrath when the latter saw him guiding Lakshmana. In the end, when Ravana lay dead on the battlefield, Vibhishana was overcome with grief. He was torn between his duty in performing his brother's last rites and denying it on the grounds that Ravana had indulged in sinful acts. It was Rama who convinced him to go ahead with it in order to send his brother to heaven. Sri Rama then asked Lakshmana to crown Vibhishana king of Lanka.  The first part of the book deals with only that part of the basic anatomy and physiology, which is important in understanding the mechanism of yoga practices. This time a special note, in the form of tips 'from yoga point of view', has been added so as to understand various concepts and aphorisms of yoga clearly. The second part of the book describes the traditional technique of asanas, pranayamas, bandhas, mudras, kriyas (cleansing practices), their possible mechanism. concepts, the correct technique and the mechanism of the yogic practices as well as their physiological effects on the human body. (3) To know whether we can modify the techniques of these yoga practices with the help of the scientific information about them for better application. (4) To understand the principles of yogic therapy, its application, contra-indication and limitations. (5) To know the scientific aspect of the Aum chanting.

 The epic tale of victory

and defeat... The story of the Ramayana had been told innumerable times. The enthralling story of Rama, the incarnation of God, who slew Ravana, the evil demon of darkness, is known to every Indian. And in the pages of history, as always, it is the version told by the victors, that lives on. The voice of the vanquished remains lost in silence. But what if Ravana and his people had a different story to tell? The story of the Ravanayana had never been told. Asura is the epic tale of the vanquished Asura people, a story that has been cherished by the oppressed outcastes of India for 3000 years. Until now, no Asura has dared to tell the tale. But perhaps the time has

come for the dead and the defeated to speak. "For thousands of years, I have been vilified and my death is celebrated year after year in every corner of India. Why? Was it because I challenged the Gods for the sake of my daughter? Was it because I freed a race from the yoke of caste-based Deva rule? You have heard the victor's tale, the Ramayana. Now hear the Ravanayana, for I am Ravana, the Asura, and my story is the tale of the vanquished." "I am a non-entity-invisible, powerless and negligible. No epics will ever be written about me. I have suffered both Ravana and Rama - the hero and the villain or the villain and the hero. When the stories of great men are told, my voice

maybe too feeble to be heard. Yet, spare me a moment and hear my story, for I am Bhadra, the Asura, and my life is the tale of the loser." The ancient Asura empire lay shattered into many warring petty kingdoms reeling under the heel of the Devas. In desperation, the Asuras look up to a young saviour-Ravana. Believing that a better world awaits them under Ravana, common men like Bhadra decide to follow the young leader. With a will of iron and a fiery ambition to succeed, Ravana leads his people from victory to victory and carves out a vast empire from the Devas. But even when Ravana succeeds spectacularly, the poor Asuras find that nothing much has changed for them. It is

when that Ravana, by one action, changes the history of the world.

I am very happy to know that you guys liked my mantra books translated into English and in other languages, which I received from my mentor or Guru. I hope that this book will prove very useful not only for the Hindus but for all the people of the world who believe in "Sanatana Dharma" and follow it. If you are one of them who closely know the "Sanatana Dharma", then you must also know that it is a Science, not a superstition. All books of the "Sanatana Dharma" or the "Hindu

Dharma" are based on Esoteric Science, which common man can't understand easily. You have to follow the instructions of your mentors or Gurus from whom you are getting Initiation or "Diksha". In this book, I have included the mantras and the ancient text or conversation between Shiva and Parvati, which I received from my Mentors or Gurus. I have presented some very useful mantras for the welfare of the public and the whole world through this book. In the series "The Mantras", I have presented three books earlier which is very helpful for the beginners who wish to take the first step in the world of Tantra. In those book you will learn meditation and concentration. You will

also know some facts of tantra-mantra. Meditation is most important thing in the Tantra, without which you can not understand the Tantra. Meditation will open the path of the world of Tantra. Meditation is also divided in many forms and of many types. It will improve your focus and concentration which is very necessary during exercitation (Sadhana). The most recommended book for the meditation is "Vigyan Bhairava Tantra". In my another book, "Shiv Swarodaya - A divine Law of breathing" you will learn about the Tantra-Mantra and its application. In my another book "The Basic Mantras" you will learn and know some mantras which will

improve your knowledge and faith in the Tantra. It will also provide you supernatural powers, that will help you to get Siddhis of another mantras. It will also remove all negativity not only from your life but also from your conscious and sub-conscious mind. All these books will help you to learn and get Siddhis of the mantras which is discussed in this book. All the process to get Siddhis, or to prove, or to initiate the mantra's powers or energies are discussed with the mantras. In Part-1, I presented the conversation of Lord Shiva (as Lord Bhairava) and Goddess Parvati (as Goddess Bhairavi). During the conversation some mantra and secret of

mantras are also revealed by the Bhairava. This is very important part of the book. You can consider this part as a Esoteric Science. In the Part-2, the process, application and mantras are discussed in detail. In this part, you will learn about the perfect time, the particular date (Tithis), the process, the auspicious or unauspicious days, etc. which are the most important part of the Tantra-Mantra to be successful. Many useful mantras are given in this books which is very useful in your daily life. The mantras of subduing or subjugation (Vashikaran), attraction or charm (Aakarshan), good luck, protection, etc. are given. I hope these mantras will help

you to make your life successful and reduces your problems. These mantras will make your work easy and accurate. But never use these mantras with wrong intention, because that will harm you. You must use these mantras for the welfare of the society, so that you and the society will develop and promote humanity. Never use these mantras to make someone bad or to make someone's life worst. This act will take you in hell. So, again I request all the practitioner or the Sadhaka to use these mantras only for the betterment of the society. Never harm anyone. If you are the one who buy this book for the welfare for the humanity and spread happiness in the world.

I appreciate and love you from the core of my heart. And also I feel proud to be a medium for such a great work.

 This is an introduction to philosophy but with a difference. Through out the book metaphysical issues are shown to be rooted in the history of philosophy. At the same time the author`s tratment of each issues leads right into the contemporary situation. Philosophy can scarcely be defined,the author says, but philosophizing can be `shown`. The various section of the book show in a fresh way what such philosophizing can be like.

This book can be downloaded as a PDF file from here. Prologue This is not a guide-book for studying any occult art. Instead it is a writing that proposes to take up the possibility of there being a real machinery behind the working of so-called mantra, tantra, evil eye, black magic, voodoo etc. This book does not teach any of the above mentioned arts. Yet, it does try to find a pathway or opening by which we can find or enter the supernatural arena from where the supernatural software codes of reality and life is designed and maintained. It is a writing that tries to discuss a probability that is not connected to material sciences. Instead it proposes to

examine the possibility of there being a supernatural software application location wherein reality might be seen in the code view as-well-as the design view. These two views are apart from the real view, which is the physical reality. The ultimate aim of this book is to propose a pathway via which we can approach the supernatural software location, where all of reality, life, living organisms, brain software &c. are designed and maintained. This book is not a sudden writing on any impulse of the moment. I wrote my first book on codes in languages, March of the Evil Empires; English versus the feudal languages, around 1989. The final version of the book

was completed around 2000. In the concluding part of that book, I did hint about the possibility of there being something akin to a software background to reality. And that languages are software applications with varied capacities. In around the year 2005, I wrote a series of posts in a GB website on the same subject. It was basically a lot of unconnected themes all pointing to the same theme. This I later published as a digital book under the name: Software codes of reality, life and languages. Then my next major book on the subject came out with the name: Codes of reality! What is language? Here again the same theme of connecting the idea of

there being a software realm behind reality and that languages have software codes which can directly connect to the software of reality was elaborated. The focus was on languages being sort of software applications through which physical reality could be influenced. Still, the theme was going forward only in very brief paces. A few years ago, I had to write a series of posts for supporting the contentions of Homoeopathy, by basing the ideas from my understandings. That Homoeopathy does work on the principle of a software program rectifying the software of life and human body. The book title was: The machinery of Homœopathy!

Recently I happened to read Edgar Thurston's Omens and Superstitions of Southern India. It was at that time that I pondered upon reworking out the arguments from the perspective of mantra, tantra, black magic, witchcraft etc. The first thing I did was to create a very readable form of that book. As I went on doing that work, I could get to read the book also. This present book is being promoted as a Commentary on Omens and Superstitions of Southern India. However, only the last part of this book really is a sort of commentary. Even in that part, it is not exactly a commentary. I merely quoted some sentences from his

book and elaborated upon them as per what I wanted to convey. Edgar Thurston's Omens and Superstitions of Southern India is definitely a great book. My writings do not aim to go against that book. This book of mine does contain a lot of mentions about Thurston's book. This book commences by mentioning OMENS AND SUPERSTITIONS OF SOUTHERN INDIA. However, it moves beyond to a wider ambit. It returns to Thurston's book at the end as a commentary. However, a mention of Thurston's book can be felt all along. I have used a few images from other old public domain books. These images are mainly taken from my own collection from such

books. Due to some issues, I do not have the exact record as to where I got some of the images. I believe that such images have been taken from Edgar Thurston's Castes and Tribes of Southern India. Before commencing the reading of the book, the reader is further informed that in various locations, the text would seem to be dealing with cultural aspects. However, without clearly mentioning these things, it would difficult to go directly into the effects of supernatural software codes.
