Were-slut Aeon Books

“A stunning picture of a black woman’s coming of age in America. Put it on the shelf beside The Autobiography of Malcolm X.”

—Kirkus Reviews Elaine Brown assumed her role as the first and only female leader of the Black Panther Party with these words: “I have all the guns and all the money. I can withstand challenge from without and from within. Am I right, Comrade?” It was August 1974. From a small Oakland-based cell, the Panthers had grown to become a revolutionary national organization, mobilizing black communities and white supporters across the country—but relentlessly targeted by the police and the FBI, and increasingly riven by violence and strife within. How Brown came

to a position of power over this paramilitary, male-dominated organization, and what she did with that power, is a riveting, unsparing account of self-discovery. Brown’s story begins with growing up in an impoverished neighborhood in Philadelphia and attending a predominantly white school, where she first sensed what it meant to be black, female, and poor in America. She describes her political awakening during the bohemian years of her adolescence, and her time as a foot soldier for the Panthers, who seemed to hold the promise of redemption. And she tells of her ascent into the upper echelons of Panther leadership: her tumultuous relationship with the charismatic Huey Newton, who would become her lover and her nemesis; her experience with the male power rituals that would sow the seeds of the party's demise; and the scars that she both suffered and inflicted in that era’s paradigm-shifting clashes of sex and power. Stunning,

lyrical, and acute, this is the indelible testimony of a black woman's battle to define herself. "A glowing achievement." —Los Angeles Times "Honest, funny, subjective, unsparing, and passionate. . . A Taste of Power weaves autobiography and political history into a story that fascinates and illuminates."

—The Washington Post

Haunted Moon Reimagined Fairy Tales

A dark lord will rise. Such is the prophecy that dogs Ringil Eskiath—Gil, for short—a washed-up mercenary and onetime war hero whose cynicism is surpassed only by the speed of his sword. Gil is estranged from his aristocratic family, but when his mother enlists his help in freeing a cousin sold into slavery, Gil sets out to track her down. But it soon becomes apparent that more is at stake than the fate of one young woman. Grim sorceries are awakening in the land. Some speak in whispers of the return of the Aldrain, a race of widely feared, cruel yet beautiful demons. Now Gil and two old comrades are all that stand in the way of a prophecy whose fulfillment will drown an entire world in blood. But with heroes like these, the cure is likely to be worse than the disease.

*The Origin of the Distinction of Ranks Or, An Inquiry Into the Circumstances which Give Rise to Influence and Authority, in the Different Members of Society* Macmillan

The astonishing sequel to *Children of Time*, the award-winning novel of humanity's battle for survival on a terraformed planet. Thousands of years ago, Earth's terraforming program took to the stars. On the world they called Nod, scientists discovered alien life -- but it was their mission to overwrite it with the memory of Earth. Then humanity's great empire fell, and the program's

decisions were lost to time. Aeons later, humanity and its new spider allies detected fragmentary radio signals between the stars. They dispatched an exploration vessel, hoping to find cousins from old Earth. But those ancient terraformers woke something on Nod better left undisturbed.

**Second Star to the Left** Vox Nova

Tells the story of two sex-mad high school teachers as they subject their senior class to some special education.

**Killing Sarai** Eros Comics

The book consists of 18 chapters, each covering roughly one hour of the day, beginning around 8 a.m. and ending sometime after 2 a.m. the following morning. Each chapter employs its own literary style, and parodies a specific episode in Homer's *Odyssey*. Furthermore, each chapter is associated with a specific colour, art or science, and bodily organ. This combination of kaleidoscopic writing with an extreme formal schematic structure renders the book a major contribution to the development of 20th-century modernist literature. The use of classical mythology as an organising framework, the near-obsessive focus on external detail, and the occurrence of significant action within the minds of characters have also contributed to the development of literary modernism. Nevertheless, Joyce complained that, "I may have oversystematised Ulysses," and played down the mythic correspondences by eliminating the chapter titles that had been taken from Homer. As he was completing work on *Dubliners* in 1906, Joyce considered adding another story featuring a Jewish advertising canvasser called Leopold Bloom under the title *Ulysses*. Although he did not pursue the idea further at the time, he eventually commenced work on a novel using both the title

and basic premise in 1914. The writing was completed in October 1921. Three more months were devoted to working on the proofs of the book before Joyce halted work shortly before his self-imposed deadline, his 40th birthday (2 February 1922). This publication encountered censorship problems in the United States; serialisation was halted in 1920 when the editors were convicted of publishing obscenity. Although the conviction was based on the "Nausicaä" episode of *Ulysses*, *The Little Review* had fuelled the fires of controversy with dada poet Elsa von Freytag-Loringhoven's defence of *Ulysses* in an essay "The Modest Woman." Joyce's novel was not published in the United States until 1933. With the appearance of both *Ulysses* and T. S. Eliot's poem, *The Waste Land*, 1922 was a key year in the history of English-language literary modernism. In *Ulysses*, Joyce employs stream of consciousness, parody, jokes, and virtually every other established literary technique to present his characters. The action of the novel, which takes place in a single day, 16 June 1904, sets the characters and incidents of the *Odyssey* of Homer in modern Dublin and represents Odysseus (*Ulysses*), Penelope and Telemachus in the characters of Leopold Bloom, his wife Molly Bloom and Stephen Dedalus, parodically contrasted with their lofty models. The book explores various areas of Dublin life, dwelling on its squalor and monotony. Nevertheless, the book is also an affectionately detailed study of the city, and Joyce claimed that if Dublin were to be destroyed in some catastrophe it could be rebuilt, brick by brick, using his work as a model. To achieve this level of accuracy, Joyce used the 1904 edition of Thom's *Directory*—a work that listed the owners and/or tenants of every residential and commercial

property in the city. He also bombarded friends still living there with requests for information and clarification.

#### *A Taste of Power* Litres

E. H. Gombrich's *Little History of the World*, though written in 1935, has become one of the treasures of historical writing since its first publication in English in 2005. The Yale edition alone has now sold over half a million copies, and the book is available worldwide in almost thirty languages. Gombrich was of course the best-known art historian of his time, and his text suggests illustrations on every page. This illustrated edition of the *Little History* brings together the pellucid humanity of his narrative with the images that may well have been in his mind's eye as he wrote the book. The two hundred illustrations—most of them in full color—are not simple embellishments, though they are beautiful. They emerge from the text, enrich the author's intention, and deepen the pleasure of reading this remarkable work. For this edition the text is reset in a spacious format, flowing around illustrations that range from paintings to line drawings, emblems, motifs, and symbols. The book incorporates freshly drawn maps, a revised preface, and a new index. Blending high-grade design, fine paper, and classic binding, this is both a sumptuous gift book and an enhanced edition of a timeless account of human history.

#### **The Steel Remains** Museum Tusculanum Press

by Benkyo Tamaoki The third and final volume of *The Sex-Philes* series! MegaManga binds the original comic books under a sharp new cover, priced so that these books cost less than the original run. issue you'll find stories covering a wide diversity of sexual situations. Group sex, bondage sex, oral sex, anal sex, and even lactating breasts are all featured in sexy sensual abundance. If you're looking for manga, make it MEGA-manga.

S&M University J.A. Redmerski

Celebrating its 30th anniversary in 2024, internationally bestselling author and literary icon Julia Alvarez's *In the Time of the Butterflies* is "beautiful, heartbreaking and alive ... a lyrical work of historical fiction based on the story of the Mirabal sisters, revolutionary heroes who had opposed and fought against Trujillo." (Concepción de León, *New York Times*) Alvarez's new novel, *The Cemetery of Untold Stories*, is coming April 2, 2024. Pre-order now! It is November 25, 1960, and three beautiful sisters have been found near their wrecked Jeep at the bottom of a 150-foot cliff on the north coast of the Dominican Republic. The official state newspaper reports their deaths as accidental. It does not mention that a fourth sister lives. Nor does it explain that the sisters were among the leading opponents of Gen. Rafael Leónidas Trujillo's dictatorship. It doesn't have to. Everybody knows of *Las Mariposas*—the *Butterflies*. In this extraordinary novel, the voices of all four sisters--Minerva, Patria, María Teresa, and the survivor, Dedé--speak across the decades to tell their own stories, from secret crushes to gunrunning, and to describe the everyday horrors of life under Trujillo's rule. Through the art and magic of Julia Alvarez's imagination, the martyred *Butterflies* live again in this novel of courage and love, and the human costs of political oppression. "Alvarez helped blaze the trail for Latina authors to break into the literary mainstream, with novels like *In the Time of the Butterflies* and *How the García Girls Lost Their*

*Accents* winning praise from critics and gracing best-seller lists across the Americas."—Francisco Cantú, *The New York Times* Book Review "This Julia Alvarez classic is a must-read for anyone of Latinx descent." —Popsugar.com "A gorgeous and sensitive novel . . . A compelling story of courage, patriotism and familial devotion." —People "Shimmering . . . Valuable and necessary." —*Los Angeles Times* "A magnificent treasure for all cultures and all time." —*St. Petersburg Times* "Alvarez does a remarkable job illustrating the ruinous effect the 30-year dictatorship had on the Dominican Republic and the very real human cost it entailed."—*Cosmopolitan.com*

**Wizard's First Rule** Harper Collins

The Best of Super Taboo Trinkets and Tales LLC

A young woman who is both a bard--and a warrior--seeks to repay her debts and settle scores in this thrilling historical fantasy series. The young warrior and bard Liobhan has lost her brother to the Otherworld. Even more determined to gain a place as an elite fighter, she returns to Swan Island to continue her training. But Liobhan is devastated when her comrade Dau is injured and loses his sight in their final display bout. Blamed by Dau's family for the accident, she agrees to go to Dau's home as a bond servant for the span of one year. There, she soon learns that Oakhill is a place of dark secrets. The vicious Crow Folk still threaten both worlds. And Dau, battling the demon of despair, is not an easy man to help. When Liobhan and Dau start to expose the rot at the center of Oakhill, they place themselves in deadly danger. For their enemy wields great power and will stop at nothing to get his way. It will take all the skills of a Swan Island warrior and a touch of the uncanny to give them a hope of survival. . . .

Mrs. Grant and Madame Jule Eros Comics

The New York Times bestselling author of Mrs. Lincoln's Dressmaker and Mrs. Lincoln's Rival imagines the inner life of Julia Grant, beloved as a Civil War general's wife and the First Lady, yet who grappled with a profound and complex relationship with the slave who was her namesake—until she forged a proud identity of her own. In 1844, Missouri belle Julia Dent met dazzling horseman Lieutenant Ulysses S Grant. Four years passed

before their parents permitted them to wed, and the groom's abolitionist family refused to attend the ceremony. Since childhood, Julia owned as a slave another Julia, known as Jule. Jule guarded her mistress's closely held twin secrets: She had perilously poor vision but was gifted with prophetic sight. So it was that Jule became Julia's eyes to the world. And what a world it was, marked by gathering clouds of war. The Grants vowed never to be separated, but as Ulysses rose through the ranks—becoming general in chief of the Union Army—so did the stakes of their pact. During the war, Julia would travel, often in the company of Jule and the four Grant children, facing unreliable transportation and certain danger to be at her husband's side. Yet Julia and Jule saw two different wars. While Julia spoke out for women—Union and Confederate—she continued to hold Jule as a slave behind Union lines. Upon the signing of the Emancipation Proclamation, Jule claimed her freedom and rose to prominence as a businesswoman in her own right, taking the honorary title Madame. The two women's paths continued to cross throughout the Grants' White House years in Washington, DC, and later in New York City, the site of Grant's Tomb. Mrs. Grant and Madame Jule is the first novel to chronicle this singular relationship, bound by sight and shadow.

Now an action film starring William Levy and Alicia Sanz in Brazos De Un Asesino! ★ ★ ★ ★ ★ "This series is Spectacular!" - SMI BOOK CLUB ★ ★ ★ ★ ★ "Mind-f\*ck at its finest and I loved every single minute of it." - Amazon Customer ★ ★ ★ ★ ★ "Say goodbye to your nails..." - Amazon Customer on Killing Sarai ★ ★ ★ ★ ★ "Dark, compelling, deathly violent and just fan-bloody-

tastic!" - Goodreads Reviewer on Reviving Izabel ★ ★ ★ ★ ★ "5+ Crushing, Amazing & Shocking STARS" - The Book Enthusiast on The Swan & the Jackal ★ ★ ★ ★ ★ "There is no going back for me, this series has me completely and utterly addicted..." - Books She Reads \*\*\* Sarai was only fourteen when her mother uprooted her to live in Mexico with a notorious drug lord. Over time she forgot what it was like to live a normal life, but she never let go of her hope to escape the compound where she has been held for the past nine years. Victor is a cold-blooded assassin who, like Sarai, has known only death and violence since he was a young boy. When Victor arrives at the compound to collect details and payment for a hit, Sarai sees him as her only opportunity for escape. But things don't go as planned, and instead of finding transport back to Tucson, she finds herself free from one dangerous man and caught in the clutches of another. While on the run, Victor strays from his primal nature as he succumbs to his conscience and resolves to help Sarai. As they grow closer, he finds himself willing to risk everything to keep her alive, even his relationship with his devoted brother and liaison, Niklas, who now, like everyone else, wants Sarai dead. As Victor and Sarai slowly build trust, the differences between them seem to lessen, and an unlikely attraction intensifies. But Victor's brutal skills and experience may not be enough, in the end, to save her, as the power she unknowingly holds over him may ultimately be what gets her killed.

*Mastering the Core Teachings of the Buddha* Simon and Schuster  
The debut novel in a stunningly lush, intensely sexy new Victorian and Scottish-set historical romance series.

*In the Time of the Butterflies* Sierra Simone

The very idea that the teachings can be mastered will arouse controversy within Buddhist circles. Even so, Ingram insists that enlightenment is an attainable goal, once our fanciful notions of it are stripped away, and we have learned to use meditation as a method for examining reality rather than an opportunity to wallow in self-absorbed mind-noise. Ingram sets out concisely the difference between concentration-based and insight (vipassana) meditation; he provides example practices; and most importantly he presents detailed maps of the states of mind we are likely to encounter, and the stages we must negotiate as we move through clearly-defined cycles of insight. Its easy to feel overawed, at first, by Ingram's assurance and ease in the higher levels of consciousness, but consistently he writes as a down-to-earth and compassionate guide, and to the practitioner willing to commit themselves this is a glittering gift of a book. In this new edition of the bestselling book, the author rearranges, revises and expands upon the original material, as well as adding new sections that bring further clarity to his ideas.

#### **Super Taboo** Eros Comics

We're the D'Artigo sisters: savvy half-human, half-Fae ex-operatives for the Otherworld Intelligence Agency. My sister Delilah is a two-faced werecat and a Death Maiden. My sister Menolly is a vampire married to a werepuma. And me? I'm Camille, a wicked-good witch with three sexy husbands. I'm a priestess of the Moon Mother, and I'm training under the Queen of Darkness. Unfortunately, playing in the dark means that sometimes you stumble over secrets better left buried... There's a new Fae sorcerer in town—Bran, the son of Raven Mother and the Black Unicorn—and I'm the unwilling liaison between him and

our new Earthside OIA. With cemeteries being ransacked and spirits being harvested by a sinister, otherworldly force, Aeval sends us to rescue the missing wife of a prominent member of the Fae nobility. Our search leads us to the mysterious Aleksais Psychic Network and, ultimately, to face the Lord of Ghosts where Morio and I must undergo a ritual that will plunge us directly into the world of the dead.

*Desperate Measures* Little, Brown

Once upon a time, I was a princess in a tower. One night, and my entire life went up in flames. All because of him. Jafar. As my world burned down around me, he offered me a choice. Walk away with nothing but my freedom... Or rise to his challenge and win my fortune back. I bargained. I lost. Now Jafar owns me, body and soul. Even as my mind rails against his rules, my body loves the punishments he deals out when I break them. But a gilded cage is still a prison, I'll do anything to obtain my freedom. Even betray the man I'm falling for. In *DESPERATE MEASURES*, you'll find: -> Enemies to lovers -> Captive Heroine -> Kinky Roleplay -> Daddy/baby girl -> Alpha hero

The New Bondage Fairies E-Kitap Projesi & Cheapest Books

While Kierkegaard is perhaps known best as a religious thinker and philosopher, there is an unmistakable literary element in his writings. He often explains complex concepts and ideas by using literary figures and motifs that he could assume his readers would have some familiarity with. This dimension of his thought has served to make his writings far more popular than those of other philosophers and theologians, but at the same time it has made their interpretation more complex. Kierkegaard readers are generally aware of his interest in figures such as Faust or the

Wandering Jew, but they rarely have a full appreciation of the vast extent of his use of characters from different literary periods and traditions. The present volume is dedicated to the treatment of the variety of literary figures and motifs used by Kierkegaard. The volume is arranged alphabetically by name, with Tome I covering figures and motifs from Agamemnon to Guadalquivir.

MegaManga Volume 11 Orbit

The New York Times bestseller and basis for the Tony-winning hit musical, soon to be a major motion picture starring Cynthia Erivo and Ariana Grande With millions of copies in print around the world, Gregory Maguire's *Wicked* is established not only as a commentary on our time but as a novel to revisit for years to come. *Wicked* relishes the inspired inventions of L. Frank Baum's 1900 novel, *The Wonderful Wizard of Oz*, while playing sleight of hand with our collective memories of the 1939 MGM film starring Margaret Hamilton (and Judy Garland). In this fast-paced, fantastically real, and supremely entertaining novel, Maguire has populated the largely unknown world of Oz with the power of his own imagination. Years before Dorothy and her dog crash-land, another little girl makes her presence known in Oz. This girl, Elphaba, is born with emerald-green skin—no easy burden in a land as mean and poor as Oz, where superstition and magic are not strong enough to explain or overcome the natural disasters of flood and famine. Still, Elphaba is smart, and by the time she enters Shiz University, she becomes a member of a charmed circle of Oz's most promising young citizens. But Elphaba's Oz is no utopia. The Wizard's secret police are everywhere. Animals—those creatures with voices, souls, and minds—are threatened with exile. Young Elphaba, green and wild and

misunderstood, is determined to protect the Animals—even if it means combating the mysterious Wizard, even if it means risking her single chance at romance. Ever wiser in guilt and sorrow, she can find herself grateful when the world declares her a witch. And she can even make herself glad for that young girl from Kansas. Recognized as an iconoclastic tour de force on its initial

publication, the novel has inspired the blockbuster musical of the same name—one of the longest-running plays in Broadway history. Popular, indeed. But while the novel's distant cousins hail from the traditions of magical realism, mythopoeic fantasy, and sprawling nineteenth-century sagas of moral urgency, Maguire's *Wicked* is as unique as its green-skinned witch.
