Dr. Norden ist die erfolgreichste Arztromanserie Deutschlands, und das schon seit Jahrzehnten. Mehr als 1.000 Romane wurden bereits geschrieben. Deutlich über 200 Millionen Exemplare verkauft! Die Serie von Patricia Vandenberg befindet sich inzwischen in der zweiten Autoren- und auch Arztgeneration. Patricia Vandenberg ist die Begründerin von "Dr. Norden", der erfolgreichsten Arztromanserie deutscher Sprache, von "Dr. Laurin", "Sophienlust" und "Im Sonnenwinkel". Sie hat allein im Martin Kelter Verlag fast 1.300 Romane veröffentlicht, Hunderte Millionen Exemplare wurden bereits verkauft. In allen Romangenren ist sie zu Hause, ob es um Arzt, Adel, Familie oder auch Romantic Thriller geht. Ihre breitgefächerten, virtuoson Einfälle begeistern ihre Leser. Geniales Einfühlungsvermögen, der Blick in die Herzen der Menschen zeichnet Patricia Vandenberg aus. Sie kennt die Sorgen und Sehnsüchte ihrer Leser und beeindruckt immer wieder mit ihrer unnachahmlichen Erzählweise. Ohne ihre Pionierarbeit wäre der Roman nicht das geworden, was er heute ist. Es war ein schöner Frühlingsabend. Ostern stand vor der Tür, und Dr. Daniel Norden war mal früher als sonst aus der Praxis nach Hause gekommen. »Wollen wir vor dem Abendessen nicht noch eine Runde drehen, Feelein?« fragte er. Der Gesundheit zuliebe hatten sie sich Fahrräder angeschafft, weil es ihren drei »Großen« Freude machte, wenn sie mit den Eltern fahren konnten. »Ich müßte noch die Kostenvoranschläge durchsehen, Daniel«, erwiderte Fee seufzend. »Ach was, laß das doch liegen, besprich es mit Jost, der weiß doch in allem Bescheid, und seine Frau versteht auch mehr davon als du.« Er hatte zwar zugestimmt, das alte Haus wegen seines schönen Grundstücks von den Rüdings zu kaufen, aber mit dem Drumherum wollte er nichts zu tun haben, das hatte er Fee gleich gesagt. Es wäre auch zuviel verlangt gewesen. Sie hatten den Architekten Carlo Jost beauftragt, ein familiengerechtes Haus zu entwerfen, und da er selbst zwei Kinder hatte und auch noch mehr dazu haben wollte, war er der richtige Mann. Mit seiner Frau Eva hatte sich Fee schon angefreundet, aber sie wollte sie doch nicht mit allen Kostenvoranschlägen belasten, die für die Sonderwünsche eingeholt worden waren. Aber zu teuer sollte das neue Haus natürlich auch nicht werden, denn der Abriß des alten war schon teurer gekommen, als Fee vermutet hatte. »Meinst du, ich kann Eva damit kommen?« fragte Fee, die an diesem schönen Abend lieber auch noch eine kleine Radtour machen wollte. »Na klar, sie kriegen die Karten für Davids Konzert und werden einen Freudensprung machen, und eine Hand wäscht die andere, sagt man doch.« David Delorme gab nächste Woche mal wieder ein Konzert in München. Der berühmte Pianist und Dirigent war mit den Nordens verwandt, denn er war mit Fees Stiefschwester Katja verheiratet.

Castle on the Rise Entangled: Amara

The ostensible purpose of a library is to preserve the printed word. But for fifty years our country's libraries—including the Library of Congress—have been doing just the opposite, destroying hundreds of thousands of historic newspapers and replacing them with microfilm copies that are difficult to read, lack all the color and quality of the original paper and illustrations, and deteriorate with age. With meticulous detective work and Baker's well-known explanatory power, *Double Fold* reveals a secret history of microfilm lobbyists, former CIA agents, and warehouses where priceless archives are destroyed with a machine called a guillotine. Baker argues passionately for preservation, even cashing in his own retirement account to save one important archive—all twenty tons of it. Written the brilliant narrative style that Nicholson Baker fans have come to expect, *Double Fold* is a persuasive and often devastating book that may turn out to be *The Jungle of the American library system*.

The former director of the Museum of Modern Art in Stockholm makes his literary debut with this dramatic and riveting novel of book publishing, émigrés, spies, and diplomats in World War II Sweden based on his grandfather's life. In 1933, after Hitler and the Nazi Party consolidated power in Germany, Immanuel Birnbaum, a German Jewish journalist based in Warsaw, is forbidden from writing for newspapers in his homeland. Six years later, just months before the German invasion of Poland that ignites World War II, Immanuel escapes to Sweden with his wife and two young sons. Living as a refugee in Stockholm, Immanuel continues to write, contributing articles to a liberal Swiss newspaper in Basel under the name Dr. B. He also begins working as an editor for the legendary German publisher S. Fischer Verlag. Gottfried Bermann Fischer had established an office in Stockholm to evade German censorship, publishing celebrated German writers such as Thomas Mann and Stefan Zweig. Immanuel also becomes entangled with British intelligence agents who produce and distribute anti-Nazi propaganda in Stockholm. On orders from Winston Churchill, the Allied spies plan several acts of sabotage. But when the Swedish postal service picks up a letter written in invisible ink, the plotters are exposed. The letter, long a mystery in military history accounts, was in fact written by Dr. B. But why would a Jew living in exile and targeted for death by the Nazis have wanted to tip them off? Daniel Birnbaum's novel will intrigue readers with its fascinating portrayal of the astonishing connections and often mysterious players illuminated by his grandfather's remarkable wartime life.

To Mr. Tate Howard, You are quite possibly the most infuriating, annoying and grumpy man I've ever met in my life. I know you think that you're God's gift to women, but I have a secret to let you in on: you're not. You're God's gift to yourself. Get over your wanna-be cool surfer self and grow up. I thought it was time that someone addressed your big head and told you straight to your face that you're not all that. Just because you have an Ivy league education doesn't mean you're the smartest man in the world. In fact, I'm not even sure if you would have gotten in if you didn't have rich parents. Yes, I went there. Every woman doesn't want to sleep with you and I'm sure you're not even good in bed. And I'm someone that would know. From, Your Secret Not Admirer

Mit gesenktem Kopf saß Michaela Kunz an ihrem Schreibtisch und dachte angestrengt nach. Wie soll ich es nur Peter sagen, ging es ihr wieder, wie schon so oft, durch den Sinn. Aber heute würde er zurückkommen von seiner Geschäftsreise, und sie würde es ihm sagen müssen. Vielleicht ist alles auch für ihn gar nicht so schlimm, dachte sie weiter. Manche Männer sind plötzlich ganz närrisch, wenn sie Vater werden. Das hatte Dr. Norden auch zu ihr gesagt. Sie schrak zusammen, als sie jetzt die Stimme ihres Chefs vernahm. »Es tut mir leid, gnädige Frau, aber ich kann Ihren Fall nicht übernehmen. Ich habe meine Prinzipien, und mit falschen Karten spiele ich nicht. Es gibt sicher Anwälte, die bereit sind, Ihnen zu helfen. Ansonsten würde ich Ihnen empfehlen, lieber Ihrem Gatten reinen Wein einzuschenken.« Michaela wußte, daß Dr. Kraemer wollte, daß sie das mithörte. Er schaltete manchmal die Sprechanlage unauffällig ein, wenn er einen Klienten nicht loswerden konnte. Für sie war es der Zeitpunkt, einzugreifen. Sie raffte sich auf und ging zu seinem Zimmer, klopfte an, und auf sein »Bitte, herein«, betrat sie den großen getäfelten Raum. »Ich muß leider stören, Herr Doktor«, sagte sie, »ich möchte Sie an Ihren Termin erinnern.

Extraordinary new non-fiction, a gripping blend of history and memoir, by the author of the award-winning and bestselling international sensation, *The Hare with Amber Eyes*. In *The White Road*, bestselling author and artist Edmund de Waal gives us an intimate narrative history of his lifelong obsession with porcelain, or "white gold." A potter who has been working with porcelain for more than forty years, de Waal describes how he set out on five journeys to places where porcelain was dreamed about, refined, collected and coveted--and that would help him understand the

clay's mysterious allure. From his studio in London, he starts by travelling to three "white hills"--sites in China, Germany and England that are key to porcelain's creation. But his search eventually takes him around the globe and reveals more than a history of cups and figurines; rather, he is forced to confront some of the darkest moments of twentieth-century history. Part memoir, part history, part detective story, *The White Road* chronicles a global obsession with alchemy, art, wealth, craft and purity. In a sweeping yet intimate style that recalls *The Hare with Amber Eyes*, de Waal gives us a singular understanding of "the spectrum of porcelain" and the mapping of desire.

She's running for her life. He's the safe haven she never expected to find. The holiday season is about to get HOT. Hiding out for the holiday season in the heart of the South? Not something that Haley Quick ever expected to have on her to-do list but then...she never expected her ex to want her dead, either. Turns out, life is full of surprises. Time to deal. Haley has ditched New York for a crazy little dot on the map known as Point Hope, Alabama. It's a town gone extra crazy for the holidays, and Haley is sticking out like a sore thumb with her very much Grinchself. But enter sexy sheriff Spencer Lane...Tall, muscled, and made with an extra dose of sex appeal, he is exactly the kind of man that Haley should be avoiding. He's charming, he looks way too good in a Santa hat, and, oh, yes, he's her new landlord. The hits just keep coming. She can't afford to let Spencer learn all of her secrets, a tough job since she is living with the man. No sex, though. It's purely a business relationship. Except...the holidays in the South sure do get HOT. Or maybe that's just sexy Spencer. Usually, Haley falls for the bad guy. It's the whole reason she's running for her life. She can't help but wonder...What would it be like to fall for a man like Spencer? He just got his Christmas wish. Sheriff Spencer Lane can't believe his luck. The most beautiful, fascinating woman he's ever seen has just dropped into his life like a gift from, well, the big guy in red. Only the problem is that Haley seems to think Spencer is some by-the-book, nice guy. Probably because of the badge. And if she wants him to be the hero, that's a role that he's happy to play for her. But the truth is, Spencer has plenty of darkness inside, too. An ex Navy SEAL, he knows how to get sh—um, stuff done. He also knows how to be very, very naughty. When danger threatens his Haley, all bets are off. No one is going to hurt her. No one is going to threaten her. Not in his town. Not on his watch. The nice guy will show Haley just how bad he can be. Fake snow, a parade of wild elves, and a stalker ex don't make for the merriest of times, but in Point Hope, anything can happen—and it usually does. Ready for a steamy story that will get you in the ho-ho-ho spirit? Settle back, curl up with Spencer, and have yourself a jolly old time.

Sharp and tender at once, a humourous take on family dysfunction and human weakness seen through a young boy's eyes. Max lives with his grandparents in a residential home for refugees in Germany. When his grandmother—a terrifying, stubborn matriarch and a former Russian prima donna—moved them from the Motherland, it was in search of a better life. But

she is not at all pleased with how things are run in Germany. His grandmother has been telling Max that he is an incompetent, clueless weakling since he was a child. While he may be dolt in his grandmother's eyes, Max is bright enough to notice that his stoic and taciturn grandfather has fallen hopelessly in love with their neighbour, Nina. When a child is born to Nina that is the spitting image of Max's grandfather, things come to a hilarious if dramatic head. Everybody will have to learn to defend themselves from Max's all-powerful grandmother.

Psychosocial Rehabilitation is a comprehensive ready-reference for mental health practitioners and students, providing practical advice on the full range of interventions for psychosocial rehabilitation. It contextualises the interventions described and provides pointers to enable the reader to explore the theory and research. This manual recognises the wide-ranging impact of mental illness and its ramifications on daily life, and promotes a recovery model of psychosocial rehabilitation and aims to empower clinicians to engage their clients in tailored rehabilitation plans. The book is divided into five key sections. Section 1 looks at assessment covering tools available in the public domain, instruments, scoring systems, norms and applications for diagnosis and measurement of symptoms, cognitive functioning, impairment and recovery. Section 2 covers the full range of therapeutic interventions and offers advice on training and supervision requirements and evaluation of process, impact and outcome. Section 3 provides manuals and programs for intervention effectively provided as group activities. Section 4 explains how to design a full programme that integrates therapeutic interventions with group programmes as well as services provided by other agencies. The final section looks at peer support and self help, providing manuals and resources that support programmes and interventions not requiring professional or practitioner direction.

It took all of thirty seconds for two shots to bring the world of Margaret Tabaaha crashing down around her. After losing her husband in Afghanistan during the first year of Operation Enduring Freedom, her two sons were all she had left. Now they had been taken from her violently, deliberately, plunging her into a whiskey bottle and stripping away her reason for living. When Arthur Nakai receives a call from his first love, Margaret, her voice pleading for his help, it comes as he is attending a wake for one of the men he considered a brother from his days in the Marines 6th LAR Wolf Pack Battalion. Feeling a deep and responsible obligation to help her, Arthur soon finds himself involved in the multi-billion-dollar world of the oil and gas industry and coming face-to-face with an old adversary, Elias Dayton. Their paths had crossed when Arthur was a member of the Shadow Wolves, an elite tactical unit within US Customs and Border Protection. Now Dayton runs Patriot Security, a Blackwater-type firm that keeps the oil rigs, gas wells, and man camps secure from the Water Protectors, protesters pushing to

stop the fracking and poisoning of Native lands. As Arthur works through the case from his end, Navajo police chief Jake Bilagody tackles it from another angle, looking into the strained relationship between the oil company and the Navajo people, all while searching for a missing Navajo man that may have become an unwilling piece on the reservation checkerboard. But when Arthur learns the identity of the boys' killer, he struggles to make sense of it. Because if the clues are right, he will be forced to make a decision that will haunt him for the rest of his life.

Spanning more than two centuries in Ireland, *Castle on the Rise* unites the legacy of three women who must risk mending their broken places for life, love, and the belief that even through the depths of our pain, a masterpiece of a story can emerge. When Laine Forrester travels overseas to attend her best friend's vineyard wedding, she expects to find the bride on the brink of a fairy-tale life. But after a series of unforeseen setbacks, it seems the storybook lives they'd imagined are suddenly ripping apart. With hopes of resurrecting a happy ending, Laine agrees to accompany the newlyweds to the groom's home in Ireland—never expecting she'd be the one drawn in by its wide-open moors, backroads bordering the Irish Sea, and a mysterious castle that dares to keep its secrets hidden. From the storied streets of Dublin to the shores of the Emerald Isle, Laine is drawn in to the land and its rich history. The castle ruins whisper stories of Issy—a photojournalist battling through the 1916 Easter Rising, and Maeve—the castle's lady of legend, fighting for survival through the 1798 rebellion that started it all. Meet a savage hunter from the darkest jungles and the beautiful prey he'll never let escape in this sensual Carpathian novel from #1 New York Times bestselling author Christine Feehan. Rafael De La Cruz has spent centuries hunting vampires with his brothers, and with each passing year his capacity to feel emotions has grown weaker and weaker until finally there's barely even a memory left—until only sheer willpower keeps him from turning into the very abomination he hunts. But it'll take more than will to keep him away from the woman who is meant to be his and his alone... For five years, rancher Colby Jansen has been the sole protector of her younger half-siblings, and with fierce determination and work she has kept her family together and the ranch operational. Now, the De La Cruz brothers are threatening that stability. They claim that her siblings belong with their father's family, not with her. Colby vows to fight them—especially the cold and arrogant Rafael De La Cruz. But Rafael is after more than her family—he wants Colby, and will not let anything stand between them. After ages of loneliness, the raw desire to possess her overwhelms his very soul, driving him to claim her as his lifemate.
