CORPORATE FINANCE, 2nd Edition was

crafted to match the way you teach your

MBA-level course. It's a claim we're

confident to make because before creating

the text, the authors analyzed more than

150 MBA-course syllabi and blended this

research with input from professors like

you and more than 50 years of personal

corporate finance and teaching

experience. The result is the most relevant

text available for your students—one that

presents the latest financial theories

within the practical context of today's
