This Is the Dreidel Sesame Workshop

A warm, fun-loving Christmas picture book for families to share and love and laugh over together. A grumpy little troll runs away from home because he doesn't want to do his chores. Rollo tries living with various woodland animals, but he finds out that there is no place like home, and returns to his family just in time for "the best Christmas ever." Among the animals who take him in are an owl family, a mother bear and two rambunctious cubs, some playful river otters, a hungry lynx and a friendly moose family. Jan Brett creates an irresistible, mischievous character that kids will recognize in themselves. Jan transports us to a glorious Scandinavian landscape where a beautiful fall turns into a magnificent snowy winter. Her signature borders depict the troll family missing Rollo, and animals as appealing as those found in The Mitten.
