During the Cold War,
freedom of expression
was vaunted as liberal

democracy's most
cherished
possession—but such
freedom was put in
service of a hidden
agenda. In The Cultural
Cold War, Frances
Stonor Saunders
reveals the
extraordinary efforts of
a secret campaign in
which some of the

most vocal exponents of intellectual freedom in the West were working for or subsidized by the CIA—whether they knew it or not. Called "the most comprehensive account yet of the [CIA's] activities between 1947 and 1967" by the New York Times, the book presents shocking evidence of the CIA's undercover program of cultural interventions in Western Europe and at home, drawing together declassified documents and exclusive interviews to expose the CIA's astonishing campaign to deploy the likes of Hannah Arendt, Isaiah Berlin, Leonard Bernstein, Robert Lowell, George Orwell, and Jackson Pollock as weapons in the Cold

War. Translated into ten languages, this classic work—now with a new preface by the author—is "a real contribution to popular understanding of the postwar period" (The Wall Street Journal), and its story of covert cultural efforts to win hearts and minds continues to be relevant today.

The Book of Alternative Services Alfred Music Publishing

Road rage, animal rights, cyberporn, crystal healing, doctor-assisted suicide — everywhere we look, the signs all tell us we're living in a post-Christian culture. Or are we? Leonard Sweet -- cultural historian, preacher, futurist, creatologist, and preeminent thinker -- firmly believes we live today in a pre-Christian

society, fraught with challenges, dangers, critical choices, and above all, tremendous potential for the church. The outcome will depend on our response to today's flood of religious pluralism that threatens to sweep us away. What will we do? Deny the reality of the incoming surge? "Hunker in the bunker," hermetically sealing ourselves in an increasingly out-of-touch church counterculture? Or will we boldly hoist our sails, and -- looking to God for guidance and strength -- move with confidence and purpose over the waves. SoulTsunami is a fascinating, even mind-numbing look at the implications of our changing world for the church in the 21st

century. With uncanny wisdom and trademark wit, Leonard Sweet explores ten key "futuribles" (precision guesses that fall short of predictions), expanding on and relating topics ranging from the reentry of theism and spiritual longing in contemporary society, to the impact of modern technology, to the global renaissance, to models for the church to reach people caught in the cultural maelstrom. Here are eye-opening perspectives on the church from within and from without — from its surrounding society. Lively, well-written, and provocative, SoulTsunami is a clarion call for Christians to remove their tunnel-vision

glasses and take a good look at the swelling postmodern flood. It also is a voice of encouragement, affirming the church in its role as God's lifeboat. And it is a passionate, prophetic guide, pointing the way to reach a world swept out to sea.

To Live Is Christ BoD - Books on Demand
 In Play Praise: Most Requested, Book 1, pianists young and old will find accessible arrangements of some of the best in contemporary Christian praise and worship music. These tunes have become a familiar part of the musical fabric of contemporary praise worship. The attractive solo arrangements in this book include rich-sounding accompaniments that

Let There Be Peace on Earth Zondervan Seeking to push the historical study of the liturgical phenomenon known as "Contemporary Worship" or "Praise and Worship" to a new level, this collection of essays offers an introduction to the phenomenon, documents critical

aspects of its development, and suggests methods for future historical study. This multi-authored work investigates topics in both the Pentecostal and mainline branches of this way of worship, looking at subjects little explored by prior work. The provocative issues explored include Integrity Hosanna! Music, James White, charismatic renewal, John Wimber, the development of second services, Black Gospel, overlooked (non-white) sources of worship music, degree programs for worship leaders, and Robert Webber.

Manhood Restored Alfred Music Publishing This all-in-one commentary bundle on the book of Matthew features volumes from

the NIV Application Commentary Series, Zondervan Exegetical Commentary Series, and Story of God Bible Commentary Series.

Each volume provides new and unique insights from leading biblical scholars Michael Wilkins, Grant Osborne, and Scot McKnight. The unique features from each volume along with the diverse insights provided by the authors gives you all the tools you need to study and master the book of Matthew.

The Transforming Power of Praise New Growth Press
In The Women of Faith Daily Devotional Patsy Clairmont, Barbara Johnson, Marilyn Meberg, Luci Swindoll, Sheila Walsh, and Thelma Wells---six women of faith who

have strengthened and inspired thousands of readers---combine their insights and life experiences into a year-long celebration of faith in the pages of this beautiful, warmly written daily devotional. Every day for the next year, these six friends will give you - a smile - an encouraging word - a story that stirs your soul - a good laugh - a reminder of God's enduring love for you. These authors will help you navigate through the next 366 days with your spirit refreshed and your connection with God strong. Each woman opens up her life to share with you the bright, the amusing, the painful, and the hard-won wisdom it contains. With their individual style, wit, and

personality, these women share what they know about twelve fundamental aspects of faith: hope, prayer, friendship, wonder, grace, joy, freedom, humor, vitality, trust, gratitude, and peace. This daily devotional is for any woman who longs to have a few quiet moments each day to renew her spirit and connect with God. Planted Wipf and Stock Publishers
Offers a Christian view of sex and relationships designed to help teenagers understand God's plan for their lives. I Am the Bread of Life WestBow Press
Winner of the 2014 Christianity Today Book of the Year First Place Winner of the Religion Newswriters Association's Non-

fiction Religion Book of the Year The Jesus People movement was a unique combination of the hippie counterculture and evangelical Christianity. It first appeared in the famed "Summer of Love" of 1967, in San Francisco's Haight-Ashbury district, and spread like wildfire in Southern California and beyond, to cities like Seattle, Atlanta, and Milwaukee. In 1971 the growing movement found its way into the national media spotlight and gained momentum, attracting a huge new following among evangelical church youth, who enthusiastically adopted the Jesus People persona as their own. Within a few years, however, the movement

disappeared and was largely forgotten by everyone but those who had filled its ranks. God's Forever Family argues that the Jesus People movement was one of the most important American religious movements of the second half of the 20th-century. Not only do such new and burgeoning evangelical groups as Calvary Chapel and the Vineyard trace back to the Jesus People, but the movement paved the way for the huge Contemporary Christian Music industry and the rise of "Praise Music" in the nation's churches. More significantly, it revolutionized evangelicals' relationship with youth and popular culture. Larry Eskridge makes

the case that the Jesus People movement not only helped create a resurgent evangelicalism but must be considered one of the formative powers that shaped American youth in the late 1960s and 1970s.

Soulsunami Xulon Press

We're Marching For Jesus! In *Public Praise* Kendrick explains the spiritual dynamics of praise marching and chronicles the beginnings of what could be one of the most significant movements of our generation. "It is time that massive numbers of Christians band together to declare the lordship of Jesus over our cities and nations! Public praise and prayer through *Marches for Jesus* in every city have the

potential to change the world. I don't just want to be a spectator I want to be a participant!"--C. Peter Wagner

In the months before Isaac's birth, Brother Yun was in prison. His mother was about to be forced into having an abortion, though seven months pregnant, because she was carrying the child of an enemy of the state. After desperate prayer, the night before she was due to go into a hospital for the operation, she miraculously gave birth.

Inner Healing Wipf and Stock Publishers Sing! has grown from Keith and Kristyn Getty's passion for congregational singing; it's been formed by their traveling and playing and listening and discussing and learning and teaching all over the world. And in writing it, they have five key aims: • to discover why we sing

and the overwhelming joy and holy privilege that comes with singing • to consider how singing impacts our hearts and minds and all of our lives • to cultivate a culture of family singing in our daily home life • to equip our churches for wholeheartedly singing to the Lord and one another as an expression of unity • to inspire us to see congregational singing as a radical witness to the world They have also added a few "bonus tracks" at the end with some more practical suggestions for different groups who are more deeply involved with church singing. God intends for this compelling vision of His people singing—a people joyfully joining together in song with

brothers and sisters
around the world and
around his heavenly
throne—to include you.
He wants you, he wants
us, to sing.

Sing! InterVarsity
Press

"It seems as though
there are many in the
body of Christ today
that have placed the
church, the gathering
of believers, last on
their list. No longer is it
a priority. It takes a
back seat to other
things they have going
on in their lives." Such
powerful comments
adorn the pages of
Robert Gay's new
work, *Planted*. Gay
aptly demonstrates
that while the Lord
desires for every
believer to be planted,
the concept of
commitment to the
local body
demonstrated by many
who regard themselves

as Christian is alien to
God's will for their
lives. Until we become
committed afresh, we
risk missing the
harvest of fruit borne
by the blessing of
being secured in good
ground. *Planted* is a
book that intrigues the
reader from the first
word to the last. Robert
Gay places biblical
wisdom about God's
desires for His people
into a context that
touches the heart
regardless of where
you stand with Him.
Planted inspires and
uplifts. It gives
confirmation that God
continues to nurture
and tend those planted
in His garden. *Planted*
teaches that fruit
comes only as a
product of being
planted in fertile soil,
that God is glorified
when we bear fruit,
and that our

fruitfulness swells the heart of the Father. *Planted* is a book that every pastor will appreciate and will want each of his members to read. About the author: Robert Gay trains Christians internationally in spiritual warfare through praise. He has written numerous songs recorded by Integrity's Hosanna! Music and serves as worship leader at Eagle's Nest Christian Fellowship, San Antonio, Texas. *Worship Matters* (Foreword by Paul Baloche) Oxford University Press "Pianists young and old will find accessible arrangements of some of the best in contemporary Christian praise and worship music. These tunes

have become a familiar part of the musical fabric of contemporary praise worship."-- Publisher's website.

Parish Book of Chant

B&H Publishing Group We were never meant to take this journey of faith alone or in secret. God has entrusted us with the great and mighty gift of the gospel, something too precious and life-giving to keep to ourselves. In this 6-session Bible study, Beth will encourage you to guard what God has entrusted to you, further His kingdom by sharing Christ with others, and pour into future generations just as Paul once mentored Timothy. Because in this journey of joy and hardship, we need each other to stay the course and live a life of faithfulness.

**The Women of Faith
Daily Devotional**

David C Cook

The Complete Book of Hymns brings to life the stories behind more than 600 hymns and worship songs. With background on the composer, the inspiration behind the lyrics, scriptural references for devotional consideration, and a sampling of the song lyrics, this book brings forth the message of these great songs of the faith like never before!

God Made All of Me

Charisma House

The earthly crisis within manhood will be there until Jesus returns, but in Christ men are pointed toward the gospel as the vision for renewal. Manhood Restored by exciting new pastoral

voice Eric Mason combines theological depth with practical insights, putting men in step with a gospel-centered manhood that will enrich every facet of their lives. Mason begins with The Scope of Manhood -- looking first at why God created man, at the divine differences between man and woman, and what should drive the purpose of a man during his time on earth. A section on The Problems in Manhood analyzes the false icons that lead to cultural caricatures of men -- the businessman, the thug, the playboy, the athlete, etc. Mason then makes a connection to the cross-cultural fatherhood crisis, looking at the things

men do to fill the void when their relationship with dad or God is not there. Finally, The Redemption of Manhood sets Jesus as the true standard of

biblical manhood, looking to his perfect example to redeem and restore a man's life in the areas of sexuality, home, and work.
