Question practice is essential for all papers, but particularly for P2 as it has a strong 'fear factor'.

Questions look intimidating, and it is only once you get into the detail that you realise that there are easy marks on offer. Our examiner-reviewed Practice and Revision Kit gives ample opportunity to practice the long, case study questions, so important in the exam. Three mock exams provide essential exam rehearsal practice. Many questions have marking schemes, so that you can see that the examiner awards marks for these techniques.

ACCA, for Exams Up to

June 2014 BPP Learning Media

The BPP Study Text provides a comprehensive treatment of the updated ACCA syllabus for P4. It addresses all learning outcomes and the higher skills required in an integrated and practical way. The material, despite the technical nature of certain areas, follows a practical, common sense approach with plenty of case studies and real life business examples. The key points of each topic are summarised in a chapter roundup and

tested in a diagnostic quiz at the end of each chapter. A question bank at the end of the book provides practice on exam style questions.
