Stories of those lost in the gritty and crime-laden asphalt jungle are together in this collection from the acclaimed noir, presented at original size with new wrap-around cover art by Frank Miller. There are all kinds of dark business you might encounter on a cold night in Basin City, and the tales here paint a gloriously dirty portrait. Marv, the hulking ex-con with a condition, has to jog his memory about a certain Saturday night, and then on another evening, he's after something but he keeps his quest is quiet—sometimes there's no need for words. Visiting Old Town, where all your dreams could come true, Gail and Miho demonstrate what happens when you don't play by their rules. Then, hired-hand Blue Eyes makes an important kill—a few, actually. A woman on the run finds a way out . . . A sucker with good intentions gets duped . . . Fat Man and Little Boy are seen

on a couple of jobs, and being low-rent hit-men, you can guess what that means. And the dark deeds and dealings stay dark in a few more stories also included in this anthology. The fourth editions of Frank Miller's hit graphic novel series continue with Volume 6 Booze, Broads, & Bullets. This edition includes a fourteen-page expanded cover and art gallery featuring pieces from previous editions. As an anthology of short tales, it's a great jumping on point for new readers wondering what Sin City is all about—or longtime readers who can't get enough! FOR MATURE READERS

The Last Little Secret Dark Horse Comics

Now one of Kirkus Reviews' "Best Books of the Year" From Paul French, the New York Times bestselling author of *Midnight in Peking*—winner of both the Edgar Award for Best Fact Crime and

the CWA Gold Dagger for Non-Fiction—comes *City of Devils*, a rags-to-riches tale of two self-made men set against a backdrop of crime and vice in the sprawling badlands of Shanghai. Shanghai, 1930s: It was a haven for outlaws from all over the world: a place where pasts could be forgotten, fascism and communism outrun, names invented, and fortunes made—and lost. “Lucky” Jack Riley was the most notorious of those outlaws. An ex-U.S. Navy boxing champion, he escaped from prison and rose to become the Slots King of Shanghai. “Dapper” Joe

Farren—a Jewish boy who fled Vienna’s ghetto—ruled the nightclubs. His chorus lines rivaled Ziegfeld’s. In 1940, Lucky Jack and Dapper Joe bestrode the Shanghai Badlands like kings, while all around the Solitary Island was poverty, starvation, and war. They thought they ruled Shanghai, but the city had other ideas. This is the story of their rise to power, their downfall, and the trail of destruction left in their wake. Shanghai was their playground for a flickering few years, a city where for a fleeting moment even the wildest dreams could come true.
