Dancers* 2020-09-06

DEON SANAA

*Dance and Costumes
Berg*

Focusing on the enactment of identity in dance, Indigenous Dance and Dancing Indian is a cross-cultural, cross-ethnic,

and cross-national comparison of indigenous dance practices. Considering four genres of dance in which indigenous people are represented--K'iche Maya traditional dance, powwow, folkloric dance, and dancing sports mascots--the book addresses both

the ideational and behavioral dimensions of identity. Each dance is examined as a unique cultural expression in individual chapters, and then all are compared in the conclusion, where striking parallels and important divergences are revealed.

Ultimately, Krystal describes how dancers and audiences work to construct and consume satisfying and meaningful identities through dance by either challenging social inequality or reinforcing the present social order. Detailed ethnographic work, thorough case studies, and an insightful narrative voice make *Indigenous Dance and Dancing Indian* a substantial addition to scholarly literature on dance in the Americas.

It will be of interest to scholars of Native American studies, social sciences, and performing arts.

When Americans
mamboed in the
kitchen, waltzed in the
living room, polkaed in
the pavilion, and
tangoed at the club;
with glorious, full-color
record cover art. In
midcentury America,
eager dancers
mamboed in the
kitchen, waltzed in the
living room, Watusied
at the nightclub, and
polkaed in the pavilion,
instructed (and
inspired) by dance
records. Glorious, full-
color record covers
encouraged them:

Let's Cha Cha Cha,
Dance and Stay Young,
Dancing in the Street!,
Limbo Party, High
Society Twist. In
Designed for Dancing,
vinyl record
aficionados and
collectors Janet
Borgerson and
Jonathan Schroeder
examine dance records
of the 1950s and 1960s
as expressions of
midcentury culture,
identity, fantasy, and
desire. Borgerson and
Schroeder begin with
the record
covers—memorable
and striking, but
largely designed and
created by now-
forgotten
photographers,
scenographers, and
illustrators—which
were central to the
way records were
conceived, produced,
and promoted. Dancing
allowed people to

sample aspirational lifestyles, whether at the Plaza or in a smoky Parisian café, and to affirm ancestral identities with Irish, Polish, or Greek folk dancing. Dance records featuring ethnic music of variable authenticity and appropriateness invited consumers to dance in the footsteps of the Other with “hot” Latin music, Afro-Caribbean rhythms, and Hawaiian hulas. Bought at a local supermarket, department store, or record shop, and listened to in the privacy of home, midcentury dance records offered instruction in how to dance, how to dress, how to date, and how to discover cool new music—lessons for harmonizing with the rest of postwar

America.

The Girl in the Jitterbug

Dress New York :

Metropolitan Museum of Art : Rizzoli

Discusses dance from its primitive beginnings and folk dance today to ballet and modern dance.

The Girl in the Jitterbug Dress Hops the Atlantic
MIT Press

A barefoot Mary has danced to soaring ballet music from an old gramophone, in her back garden ever since she learned to walk. Her head is filled with dreams of someday becoming a ballerina. Even when she is old enough to go to school, she rushes home everyday and with brown paper wings pinned to her shoulders, she dances and dances until darkness falls. When, at last, a dance teacher comes to her small town, she learns to arabesque and plié and leap gracefully through the air. After a while she is chosen to perform a solo in a town hall concert. She is filled with both pride and anxiety. She needs

a ballet dress. But there is a problem: it is wartime. When she visits a draper's shop, she learns that there is no fabric suitable for making her dress. She is devastated. Can her dream of becoming a ballet dancer ever come true? And will her mother somehow find a way to make her a ballet dress?

Can the Fashion Police solve their dress dilemma before the Year Eight dance - and kick-start careers in the fashion industry? This book is part of a dynamic series for upper primary students following six different groups of kids. Each book follows the kids working together on a project. The Fashion Police design and sell funky clothes. Six

stories are available as audio files on this website. Special series features: - vibrant illustrations and designs bring the stories to life - sophisticated Ballroom Knopf Books for Young Readers

THE LURE OF PERFECTION: FASHION AND BALLET, 1780-1830 offers a unique look at how ballet influenced contemporary fashion and women's body image, and how street fashions in turn were reflected by the costumes worn by ballet dancers. Through years of research, the author has traced the interplay between fashion, social trends, and the development of dance. During the 18th century, women literally took up twice as much space as men;

their billowing dresses ballooned out from their figures, sometimes a full 55 inches, to display costly jewelry and fine brocade work; similar costumes appeared on stage. But clothing also limited her movement; it literally disabled them, making the dances themselves little more than tableaux. Movement was further inhibited by high shoes and tight corsets; thus the image of the rigidly straight, long-lined dancer is as much a product of clothing as aesthetics. However, with changing times came new trends. An increased interest in natural movement and the common folk led to less-restrictive clothing. As viewers demanded more virtuosic dancers,

women literally danced their way to freedom. THE LURE OF PERFECTION will interest students of dance and cultural history, and women's studies. It is a fascinating, well-researched look at the interplay of fashion, dance, and culture—still very much a part of our world today.

Designed for

Dancing Penguin
A stunning celebration of movement and dance in hundreds of breathtaking photographs by the creative team behind NYC Dance Project. The Art of Movement is an exquisite collection of photographs by well-known dance photographers Ken Browar and Deborah Ory that capture the movement, flow, energy, and grace of

many of the most accomplished dancers in the world. Featured are more than 70 dancers from companies including American Ballet Theatre, New York City Ballet, Alvin Ailey American Dance Theater, Martha Graham Dance Company, Boston Ballet, Royal Danish Ballet, The Royal Ballet, Abraham in Motion, and many more. Accompanying the photographs are intimate and inspiring words from the dancers, as well as from choreographers and artistic directors on what dance means to them.

Fashion Police:

Dorky Dance Dil A&C Black
Introduces ballet and the training of a dancer, and follows a

typical professional dancer from a morning class through rehearsals and preparations for going on stage to an evening performance.

Indigenous Dance and Dancing Indian Harper Collins

Competitive ballroom is much more than a style of dance. Rather, it is a continually evolving and increasingly global social and cultural arena of fashion, performance, art, sport, gender, and more. Ballroom explores the intersection of dance cultures, dress, and the body. The book presents the author's experiences at a range of international dance events in Europe, the US and UK, as well as featuring the views of individual dancers.

Ballroom shows how dancing influences mind and body alike. For students of anthropology, dance, cultural, and performance studies, this book provides an ethnographic picture of how dancers and others live their lives both on and off the dance floor.

Yes, it's true—Elegant and sophisticated Ballroom dancing is back, and bigger than ever. We've seen the magazine covers, talk show appearances, huge ratings and the launching of careers. Well the time has come to answer the question. "What's behind this worldwide ballroom dance phenomenon?" One of the answers is an American dance legend named Maxine Barrat. Her story is the stuff of dreams—riveting,

exotic, passionate—fracturing her back as a child; sneaking into Radio City Music Hall as a teenager; meeting the perfect partner Don Loper and dancing into the arms of Gene Kelly in her first Broadway show. A stint at the glamorous Copacabana catapulted Loper & Barrat to international fame and a role in MGM's star-studded *Thousands Cheer*. She reinvented herself as a nightclub singer, donated her time and talents to the war effort and continued her stellar career as a model in the world of fashion. Then a new career in the up-and-coming medium of television. Maxine's sensational life is interlaced with those of the stars she befriended, from

Katharine Hepburn and Ginger Rogers, to those with whom she danced and romanced—from admiring South American caballeros, Hollywood moguls and stars, to an affair with *Gone with the Wind* matinee idol Clark Gable. Maxine Barrat is a performing arts legend who holds a vital key to the American dance story. She is a real star and it's time to put Maxine Barrat back on the dance floor.

DANCING Midnight Marquee & BearManor Media

The subTexte series of the IPF-Institute for the Performing Arts and Film, is dedicated to presenting original research within two fields of inquiry: Performative Practice and Film. The series offers a platform for

the publication of texts, images, or digital media emerging from research on, for, or through the performative arts or film. The series contributes to promoting practice-based art research beyond the ephemeral event and the isolated monograph, to reporting intermediate research findings, and to opening up comparative perspectives.

warm family story, beautifully evoked in Cornelius Van Wright and Ying-Hwa Hu's watercolor art. Notable Children's Trade Books in the Field of Social Studies 2001, National Council for SS & Child. Book Council

Indigenous Dance and Dancing Indian Teacher Created Materials

Costumes for dancers have exacting requirements. They have to look the part but let the dancers move freely. They need to be strong enough to cope with the wear and tear of performances and stresses that dance can place on seams and darts, and yet be light enough to flow well and to allow the dancer to move and breathe. This well-illustrated book shows how to start making costumes for dancers.

The author looks at different styles, cuts and materials that can be used, and shows how costume sketches can be translated into actual garments to suit the dancer's needs.

~Fall in Love on the

Dance Floor~ The Girl

in the Jitterbug Dress

Hops the Atlantic

continues the story of

two women from two

different eras,

confronting life-altering

choices about love,

marriage, birth, and

death, contrasted by

1940's Vegas glamour

and the seductive thrill

of hopping across

Europe. When vintage

fashionista Rose sews

dissension between

June and James, June is

driven to choose

between the security of

her family, friends, and

swing scene, or run off with an international swing boy. Will the

handsome Swede turn

June's head with an

offer to teach Jitterbug

across Europe? And is

he really the sparkling

Lindy Hop star he

claimed to be when he

twirled her around the

historic Catalina

ballroom? Return to

Violet's world of big

band jazz, seedy

nightclubs, and WWII.

Follow her through

1940's Los Angeles and

early wartime Vegas

when she transformed

herself into a jazzy

songbird. Will the truth

about the murder, the

mob, and her murky

history undo her

rekindled relationship

with her lost Jitterbug

love and newfound

family? And will Violet,

Charles, and June

finally confirm a

biological connection?

So, You Want To Be a Ballet Dancer?

Plum Creek Publishing
“A revealing book about the grueling—and glamorous—world of ballet” (Daily News, New York). Is everything really so beautiful at the ballet? For Miami City Ballet principal dancer Jennifer Carlynn Kronenberg it is; but it wasn’t always so. Learn how she made it through all of her high jinx mishaps, missteps, and tribulations, and continued on to a glorious career as a prima ballerina with an internationally acclaimed ballet company. Kronenberg shares her memoirs, hints, tips, and professional advice for aspiring dancers and their parents, hoping to ease them through the

hard years of study as well as through the abrupt and challenging transition from student to professional.

Covering everything from choosing a school and auditioning, to stage makeup and backstage basics, this book provides the answers young dancers need to help them survive in today’s challenging ballet world. “Chock-full of tips and advice for aspiring dancers and their parents, and includes a personal account of the ballerina’s rocky journey to fame.”

—Brooklyn Downtown Star “Entertaining, realistic, and practical—that big sister that you’d like to have beside you.”
