The Virgin label began with an eclectic and esoteric mix of left-field artists, including Mike Oldfield, Gong, Faust, Tangerine Dream and Henry Cow. Many of the

resulting LPs are now considered to be important cultural reference points - is there anyone who hasn't heard of Tubular Bells? In 1977 Virgin signed the Sex Pistols. A horde of punk and new wave bands followed, such as XTC, Magazine, The Ruts and - as the Sex Pistols imploded - PIL. Following this, the iconic Front Line label was responsible for some of the best reggae ever heard, from artists such as U-Roy, Tapper Zukie, I-Roy, Keith Hudson, The Gladiators, Culture and the Twinkle Brothers. This book covers the 'classic' years and is an absolute must for anyone with half an ear open - let's face it, during

the 1970s Virgin defined the nation's - if not the world's - musical taste. All known releases on Virgin and related labels are documented here - from Tubular Bells to numerous forgotten gems that deserve much greater recognition.

Restless as a youth, Kyle Mitchell leaves his parents and their Ohio farm to drift and roam. As he travels, he makes friends and learns new skills. One friend, an elderly lady who owns a horse ranch, leaves him an inheritance which includes a well-bred stallion that becomes his trusted companion. Eager to travel where he has not been, he jumps at the opportunity to join a wagon train setting out on

the Oregon Trail. His journey brings him more friends and new adventures. There are unexpected enemies as well, who conspire to be rid of him before he even realizes what their motives are. Along the way, he develops a fondness for a girl. The adventures they share, such as surviving a buffalo stampede, bring them closer to each other. In time, it falls to him to lead the wagons during the final part of their journey. Will he settle down in Oregon with the girl he loves? Will he be able to resist the impulse to wander and drift again, and see places he's never been before? Will he ever make it back home? What further exciting

adventures await "The Dreaming Drifter"?

Catch a Falling Star

John Murray

Venture into the Lost Fields of Silk in Ireland, where a fearless granddaughter unravels the clues to find her missing grandmother. Escape to bygone eras and embark on a heartfelt journey alongside a young girl and her father in 1950s Northern England. Travel to the picturesque village of Wark, nestled on the banks of the River Tyne in the UK, as mist

shrouds a tranquil Sunday afternoon. Peer through frosty windows on Christmas Eve after an ice storm, where the possibility of a holiday miracle fills the air. In this intimate and diverse collection, Christiane Banks shares authentic short stories, many drawn from her own life experiences. These tales offer messages of hope, redemption, and enchantment, sprinkled with a touch of fairy dust. Banks gently reminds us to reach out and grasp our Falling Star. To love deeply and be loved in return. To discover our true selves, extend kindness, and follow our passions during our fleeting time here. Immerse yourself in these shimmering short stories, perfect for any occasion, and let their magical wonder lift your spirits. "Banks is a skilled storyteller. It feels like she has graciously given a piece of her heart to the readers" - Senior Editor, iUniverse

Catch a Falling Star, the life story of Donald Clayton, follows the

struggle of one human being to find love and to create scientific understanding of the origin of the atoms of chemical elements. Born on an Iowa farm, son of an aviation pioneer, he became the first among his family to attend college, then graduate school in physics at Caltech. His three marriages reveal his battle with sexual anxiety and a sense of loss. At the same time he struggled to discover new knowledge about the creation of the atoms of our bodies and our earth. His close friendship with two great pioneers of the origin of matter enlivened his scientific life in the United States and Europe. His discoveries created two new fields of astronomy whose beginnings are featured in the book. Clayton's autobiography chronicles the exciting life that he lived on the frontier of the scientific discovery of the origin of the chemical elements within stars. His adventures centered on academic institutions: California Institute of Technology, Rice University, University of Cambridge, Max Planck Institute in Heidelberg, and Clemson University. *Catch a Falling Star* tells

how science and his love of it endowed his life with meaning.

Holly's Heart Collection Three

In this collection of seven short stories and reminiscences, Joanna deBaroncelli writes of the humor, joy, and lurking tragedy of life. In the title story, "Falling Star" gets a spectacular comeuppance that answers his mother's prayers in an unexpected way. A young girl copes with a potent and confusing loss by venturing into the forbidden world of "The Hollow." A young aviator, "Lulu," flies booze for the mob during Prohibition in a World War I Jenny and

makes a happy and prosperous landing. In "The Window of Truth," a young, idealistic king brings a wondrous gift to his people, a window that calms the furious powers of lust, resentment and delusion, but do they appreciate it? Carefree hearts of college days meet death head-on in "Ohio University." A hard-strapped princess takes an unlikely companion as her savior in "The Last of Front Page Days." A symbol of endurance, "The Black Figurine" outlasts a life lived dangerously at times. And "Eold" puts a new spin on the golden years.
