Wild Creatures Createspace Independent Publishing Platform
This is a GRAYSCALE coloring book which includes 25 original illustrations by the artist Julia Spiri. This coloring book contains magical and romantic illustrations of fantasy creatures, cute fairies and elves, beautiful girls portraits, delicate flowers, girls of vintage and venetian style, and more. The artist initially painted the illustrations with watercolor and colored pencils and then converted them to grayscale images with soft shadows so that they are ready for an exciting creative coloring experience. This book included two full sets of these illustrations (total 50 images).

Every one of these images is painted with a lot of love and dedication.
