BESTSELLER From New York Times bestselling author Jay Kristoff comes *Empire of the Vampire*, the first illustrated volume of an astonishing new dark fantasy saga. From holy cup comes holy light; The faithful hand sets world aright.

And in the Seven Martyrs' sight, Mere man shall end this endless night. It has been twenty-seven long years since the last sunrise. For nearly three decades, vampires have waged war against humanity; building their eternal empire even as they tear down our own. Now, only a few tiny sparks of light endure in a sea of darkness. Gabriel de León is a silversaint: a member of a holy brotherhood dedicated to defending realm and church from the creatures of the night. But even the Silver Order could not stem the tide once daylight failed us, and now, only Gabriel remains. Imprisoned by the very monsters he vowed to destroy, the last silversaint is forced to tell his story. A story

of legendary battles and forbidden love, of faith lost and friendships won, of the Wars of the Blood and the Forever King and the quest for humanity's last remaining hope: The Holy Grail.

Companions of the Night William Morrow

The spellbinding classic that started it all, from the #1 New York Times bestselling author—the inspiration for the hit television series “A magnificent, compulsively readable thriller . . . Rice begins where Bram Stoker and the Hollywood versions leave off and penetrates directly to the true fascination of the myth—the education of the vampire.”—Chicago Tribune Here are the confessions of a vampire. Hypnotic,

shocking, and chillingly sensual, this is a novel of mesmerizing beauty and astonishing force—a story of danger and flight, of love and loss, of suspense and resolution, and of the extraordinary power of the senses. It is a novel only Anne Rice could write.

Award-winning author of *Never Trust a Dead Man* puts a terrifying spin on what should be a typical night in a small town. Sixteen-year-old Kerry has got a tough night ahead of her. What begins as a simple lost-and-found trip to the laundromat to rescue her little brother's stuffed koala bear turns into a nightmarish odyssey of murder, vampires,

and—quite possibly—true love. “Interview with a Vampire for the learner's permit set.” —The Horn Book “A freshly written thriller, an offbeat love story, an engaging twist on the vampire novel, and an exciting tale of moral complexity Point [this] book at the Lois Duncan fans as well as Anne Rice followers, and get out of the way.” —The Bulletin “[Vande Velde] is a master at taking traditional fairy-tale-like themes and making them fresh and totally unique. Companions of the Night . . . does that for the vampire story The narrative is tightly wound, keeping readers ready for excitement and action.” —Emma Carbone, New York

Red Storm Rising

I was born to the name of Rachel Weatere in the year 1684, more than three hundred

years ago. The one who changed me named me Risika, and Risika I became, though I never asked what it meant. I continue to call myself Risika, even though I was transformed into what I am against my will. By day, Risika sleeps in a shaded room in Concord, Massachusetts. By night, she hunts the streets of New York City. She is used to being alone. But now someone is following Risika. Someone has left her a black rose, the same sort of rose that sealed her fate three hundred years ago. Three hundred years ago Risika had a family -- a brother and a sister who loved her. Three hundred years ago she was human. Now she is a vampire, a powerful one. And

her past has come back to torment her. This atmospheric, haunting tale marks the stunning debut of a promising fourteen-year-old novelist. *Night of the Vampires* Ballantine Books Vampire: Ventrue: This is the next volume in a series of one-shots based in the noir universe of White Wolf's "Vampire the Masquerade" role-playing game. _Single White Female_ runs head first into _Vampyros Lesbos_ in this tale of Ventrue TERROR! Anne and Chris meet in a mall parking lot one evening. Her friend and roomie Beth helps to hook them up, and a grand romance begins to bloom. Or so it seems. Beth has her own plans for Chris, as she seemingly has for

ALL of the men Anne becomes involved with. Chris, who becomes increasingly suspicious of both women, plays along to a startling who's dead?/who's alive?/who's simply psychotic? conclusion shocker!

In the Forests of the Night Harper Collins #1 New York Times Bestselling author - Surrender to fiction's greatest creature of the night - Book II of the Vampire Chronicles The vampire hero of Anne Rice's enthralling novel is a creature of the darkest and richest imagination. Once an aristocrat in the heady days of pre-revolutionary France, now a rock star in the demonic, shimmering 1980s, he rushes through the centuries in search of others like him, seeking answers

to the mystery of his eternal, terrifying existence. His is a mesmerizing story—passionate, complex, and thrilling. Praise for *The Vampire Lestat* “Frightening, sensual . . . Anne Rice will live on through the ages of literature. . . . To read her is to become giddy as if spinning through the mind of time, to become lightheaded as if our blood is slowly being drained away.”—San Francisco Chronicle “Fiercely ambitious, nothing less than a complete unnatural history of vampires.”—The Village Voice “Brilliant . . . its undead characters are utterly alive.”—The New York Times Book Review “Luxuriantly created and richly told.”—The Cleveland Plain Dealer

In the acclaimed Night Tracker series by New York Times bestselling author Cheyenne McCray, the vampires are back to make a brand new start of it—in old New York... With zero tolerance for bloodsuckers, Nyx and the Trackers have made the streets safer for warm-blooded New Yorkers. Unfortunately, they didn't drive a stake through the problem nationwide. Vampire attacks are on the rise. Proctors are dropping like flies. And Volod—New York's ousted Master Vampire—is trying to make a comeback... Nyx is worried—about her city, her job, and her neck. But mostly she's concerned about her former lover,

Rodán, a Proctor who's gone missing. Scarier still, Volod is capturing and "turning" paranorms to help him paint the town red. Which sucks. Because some of these new vampires are Nyx's old friends. But hey—if she can stake them here, she'll stake them anywhere...

Jessica isn't your average teenager. Though nobody at her high school knows it, she's a published author. Her vampire novel *Tiger, Tiger* has just come out under the pen name Ash Night. Jessica often wishes she felt as

comfortable with her classmates as she does among the vampires and witches of her fiction. She has always been treated as an outsider at Ramsa High. But two new students have just arrived in Ramsa, and both want Jessica's attention. She has no patience with overly friendly Caryn, but she's instantly drawn to handsome Alex, a cocky, mysterious boy who seems surprisingly familiar. If she didn't know better, she'd think Aubrey, the alluring villain from Tiger, Tiger had just sprung to life. That's impossible, of course; Aubrey is a figment of her imagination. Or is he? Nail-bitingly suspenseful, here is the deliciously eerie follow-up to In the Forests of the Night, by

the remarkable fifteen-year-old novelist Amelia Atwater-Rhodes.
