Gutzon Borglum, the sculptor of Mount Rushmore National Memorial, hoped that ten thousand years from now, when archaeologists came upon the four sixty-foot presidential heads carved in the Black Hills of South Dakota, they would have a clear and graphic understanding of American civilization. Borglum, the child of Mormon polygamists, had an almost Ahab-like obsession with Colossalism--a scale that matched his ego and the era. He learned how to be a celebrity from Auguste Rodin; how to be a political bully from Teddy Roosevelt. He ran with the Ku Klux Klan and mingled with the rich and famous from Wall Street to Washington. Mount Rushmore was to be his crowning achievement, the newest wonder of the world, the greatest piece of public art since Phidias carved the Parthenon. But like so many episodes in the saga of the American West, what began as a personal dream had to be bailed out by the federal government, a

compromise that nearly drove Borglum mad. Nor in the end could he control how his masterpiece would be received. Nor its devastating impact on the Lakota Sioux and the remote Black Hills of South Dakota. Great White Fathers is at once the biography of a man and the biography of a place, told through travelogue, interviews, and investigation of the unusual records that one odd American visionary left behind. It proves that the best American stories are not simple; they are complex and contradictory, at times humorous, at other times tragic.

15 Seconds Plunkett Lake Press

Every state provides consumers with the right to a refund or replacement vehicle when a new (and in some cases used) car has substantial uncorrected defects. Return to Sender provides practical advice on how consumers can successfully enforce this right through their state lemon law, either on their own or with the help of a lawyer. - Back cover.

NEW YORK TIMES BESTSELLER • REESE'S BOOK CLUB PICK •

"Delightful . . . [a] captivating and slyly subversive fictional paean to the real women whose work on the Oxford English Dictionary went largely unheralded."—The New York Times Book Review "A marvelous fiction about the power of language to elevate or repress."—Geraldine Brooks, New York Times bestselling author of *People of the Book* Esme is born into a world of words.

Motherless and irrepressibly curious, she spends her childhood in the Scriptorium, an Oxford garden shed in which her father and a team of dedicated lexicographers are collecting words for the very first Oxford English Dictionary. Young Esme's place is

beneath the sorting table, unseen and unheard. One day a slip of paper containing the word bondmaid flutters beneath the table. She rescues the slip and, learning that the word means “slave girl,” begins to collect other words that have been discarded or neglected by the dictionary men. As she grows up, Esme realizes that words and meanings relating to women’s and common folks’ experiences often go unrecorded. And so she begins in earnest to search out words for her own dictionary: the Dictionary of Lost Words. To do so she must leave the sheltered world of the university and venture out to meet the people whose words will fill those pages. Set during the height of the women’s suffrage movement and with the Great War looming, *The Dictionary of Lost Words* reveals a lost narrative, hidden between the lines of a history written by men. Inspired by actual events, author Pip Williams has delved into the archives of the Oxford English Dictionary to tell this highly original story. *The Dictionary of Lost Words* is a delightful, lyrical, and deeply thought-provoking celebration of words and the power of language to shape the world. WINNER OF THE AUSTRALIAN BOOK INDUSTRY AWARD  
**Return to Sender** Harper Collins

The equestrian pursuit known as Cowboy Dressage melds the best of Western riding traditions and classical dressage in the pursuit of a harmonious relationship with a horse. Intended to be accessible to all, Cowboy Dressage is open to all breeds and all levels of riders; there isn’t a set frame for overall look, head carriage, or action. Lifelong horsewoman Jessica Black traces the evolution of Cowboy Dressage back to its roots, sharing the story of Eitan and Debbie Beth-Halachmy and their phenomenal Morgan horses that have served as the movement’s ambassadors. Black then expertly weaves Eitan Beth-Halachmy’s experience and expertise into an engaging and articulate explanation of the philosophy of Cowboy Dressage; defines the expectations of the rider; describes what a participant needs in terms of equipment; and explores how the most important element—the horse—should be prepared. A wonderful and thorough section on groundwork, as well as specific training advice for achieving engagement, regulating the gaits, smoothing transitions, and balancing bend and straightness, get the reader started with a solid foundation. Specific descriptions of the Cowboy Dressage tests are provided, with additional tools for those interested in competition, including rules, divisions, and how to execute and judge tests.

*The Dictionary of Lost Words* MotorBooks International  
Now a major motion picture nominated for nine Academy Awards. Narrative of Solomon Northup, a Citizen of New-York, Kidnapped in Washington City in 1841, and Rescued in 1853. Twelve Years a Slave by Solomon Northup is a memoir of a black man who was born free in New York state but kidnapped, sold into slavery and kept in bondage for 12 years in Louisiana before the American Civil War. He provided details of slave markets in Washington, DC, as well as describing at length cotton cultivation on major plantations in Louisiana.

The extraordinary, life-affirming autobiography of DODDIE WEIR OBE Rugby legend and MND campaigner Doddie Weir has always lived life to the full. On the pitch, Doddie's irresistible talent took him to the heart of every team he graced, and brought him 61 caps for his national side. He won fans all over the world with his sportsmanship, humour and boundless energy - especially when on the charge 'like a mad giraffe'. Then, in June 2017, Doddie made the announcement that he had been diagnosed with MND. With no cure and almost no treatment of any sort available, Doddie set out to do what he could to change that, tackling the issue head on with his trademark positivity and good humour. Since then, his MY NAME'S DODDIE Foundation has raised and pledged millions towards research into this dreadful condition and his tireless campaigning has transcended the world of sport. MY NAME'S DODDIE is a humbling, courageous and very funny celebration of a remarkable man. And with a brand new update, this is an absolute must-read - rugby fan or not. 'Lucid, brave, and full of the wit and character that makes him the legend he is' - RORY BREMNER

The best years of the automobile lie before us. But it will be a new kind of car and a new kind of automotive experience. There will be a new powertrain dominating the motoring world. Driving will gradually be ceded to the on-board electronics, and, in response, interiors will become more luxurious and sociable. The car will connect with other cars, and infrastructure, a community and ecology of mobility. Brave New Car outlines the possibilities, and opportunities, that lie before us. A premium quality book for the professional, student, and enthusiast alike, Brave New Car is sure to challenge and inspire new thinking in the automotive world and beyond.

*Fund Your Freedom Overseas* Publicious Pty Limited

Ricky Nixon is the highest profile sports agent in the country, responsible for managing and marketing some of the biggest names in AFL - Ablett, Carey, Cousins, Dunstall, Richardson, Riewoldt, Hird, Modra, to name but a few. Almost single-handedly he has revolutionised the way players are represented and remunerated, bringing in the best of modern marketing and management techniques from the US and adapting them to local conditions - often in the face of opposition from the game's conservative vested interests. It's a Jungle Out There is Ricky's story. From his early playing days, to starting out as an agent and now his ongoing success, this is a candid and fascinating account of the normally behind-the-scenes world of player management.

Along with his own insights into the game, its big names and future directions, it takes us deep into Ricky's AFL jungle - a place full of huge stars, huge deals, huge headlines and huge headaches.

**Benjamin Norton Bugbey** Public Affairs

We're told that the future will be brighter. But what if human happiness really lies in the past? Hobart, 2022: a city with a declining population, in the grip of a dark recession. A rusty ship sails into the harbour and begins to unload its cargo on the site of the once famous but now abandoned Gallery of Future Art, known to the world as GoFA. One day the city's residents are awoken by a high-pitched sound no one has heard for two generations: a factory whistle. GoFA's owner, world-famous billionaire Dundas Faussett, is creating his most ambitious installation yet. He's going to defeat technology's dominance over our lives by establishing a new Year Zero: 1948. Those whose jobs have been destroyed by Amazon and Uber and Airbnb are invited to fight back in the only way that can possibly succeed: by living as if the internet had never been invented. The hold of Bezos, Musk, Zuckerberg and their ilk starts to loosen as the revolutionary example of Factory 19 spreads. Can nostalgia really defeat the future? Can the little people win back the world? We are about to find out. 'Like Orwell, of whom he has written so brilliantly, Dennis Glover's work is charged with courage, intelligence and purpose. He is the complete writer, and one made for our times.' —Don Watson 'Savagely hilarious and unlike anything else you'll read this year. It boils with the anger of the present moment.' —Rohan Wilson

Integrity—more than simple honesty, it's the key to success. A person with integrity has the ability to pull everything together, to

make it all happen no matter how challenging the circumstances. Drawing on experiences from his work, Dr. Henry Cloud, a clinical psychologist, leadership coach, corporate consultant and nationally syndicated radio host, shows how our character can keep us from achieving all we want to (or could) be. In Integrity, Dr. Cloud explores the six qualities of character that define integrity, and how people with integrity: Are able to connect with others and build trust Are oriented toward reality Finish well Embrace the negative Are oriented toward increase Have an understanding of the transcendent Integrity is not something that you either have or don't, but instead is an exciting growth path that all of us can engage in and enjoy.
