The Bloomsbury Handbook to Studying Christians Independently Published	
Drawing on a range of methodologies, editors George D. Chryssides and Stephen E. Gregg shift attention from normative textual and doctrinal matters to issues of materiality and everyday life in Christianity. This handbook is structured in four parts, which include coverage of the following aspects of Christianity: sacred space and objects, cyber-Christianity, food, prayer, education, family life, fundamentalism and sexuality. In addition, issues of gender, race and ethnicity are treated throughout. The international team of contributors provide in-depth analysis that highlight the current state of academic study in the field and explores areas in which future research might develop. Clearly organised to help users quickly locate key information and analysis, the book includes an A to Z of key terms, extensive guides to further resources, a comprehensive bibliography and a chronology of landmark events, making it a unique resource to upper-level students and researchers.	
2019-2023 Five Year Planner Independently Published

2019 Weekly Planner

When Liv, Ellen, and Håkon, along with their partners and children, arrive in Rome to celebrate their father's 70th birthday, a quiet earthquake occurs: their parents have decided to divorce. Shocked and disbelieving, the siblings try to come to terms with their parents' decision as it echoes through the homes they have built for themselves, and forces them to reconstruct the

shared narrative of their childhood and family history. A bittersweet novel of regret, relationships, and rare psychological insights, *A Modern Family* encourages us to look at the people closest to us a little more carefully, and ultimately reveals that it's never too late for change. WINNER OF THE NORWEGIAN BOOKSELLERS' AWARD
