“The best novel about armed robbery ever written” from the Reservoir Dogs actor and ex-con author of No Beast So Fierce (James Ellroy). Troy was born in Beverly Hills but raised in the prisons of Southern California. Two days before his parole from reform school, a run-in with a young black tough threatens to derail his release. He prepares to fight, ready to sacrifice freedom to maintain his reputation, but a friend comes to his rescue. Armed with two razor blades, Mad Dog takes out Troy’s assailant, allowing his friend to go free. Troy does not forget the debt. Years later, Mad Dog makes a living on penny-ante heists, and Troy—who has grown into one of the smartest hoods in L.A.—is about to finish a stint in San Quentin. They join up with another old friend, Diesel Carson, and launch a spree vicious enough to put them in jail for the rest of their lives. But these three would rather die than return to prison.

For fans of Kid Gloves and Waves comes a new original graphic novel by cartoonist Katja Klengel tackling the subjects that have shaped her life: from body shaming to the exploration of her sexuality, from the representation of women in the media to the social pressure on women who have not yet started a family. Why do we fear the word “vulva”? Do we really have to be ashamed of our body hair? Why do gender roles in children’s toys seem to be stuck in the ‘50s? With a sense of humor, an open heart, and unsparing candor, Klengel draws inspiration from her own life as she examines what being a woman today means to her (and really, a whole lot of us!). Please Note: This is for Mature Readers.

It was the largest moving object on the face of the earth, but for Carolyn and Peter Hardin it was a towering wall of steel bursting out of a squall at full speed, bearing down on their ketch Siren. In a few dramatic moments, Siren was shattered by the indifferent juggernaut. Struggling for his life, Peter Hardin felt the hand of his wife being torn from his grip as the huge white letters on the supertanker’s stern - Leviathan - steamed away.Thus begins an odyssey of revenge that embraces the distant waters of the world, from the titanic storms of the South Atlantic to the oil-slicked reaches of the Persian Gulf. Now back in print for the first time in twenty-five years, The Shipkiller is the story of one man determined to win at sea the justice he has been denied on land.

“A mesmeric combination of vivid, keen, obsessive precision and raw, urgent energy.” --Zoe Williams, Guardian “Thrilling and harrowing . . .

Unsurpassed and unsurpassable.” --Sunday Times James Rhodes's passion for music has been his lifeline--the thread that has held through a life encompassing abuse and turmoil. But whether listening to Rachmaninov on a loop as a traumatized teenager or discovering a Bach adagio while in a hospital ward, he survived his demons by encounters with musical miracles. These--along with a chance encounter with a stranger--inspired him to become the renowned concert pianist he is today. Instrumental is a memoir like no other: unapologetically candid, boldly outspoken, and surprisingly funny--shot through with a mordant wit, even in its darkest moments. A feature film adaptation of Rhodes's incredible story is now in development from Monumental Pictures and BBC Films, following a competitive bidding war involving major U.S. and U.K. companies. An impassioned tribute to the therapeutic powers of music, Instrumental also weaves in fascinating facts about how classical music actually works and about the extraordinary lives

of some of the great composers. It explains why and how music has the potential to transform all of our lives.

Outstanding selection of great letters from ancient times to the 21st century, touching on power, love, art, sex, faith, and war. Written in History: Letters that Changed the World celebrates the great letters of world history, and cultural and personal life. Bestselling, prizewinning historian Simon Sebag Montefiore selects letters that have changed the course of global events or touched a timeless emotion—whether passion, rage, humor—from ancient times to the twenty-first century. Some are noble and inspiring, some despicable and unsettling, some are exquisite works of literature, others brutal, coarse, and frankly outrageous, many are erotic, others heartbreaking. It is a surprising and eclectic selection, from the four corners of the world, filled with extraordinary women and men, from ancient times to now. Truly a choice of letters for our own times encompassing love letters to calls for liberation to declarations of war to reflections on life and death. The writers vary from Elizabeth I and Catherine the Great to Mandela, Stalin and Picasso, Fanny Burney and Emily Pankhurst to Ada Lovelace and Rosa Parks, Oscar Wilde, Chekhov and Pushkin to Balzac, Mozart and Michelangelo, Hitler, Rameses the Great and Alexander Hamilton to Augustus and Churchill, Lincoln, Donald Trump and Suleiman the Magnificent. In a book that is a perfect gift, here is a window on astonishing characters, seminal events, and unforgettable words. In the colorful, accessible style of a master storyteller, Montefiore shows why these letters are essential reading and how they can unveil and enlighten the past—and enrich the way we live now.

Dans les années 1970, alors que l'Espagne entamait son processus de transition politique, le gouvernement d'Adolfo Suárez se donnait deux objectifs principaux : démocratiser le pays et adhérer à la Communauté économique européenne (CEE). Déposée officiellement en 1977, la candidature de l'Espagne mettait en jeu les relations des gouvernements espagnols avec les instances communautaires mais aussi avec chacun des pays membres de la CEE. Dans ce processus long et complexe, la relation bilatérale avec la France était essentielle en raison de l'importance du dossier agricole pour les deux pays. Cet ouvrage analyse le débat agricole, souvent difficile, entre l'Espagne et la France pendant la période de la transition espagnole (1975-1982). Conduit de façon minutieuse et vivante, il se veut une contribution aux études de la construction européenne et des relations entre les deux pays.

Balbino,"a boy from a village", a "nobody" who writes a notebook about everything that happens to him within the repressed and stifling society of Galicia in the thirties and forties. He tells of the moral and social atmosphere that prevails asking and answering questions and details the most elemental social struggle. There is also however the story of a true but impossible love. This book was first printed in Argentina in 1961 and became one of the most successful Galician books published. It has a lyrical style that immediately evokes sights and sounds of this part of Spain. The author Xos Neira Vilas writes from his experiences of the era and the lifestyle of boys growing up in that society and provides a rich insight to life of the peasant boy "Balbino".

The Catalan modern classic, first published in 1985, now in its 50th edition, for the first time in English. The beginning of the 20th century: 13-year-old Conxa leaves her home village in the Pyrenees to work for her childless aunt. After years of hardship she finds love with Jaume - a love that will be thwarted by the Spanish Civil War. Approaching her own death, Conxa looks back on a life in which she has lost everything except her own indomitable spirit. Why Peirene chose to publish this book: 'I fell in love with Conxa's narrative voice, its stoic calmness and the complete lack of anger and bitterness. It's a timeless voice, down to earth and full of human contradictory nuances. It's the expression of someone who searches for understanding in a changing world but senses that ultimately there may be no such thing.' Meike Ziervogel 'Sparse and haunting.' Katy Guest, Independent 'The compression is so deft, the young narrator's voice so strong, so particular, her straightforward evocation of the hard labour and rare pleasures of mountain life . . . so vibrant, that it makes me want to take scissors to everything else I read.' Richard Lea, Guardian 'A Pyrenean life told in a quietly effective voice.' Daniel Hahn, Independent 'There is an understated power in Barbal's depiction of how the forces of history can shape the life of the powerless.' Adrian Turpin, Financial Times 'A masterpiece of world literature and a shining example of the virtuosity of elegant and concise prose.' Pam Norfolk, Lancashire Evening Post 'Air-tight believability.' Matthew Tree, Times Literary Supplement INDEPENDENT BOOKS OF THE YEAR 2010 FOYLES BOOKS OF THE YEAR 2010

My Favorite Girlfriend was a French Bulldog is a novel told in fifteen stories, linked by the same protagonist, our narrator, who--in her own voice and

channeling the voices of others--creates an unsparing, multigenerational portrait of her native Cuba. Though she feels suffocated by the island and decides to leave, hers is not just a political novel--nor just a queer novel, an immigrant novel, a feminist novel--but a deeply existential one, in which mortality, corporeality, bureaucracy, emotional and physical violence, and the American Dream define the long journey of our narrator and her beloved pet dog, who gives the book both its title and its unforgettable ending. In its daring style and structure--both playful and profound, youthful and mature - and its frank discussion of political and sexual identity, *My Favorite Girlfriend* was a French Bulldog marks the emergence of an original and essential new voice.

El crítico de cine Juan Piqueras, figura clave en la introducción de la cultura cinematográfica de vanguardia en España, se despidió de su pareja Ketty González en un andén de la estación de Orsay, en París, a mediados de julio de 1936. Iba cargado con una maleta repleta de libros y ejemplares de su revista *Nuestro Cinema*, en donde publicaron Sergei Eisenstein, Vsevolod Pudovkin, Béla Balázs, Joris Ivens y René Clair, entre muchos otros. Ella volvió a su casa de la Rue Broca con el presentimiento de que le acababa de decir adiós al presente luminoso que tanto les había costado construir. Nunca más se volverían a ver. Juan fue fusilado en fecha y lugar exacto desconocidos poco después del Golpe de Estado nacional, a pesar de los intentos de su amigo Luis Buñuel por rescatarlo. El periódico *L'Humanité* publicó un obituario en donde se le recordaba junto a Federico García Lorca. Tenía 32 años. Ketty inició un periplo vital que la llevaría a viajar a España en plena Guerra Civil en busca de respuestas, sufrir la represión franquista una vez acabado el conflicto, salir del país para volver a una Francia inmersa en la Segunda Guerra Mundial y, con los nazis a las puertas de Burdeos, iniciar un exilio que la llevaría a Venezuela. Allí, una década después, pudo al fin mirar tranquila por la ventana una noche y escribir su relato de los años imposibles. El nombre de Juan Piqueras cayó en el silencio impuesto por la dictadura, fue recuperado con la llegada de la democracia por la Filmoteca de Valencia, y borrado de nuevo tras una polémica decisión tomada poco después de aprobarse la Ley de Memoria Histórica en 2007. Los años imposibles parte de este doble olvido para explorar cómo determinadas memorias son capaces de estorbar en el presente. Plantea una mirada crítica al pasado por parte de una generación que, a pesar de haber nacido en democracia, todavía siente la necesidad de interrogar el relato histórico para imaginar un futuro diferente. Porque poner nombre y caras a los que sufrieron las funestas consecuencias de la Guerra y la Dictadura es movilizar el imperativo de la memoria hoy, para que el pasado que apenas fue presente durante años nos despierte súbitamente del plácido sueño en el que nos envuelve el olvido.

Vasily Grossman and the Soviet Century Wayne State University Press

The definitive biography of Soviet Jewish dissident writer Vasily Grossman If Vasily Grossman's 1961 masterpiece, *Life and Fate*, had been published during his lifetime, it would have reached the world together with Pasternak's *Doctor Zhivago* and before Solzhenitsyn's *Gulag*. But *Life and Fate* was seized by the KGB. When it emerged posthumously, decades later, it was recognized as the *War and Peace* of the twentieth century. Always at the epicenter of events, Grossman (1905–1964) was among the first to describe the Holocaust and the Ukrainian famine. His 1944 article "The Hell of Treblinka" became evidence at Nuremberg. Grossman's powerful anti-totalitarian works liken the Nazis' crimes against humanity with those of Stalin. His compassionate prose has the everlasting quality of great art. Because Grossman's major works appeared after much delay we are only now able

to examine them properly. Alexandra Popoff's authoritative biography illuminates Grossman's life and legacy.

La imagen más extendida actualmente de Europa es la de un continente construido sobre el consenso democrático. Mark Mazower, en esta sugerente obra, nos invita a reflexionar sobre esta idea. Buena parte del siglo xx europeo estuvo marcado por la lucha mortal entre ideologías. Fascismo, comunismo y democracia liberal batallaron durante décadas por ocupar el vacío que el derrumbe del surgimiento de la sociedad de masas había generado. Combate que se dio no solo en el campo de batalla, sino también en el terreno de la cultura. Las ideas sobre el pasado las proyectan en el presente los vencedores. Si tenemos esto en cuenta, ¿podemos afirmar que la democracia es el sistema propio de los europeos, o fue solo el que triunfó tras un largo enfrentamiento? ¿Acaso las políticas totalitarias y las dictaduras no gozaron hace no tanto de un amplio reconocimiento popular? Aceptando como mínimo esta duda, ¿cómo debemos afrontar el futuro incierto del continente? ¿Corremos el riesgo de incurrir en errores ya cometidos en el pasado? Para responder a estas preguntas, Mazower esboza una convincente explicación sobre la historia del siglo xx europeo, llegando hasta la actualidad. Una obra imprescindible para aquellos que busquen respuestas elaboradas a la confusa situación de una Europa errática.

Plus, you'll find out how Louise not only starts her day with bone broth, but uses it as an ingredient in many of her meals as well—discovering why it is one of her secrets to vibrant wellness and longevity. "Wherever I go, I'm asked, 'How do you stay so healthy and young?' Or I'm complimented on how beautiful my skin, hair, and nails look. I always say that the key is positive thoughts and healthy food. For many years, the staple of my diet has been bone broth. My doctors keep pointing out that my blood tests and other health-test results are better than people half my age. I tell them, 'I'm a big, strong, healthy girl!' Then I talk about bone broth. I want everyone to know about it because I believe it is an integral part of my health, energy, and vitality."— Louise Hay
