Urdu Made Easy

Bermuda Word

Excerpt from First Lessons in Urdu This little book, like my "First Lessons in Hindi," has been written to supply a need. It is intended to help those who have to study

Urdu in the Persian character from the beginning, and, for this reason, in the Exercises, Vocabularies, and Grammatical Notes, that character has been used; a transliteration into Roman characters being added, as such a transliteration will be found useful to beginners. At the same time those who wish, at this stage, to learn to use only Roman-Urdu will find the book useful. The Grammatical Notes are only introductory and elementary, as it is hoped that the student of this book will go forward to more extensive and profounder works. They will, it is to be hoped, lead up to Platts's "Hindustani Grammar," Kempson's

"Syntax and Idioms of Hindustani," and other works of a more advanced character. The Vocabulary used is that of the simplest kind of Urdu, such as will be found helpful in acquiring the language of everyday life. Having laid a foundation of this kind, the student will find himself able to begin speaking the language, a most important factor in acquiring a sound and accurate knowledge of Urdu. Reading, writing and speaking should be cultivated simultaneously, or the student will perhaps find himself able to read intelligently, to discuss points of Grammar, and yet be unable to express his thoughts with fluency and accuracy. Celebrating the Best of Urdu Poetry Hodder Education

This book offers a representative selection of humorous and satirical Urdu poetry, drawn from the works of seventeen major poets, including the classics like Mohammed Rafi Sauda and Akbar Allahabadi, besides the famous practitioners of this art in the 20th century. The poems are chosen on the basis of their artistic and thematic quality. These are then translated, verse by verse, into English, and transliterated in the Roman script for the benefit of the non-Urdu-knowing reader. This is probably the first book of its kind in Urdu-English translated literature.

[In English, Faiz Ahmed Faiz](#) Penguin UK
 This book contains English translation of about 270 poems and quatrains derived from the 8 books of Urdu poetry that Faiz Ahmed Faiz published from 1941 to 1984, over a tumultuous period of 4 decades. For helping him and his poetry put in context, the book includes a 'Preface', how other writers viewed his poetry, including his own views on his poetry and how it sought social justice and freedom of speech and action, through his own incarcerations.

This is another effort to bring to English readers poetry from a culturally philologically distant language and culture, and 'A Word on Translation' elaborates the issues involved. Recent Emergency in Pakistan (November 2007) also showed how relevant his poetry still was when protestors marched around, one of the slogans being, "Bol" ('Speak Up'), the title of a poem he published in 1941.
