Ordboken McGraw-Hill Companies
Sweden's transformation in the last century was brought about not by the military prowess of exceptional Swedes (indeed neutrality has been a key element in Swedish policy for almost two centuries) but by the creative ability of its people. Sweden has emerged as a model welfare state and a well-ordered democracy, to which economists, sociologists, feminists, architects, and scientists from sophisticated nations have paid study visits. Sweden now depends on international trade to preserve its high standard of living and, in a world of harsh international competition, often has to struggle to maintain its welfare system and its reputation. Despite its present difficulties, however, it remains one of the world's most advanced and affluent democracies. This third edition of Historical Dictionary of Sweden contains a chronology, an introduction, appendixes, an extensive bibliography, and a dictionary section with more than 300 cross-referenced entries on important personalities, politics, economy, foreign relations, religion, and culture. This book is an excellent access point for students, researchers, and anyone wanting to know more about Sweden."

Prisma's English-Swedish Dictionary

Benjamin Maximilian Eisenhauer
Sweden's natural and historical wonders, from the aurora borealis to Stockholm's old town, make it one of the top 20 tourist destinations in the world, with nearly 8 million visitors each year. Swedish is spoken by the roughly ten million inhabitants of Sweden, one of the world's most politically and economically successful democracies and also spoken by business people and emigrants living abroad. Swedish is an important medium

for communication across Europe. It is an official language of the European Union, the Nordic Council, and Finland. This bilingual dictionary features 17,500 entries of essential Swedish. The dictionary includes approximately 1200 Proper Names in English which may or may not be translated in Swedish along with approximately 700 common English acronyms and abbreviations. Also included is a guide to the English and Swedish alphabet and pronunciation.-----

Sveriges naturliga och historiska underverk, från norrskenen till Stockholm gamla stan, gör den till en av de 20 bästa turistmålen i världen, med nästan 8 miljoner besökare varje år. Svenska talas av de cirka tio miljoner invånare i Sverige, ett av världens mest politiskt och ekonomiskt framgångsrika demokratierna och även talas av affärsmän och utvandrare bor utomlands. Svenska är ett viktigt medium för kommunikation i hela Europa. Det är ett officiellt språk i EU, Nordiska rådet, och Finland. Denna tvåspråkiga lexikon har 17.500 poster eterisk svenska. Ordboken omfattar cirka 1200 egennamn i engelska som kan eller inte kan översättas i svenska tillsammans med cirka 700 vanliga engelska förkortningar. Dessutom ingår en guide till engelska och svenska alfabetet och uttal.

Historical Dictionaries of Europe

For centuries Sweden was a rather backward, relatively unknown country. It burst onto the world scene during the Viking Age, and then under the warrior kings Gustavus Adolphus and Charles XII in the 17th and 18th centuries, only to withdraw into isolation again. In this century, however, the country has been transformed and hailed as a model welfare state. The over 240 entries in this volume range from the Viking Age to the present day, but the emphasis is on personalities and events of the 20th century and Sweden's rapid social and economic evolution. Sweden's internal affairs are reflected in articles on economics, politicians and political parties, newspapers, parliament, trade unions, social welfare, education, religion, and the status of women. Foreign affairs are covered in such articles as Sweden and Finland, Union with Norway, Estonia, Nordic Council, the two World Wars, Neutrality, the United Nations, and the

European Union. Cultural entries include Swedish theater, music, visual arts, literature and language, libraries, and cinema. Several Swedes of international fame have been included (e.g., Linneaus, Kreuger, Nobel, Palme, St. Birgitta, and Raoul Wallenberg). The dictionary is preceded by a chronology and an introduction which give the reader an overview of Swedish history. There is, finally, a substantial bibliography to assist further reading.
