English German 50 Animals Vocabulary Activities Workbook for

Kids Alta English Publishers
Cool Kids Speak English has been written with primary school aged children in mind (7-11 year olds) by a qualified and experienced foreign languages teacher. This book is filled full of fun worksheets, wonderful word searches and lovely colouring pages and is ideal for children learning English as a foreign language. The topics covered in this book include Greetings, Introductions, Numbers, Colours, Pets, Clothes and Weather. Each

topic begins with a page full of images and the English words for the topic.

Progression throughout each of the topics has been carefully planned as the activities practice only a few of the new words at any one time, and gradually introduce simple sentence structures. At the back of the book there is the answer section. Learning a new foreign language at an early age can be an enjoyable and useful experience, and this book would be a great way for any child to learn English.

ESL Worksheets and Lesson Plans 1 & 2 are similar in that they were developed to

supplement ESL textbooks-not to replace them. They are meant to enhance and bring variety to an already-existing ESL program. Book 2 is different in that it provides more practice in phonics, word building, and grammar in work-related scenarios. For example, a review of the use of the simple past tense is presented in the context of describing a job interview, and the review of modal verbs incorporates banking terms. The worksheets are designed to be duplicated and distributed to students. They can also be used to make overhead transparencies or be projected onto a whiteboard or smart board on which students can see the worksheets and write directly onto the projected images. Each worksheet is accompanied by a detailed step-by-step lesson plan, grammar explanations, suggested teaching techniques, and follow-up activities. The lessons also provide a useful resource for substitute teachers and tutors. This book is available at Amazon.com.
