Shot! or The ghost's seat at Deymont Simon and Schuster

NATIONAL BOOK CRITICS CIRCLE AWARD WINNER WINNER OF THE LOS ANGELES TIMES BOOK PRIZE Haunting, harrowing, and profoundly affecting, *Shot in the Heart* exposes and explores a dark vein of American life that most of us would rather ignore. It is a book that will leave no reader unchanged. Gary Gilmore, the infamous murderer immortalized by Norman Mailer in *The Executioner's Song*, campaigned for his own death and was executed by firing squad in 1977. Writer Mikal Gilmore is his younger brother. In *Shot in the Heart*, he tells the stunning story of their wildly dysfunctional family: their mother, a black sheep daughter of unforgiving Mormon farmers; their father, a drunk, thief, and con man. It was a family destroyed by a multigenerational history of child abuse, alcoholism, crime, adultery, and murder. Mikal, burdened with the guilt of being his father's favorite and the shame of being Gary's brother, gracefully and painfully relates a murder tale "from inside the house where murder is born... a house that, in some ways, [he has] never been able to leave." *Shot in the Heart* is the history of an American family inextricably tied up with violence, and the

story of how the children of this family committed murder and murdered themselves in payment for a long lineage of ruin.

The world of golf is rife with unexplainable happenings that seemingly defy the rules of gravity and logic: There are those badly hit shots last seen disappearing into a grove of trees, only to be rediscovered on the putting green. And what of those perfectly struck drives that rocketed into the crisp blue beyond never to be seen again? Players have learned to lay blame on "the Golf Gods," and go about their rounds. There are, however, the other stories—tales of apparitions gliding across a course, unexplained noises emanating from uninhabited rooms of a clubhouse, or the phantom golfer who appears out of nowhere to play a shot and vanishes just as suddenly. Haunted Golf explores such stories from the clubhouses of New England to the fairways of New Orleans and the links of Great Britain. Bringing readers on a journey that will enlighten, entertain, and send shivers, this book also delves into the history and flavor of the locations, painting evocative portraits of the courses and the communities. It includes a foreword by English golfer and golf analyst Peter Oosterhuis.

Behind You: One-Shot Horror Stories Hachette Books

A heartbreaking and powerful story about a black boy killed by a police officer, drawing connections through history, from award-winning author Jewell Parker Rhodes. Only the living can make the world better. Live and make it better. Twelve-year-old Jerome is shot by a police officer who mistakes his toy gun for a real threat. As a ghost, he observes the devastation that's been unleashed on his family and community in the wake of what they see as an unjust and brutal killing.

Soon Jerome meets another ghost: Emmett Till, a boy from a very different time but similar circumstances. Emmett helps Jerome process what has happened, on a journey towards recognizing how historical racism may have led to the events that ended his life. Jerome also meets Sarah, the daughter of the police officer, who grapples with her father's actions. Once again Jewell Parker Rhodes deftly weaves historical and socio-political layers into a gripping and poignant story about how children and families face the complexities of today's world, and how one boy grows to understand American blackness in the aftermath of his own death.

A cannon. A strap. A piece. A biscuit. A burner. A heater. A chopper. A gat. A

hammer A tool for RULE Or, you can call it a gun. That's what fifteen-year-old Will has shoved in the back waistband of his jeans. See, his brother Shawn was just murdered. And Will knows the rules. No crying. No snitching. Revenge. That's where Will's now heading, with that gun shoved in the back waistband of his jeans, the gun that was his brother's gun. He gets on the elevator, seventh floor, stoked. He knows who he's after. Or does he? As the elevator stops on the sixth floor, on comes Buck. Buck, Will finds out, is who gave Shawn the gun before Will took the gun. Buck tells Will to check that the gun is even loaded. And that's when Will sees that one bullet is missing. And the only one who could have fired Shawn's gun was Shawn. Huh. Will didn't know that Shawn had ever actually USED his gun. Bigger huh. BUCK IS DEAD. But Buck's in the elevator? Just as Will's trying to think this through, the door to the next floor opens. A teenage girl gets on, waves away the smoke from Dead Buck's cigarette. Will doesn't know her, but she knew him. Knew. When they were eight. And stray bullets had cut through the playground, and Will had tried to cover her, but she was hit anyway, and so what she wants to know, on that fifth floor elevator stop, is, what if Will, Will with the gun shoved in the back waistband of his jeans, MISSES. And so it goes, the whole long way down, as the elevator stops on each floor, and at each stop someone connected to his brother gets on to give Will a piece to a bigger story than the one he thinks he knows. A story that might never know an END...if Will gets off that elevator. Told in short, fierce staccato narrative verse, Long Way Down is a fast and furious, dazzlingly brilliant look at teenage gun violence, as could only be told by Jason Reynolds.
