Cummins V555 VT555 - injectors - Boatdiesel com

Jun 10, 2003 · 555 injector pump Can anyone shed some light on the injector pump theory of operation for a vt555? I am unclear on how it meters the fuel to the injectors as the throttle setting changes I believe that it simply varies fuel pressure to the heads which loads the injectors with more or less fuel If this is the case there must be a fixed orifice
