We Refuse to Forget Penguin

Would a proper adult ignore the spilt milk under the fridge for weeks? Would a proper adult take three years to post a solitary Christmas card? Would a proper adult have decades-old underwear in active service? Mike Gayle is nowhere near being a proper adult - even though his tenth wedding anniversary is looming; his second child is due any moment; and in less than twenty-four hours he is going to be officially closer to forty than he is to thirty. Appalled by this lack of maturity, Mike draws up a To-Do list containing every single item he's been meaning to do but just keeps putting off... He's got a lot of stuff that needs doing. But unlike previous To-Do lists, he promises himself that this one will actually get DONE. And along the way, Mike will learn stuff about life (323), love (999), friends (1004) and family (9) and finally work out what it means to be a grown up (846).

The Feeder Apple

The daughter of an eccentric French artist and the grandchild of an African princess, Pascale de Ravenault deals art for fortune with a cool hand and an iron will. From the moment Captain Jack Devlin first sees Pascale, a undeniable spark of passion was kindled--and a royal battle between two independent souls was waged.

Moonrise Speak

"The energy. The clarity. The beauty. Elisabet Velasquez brings it all. . . . Her voice is FIRE!"—NYT bestselling and award-winning author Jacqueline Woodson An unforgettable, torrential, and hopeful debut young adult novel-in-verse that redefines what it means to "make it," for readers of Nicholasa Mohr and Elizabeth Acevedo. Sarai is a first-generation Puerto Rican question asker who can see with clarity the truth, pain, and beauty of the world both inside and outside her Bushwick apartment. Together with her older sister, Estrella, she navigates the strain of family traumas and the systemic pressures of toxic masculinity and housing insecurity in a rapidly gentrifying Brooklyn. Sarai questions the society around her, her Boricua identity, and the life she lives with determination and an open heart, learning to celebrate herself in a way that she has long been denied. When We Make It is a love letter to anyone who was taught to believe that they would not make it. To those who feel their emotions before they can name them. To those who still may not have all the language but they have their story. Velasquez' debut novel is sure to leave an indelible mark on all who read it.

Who Asked You? Sojourner Publishing

Lindsey and her brothers, Eric and Tu, face the challenges of growing up in seven interrelated stories set in their Oakland, California, neighborhood.

I Was Here Algonquin Books

Describes the causes, effects, treatment options, and research in the field of insomnia.

Ashes on the Waves Rodale

"No one writes about love like Gayle Forman. Lose yourself in her passionate mash note to rock music, indie bookstores and best of all, the miracles that can happen when you take chances on other people." — E. LOCKHART, #1 New York Times bestselling author of *We Were Liars* and *Again Again* A poignant and uplifting novel about the power of community, from the #1 New York Times bestselling author of *If I Stay*. Aaron Stein used to think books were miracles. But not anymore. Even though he spends his days working in his family's secondhand bookstore, the only book Aaron can bear to read is one about the demise of the dinosaurs. It's a predicament he understands all too well, now that his brother and mom are gone and his friends have deserted him, leaving Aaron and his shambolic father alone in a moldering bookstore in a crusty mountain town where no one seems to read anymore. So when Aaron sees the opportunity to sell the store, he jumps at it, thinking this is the only way out. But he doesn't account for Chad, a "best life" bro with a wheelchair and way too much optimism, or the town's out-of-work lumberjacks taking on the failing shop as their pet project. And he certainly doesn't anticipate meeting Hannah, a beautiful, brave musician who might possibly be the kind of inevitable he's been waiting for. All of them will help Aaron to come to terms with what he's lost, what he's found, who he is, and who he wants to be, and show him that destruction doesn't inevitably lead to extinction; sometimes it leads to the creation of something entirely new.

One Potato, Tu Penguin

The #1 New York Times bestseller. Over 10 million copies sold! Tiny Changes, Remarkable Results No matter your goals, Atomic Habits offers a proven framework for improving--every day. James

Clear, one of the world's leading experts on habit formation, reveals practical strategies that will teach you exactly how to form good habits, break bad ones, and master the tiny behaviors that lead to remarkable results. If you're having trouble changing your habits, the problem isn't you. The problem is your system. Bad habits repeat themselves again and again not because you don't want to change, but because you have the wrong system for change. You do not rise to the level of your goals. You fall to the level of your systems. Here, you'll get a proven system that can take you to new heights. Clear is known for his ability to distill complex topics into simple behaviors that can be easily applied to daily life and work. Here, he draws on the most proven ideas from biology, psychology, and neuroscience to create an easy-to-understand guide for making good habits inevitable and bad habits impossible. Along the way, readers will be inspired and entertained with true stories from Olympic gold medalists, award-winning artists, business leaders, life-saving physicians, and star comedians who have used the science of small habits to master their craft and vault to the top of their field. Learn how to: make time for new habits (even when life gets crazy); overcome a lack of motivation and willpower; design your environment to make success easier; get back on track when you fall off course; ...and much more. Atomic Habits will reshape the way you think about progress and success, and give you the tools and strategies you need to transform your habits--whether you are a team looking to win a championship, an organization hoping to redefine an industry, or simply an individual who wishes to quit smoking, lose weight, reduce stress, or achieve any other goal.

William and Harry Duke University Press

When a journalist sets out on a round-the-globe adventure, she hopes to meet those that live outside mainstream society, only to find that even on the fringes, the unstoppable forces of globalization encroach on daily life. 30,000 first printing.

The Perfect Storm Hachette UK

It's every woman's fantasy: to pack a bag and leave everything behind. Meet Maribeth Klein, a harried working mother who is so busy taking care of her husband and twins that she doesn't even realize that she has had a heart attack. But her recuperation seems to be an imposition on those who rely on her. So Maribeth does the unthinkable - she packs a bag and leaves. Maribeth has always wondered who she is and where she comes from: and now's the time to find out. Now, far from the demands of family and career, she is finally able to own up to the secrets she has been keeping from herself and those she loves. From the bestselling author of *If I Stay* and *I Was Here* comes a stunning new novel for Forman's adult readers, an unflinching portrait of a woman confronting the joys and sorrows of marriage, motherhood and friendship. *~*~*Readers love Leave Me*~*~* '[Leave Me] reminds you that we are all fragile human beings, imperfect and all a work in progress and above all, it reminds us that life is complex and frightening but not impossible' The Bookbag 'Read it, as they say, and weep' Daily Mail 'When I reached the end of this book, I was in tears because of how honest and raw it was. This book will really make you think very deeply about your deepest desires' Twenty-Three Pages 'An appealing fairy tale for the exhausted and underappreciated' Kirkus 'Defly explores the domestic struggles of 21st-century bourgeois life. This is an insightful ode to—and cautionary tale for—the overburdened working mother' Book Page 'With humor and pathos, Forman depicts Maribeth's complicated situation and her thoroughly satisfying arc, leaving readers feeling as though they've really accompanied Maribeth on her journey' Publishers Weekly

Nightingale's Nest Penguin

From the New York Times bestselling author of *If I Stay* Allyson Healey's life is exactly like her suitcase—packed, planned, ordered. Then on the last day of her three-week post-graduation European tour, she meets Willem. A free-spirited, roving actor, Willem is everything she's not, and when he invites her to abandon her plans and come to Paris with him, Allyson says yes. This uncharacteristic decision leads to a day of risk and romance, liberation and intimacy: 24 hours that will transform Allyson's life. A book about love, heartbreak, travel, identity, and the "accidents" of fate, *Just One Day* shows us how sometimes in order to get found, you first have to get lost. . . and how often the people we are seeking are much closer than we know. The first in a sweepingly romantic duet of novels. Willem's story—*Just One Year*—is coming soon!

I Have Lost My Way Penguin

Gayle Forman's entire swoony JUST ONE trilogy in a single volume--ideal for binge reading! It all starts when American good girl Allyson--better known as Lulu-- decides to spend just one day in Paris with Dutch hottie Willem. It's a whirlwind adventure filled with heart-racing romance, but the next day Willem is gone

without a trace. What follows is one year of searching that ends with a steamy reunion on the one wonderful night when they finally find one another again. Filled with mystery, drama, adventure, and of course romance, this is a swoony and satisfying entry point for new readers of Gayle Forman's bestselling fiction. Includes: *Just One Day*, *Just One Year*, and the novella *Just One Night*

Just One Year Univ of California Press

The New York Times bestseller from the author of *If I Stay* "Heartwrenching...If you are ready to be emotionally wrecked yet again, you are in luck." - Hypable A fateful accident draws three strangers together over the course of a single day: Freya who has lost her voice while recording her debut album. Harun who is making plans to run away from everyone he has ever loved. Nathaniel who has just arrived in New York City with a backpack, a desperate plan, and nothing left to lose. As the day progresses, their secrets start to unravel and they begin to understand that the way out of their own loss might just lie in helping the others out of theirs. An emotionally cathartic story of losing love, finding love, and discovering the person you are meant to be, *I Have Lost My Way* is bestselling author Gayle Forman at her finest. "A beautifully written love song to every young person who has ever moved through fear and found themselves on the other side." - Jacqueline Woodson, bestselling author of *Brown Girl Dreaming* [Nakoa's Woman](#) [Aladdin](#)

"An important part of American history told with a clear-eyed and forceful brilliance." —National Book Award winner Jacqueline Woodson "We Refuse to Forget reminds readers, on damn near every page, that we are collectively experiencing a brilliance we've seldom seen or imagined...We Refuse to Forget is a new standard in book-making." —Kiese Laymon, author of the bestselling *Heavy: An American Memoir* A landmark work of untold American history that reshapes our understanding of identity, race, and belonging In *We Refuse to Forget*, award-winning journalist Caleb Gayle tells the extraordinary story of the Creek Nation, a Native tribe that two centuries ago both owned slaves and accepted Black people as full citizens. Thanks to the efforts of Creek leaders like Cow Tom, a Black Creek citizen who rose to become chief, the U.S. government recognized Creek citizenship in 1866 for its Black members. Yet this equality was shredded in the 1970s when tribal leaders revoked the citizenship of Black Creeks, even those who could trace their history back generations—even to Cow Tom himself. Why did this happen? How was the U.S. government involved? And what are Cow Tom's descendants and other Black Creeks doing to regain their citizenship? These are some of the questions that Gayle explores in this provocative examination of racial and ethnic identity. By delving into the history and interviewing Black Creeks who are fighting to have their citizenship reinstated, he lays bare the racism and greed at the heart of this story. *We Refuse to Forget* is an eye-opening account that challenges our preconceptions of identity as it shines new light on the long shadows of white supremacy and marginalization that continue to hamper progress for Black Americans.

Frankie & Bug Penguin

Lita and Carly were best friends in college. Now, Lita is single with a successful career and Carly is a married stay-at-home mom. Despite their shared past, they're drifting apart. But an unthinkable act changes everything. Carly is a gourmet cook and loves to feed everyone. Lita is a free spirit whose spaghetti sauce comes in a jar. Lita and Derek dated briefly and when they broke up, Carly and Derek got together and were soon married. Carly feels lucky Derek chose her. Lita is glad she didn't get caught in the marriage trap. Neither understands the other's choice. The relationship is fizzling out. A twist of fate throws them together. A horrifying act and the shocking events that follow unite them in a terrible secret. One they must keep forever.

All the Lonely People Penguin

The tale of a beautiful white girl who is captured by the Blackfoot Indian warrior Nakoa, and of their stormy relationship as she struggles against her growing love for her captor and he struggles against the customs of his people. A large cast of vivid characters surrounds the young lovers as they work out their fates.

The To-Do List Crown

"This surprising, compassionate story brings to life the secret, guilty fantasy of many overworked moms." —People "In an enthralling novel reminiscent of Anne Tyler's *Ladder of Years*, a woman who recently suffered a heart attack runs away to recover her equilibrium." —O, The Oprah Magazine Every woman who has ever fantasized about driving past her exit on the highway instead of going home to make dinner, and every woman who has ever dreamed of boarding a train to a place where no one needs constant attention--meet Maribeth Klein. A harried working

mother who's so busy taking care of her husband and twins, she doesn't even realize she's had a heart attack. Surprised to discover that her recuperation seems to be an imposition on those who rely on her, Maribeth does the unthinkable: she packs a bag and leaves. But, as is often the case, once we get where we're going we see our lives from a different perspective. Far from the demands of family and career and with the help of liberating new friendships, Maribeth is able to own up to secrets she has been keeping from herself and those she loves. With bighearted characters--husbands, wives, friends, and lovers--who stumble and trip, grow and forgive, *Leave Me* is about facing the fears we're all running from. Gayle Forman is a dazzling observer of human nature. She has written an irresistible novel that confronts the ambivalence of modern motherhood head on and asks, what happens when a grown woman runs away from home? *Atomic Habits* Penguin

After spending one life-changing day in Paris with laid-back Dutch actor Willem De Ruiter, sheltered American good girl Allyson "Lulu" Healey discovered her new lover had disappeared without a trace. *Just One Day* followed Allyson's quest to reunite with Willem; *Just One Year* chronicled the pair's year apart from Willem's perspective. Now, back together at last, this delectable e-novella reveals the couple's final chapter.

Sometimes Just One Is Just Right Hodder & Stoughton William and Harry is a fascinating insight into the lives and loves of two extraordinary young men who have captured not only the hearts and minds of not only the British public, but those the world over. This is the definitive book about the princes, bringing their story right up to date. It is the tale of two brothers who have

carried the legacy of their mother, Diana, Princess of Wales, into the twenty-first century and on whom the future of the House of Windsor largely depends. Drawing on her unique set of contacts Katie Nicholl recounts the royal brothers' extraordinary lives and reveals William and Harry's real characters as they become front-line soldiers and modern princes. Through her network of sources, some of which have agreed to speak for the very first time, Katie tells the story of one of Prince William's earliest romances, and his struggle with his destiny as a future King of England. As a royal wedding between Prince William and Kate Middleton seems more probable, Katie has spoken to a wealth of contacts close to the couple who reveal how their love affair really started at St Andrews, the hurdles the pair overcame and the challenges they still face. She recounts the story of Harry's time at Eton, his relationship with Chelsy Davy, and his three months he spent on the front line in Afghanistan. She analyses William and Harry's complex relationship with their father, and the woman who will one day become Queen Camilla. She talks to their friends, contemporaries and confidants to paint a unique and revealing portrait of the two most famous brothers in the world.

Just One Day Penguin

The very first novel by the #1 New York Times bestselling author of *If I Stay* now has a beautiful new cover. *Sisters in Sanity* is a story of sisterhood and self-discovery that's perfect for fans of Sarah Dessen, Morgan Matson, and Siobhan Vivian. Britt Hemphill doesn't know who she can trust. Her free-spirit mother has disappeared, and her father, once Britt's partner in crime, has remarried and shipped her off to Red Rock, a so-called treatment

facility for troubled girls. And the counselors at Red Rock? They're completely insane. Britt's horror at the "therapy"—vicious name-calling and grueling physical labor—is second only to her hatred for the backstabbing patients, who win privileges by ratting each other out. But when V, Bebe, Martha, and Cassie, the four girls who keep Britt from going over the edge, help her sneak out to go see Jeb, her maybe-more-than-friends bandmate, she starts to believe that there may actually be people who can help her—and people that she can help by taking down Red Rocks. *Sisters in Sanity* perfectly captures the feeling of being trapped in a world that refuses to understand you—and fighting back.

You Can't Get There from Here Penguin

In the debut middle grade novel from #1 New York Times bestselling author Gayle Forman comes a poignant and powerful coming-of-age story that follows a young girl and her new friend as they learn about family, friendship, allyship, and finding your way in a complicated world. It's the summer of 1987, and all ten-year-old Bug wants to do is go to the beach with her older brother and hang out with the locals on the boardwalk. But Danny wants to be with his own friends, and Bug's mom is too busy, so Bug is stuck with their neighbor Philip's nephew, Frankie. Bug's not too excited about hanging out with a kid she's never met, but they soon find some common ground. And as the summer unfolds, they find themselves learning some important lessons about each other, and the world. Like what it means to be your true self and how to be a good ally for others. That family can be the people you're related to, but also the people you choose to have around you. And that even though life isn't always fair, we can all do our part to make it more just.
